Report ref	Report title
ES/6	Neasden Town Centre
<p>Summary:</p> <p>A Framework for the regeneration of Neasden Town Centre has been developed and widely consulted on. Detailed proposals for de-pedestrianisation of the centre, repaving and landscaping have been prepared and tenders obtained. A scheme for a Controlled Parking Zone within the Town Centre has been agreed.</p> <p>Tenders, together with associated fees, exceeded the agreed capital budget and the scope of work is under review and complementary sources of funding are being sought to enable the scheme to go ahead.</p>	
<p>Nature of Decision to be taken/Intended Outcome</p> <p>To adopt the framework for the Town Centre, to agree the scope of the works to be undertaken and a funding package, and to approve the award of a contract for the works.</p>	
<p>Timescale for decision:</p> <p>December 2003 or January 2004 depending on the identification of further funding to enable the scheme to proceed.</p>
