<b>Report ref</b>	<b>Report title</b>
04/05 EAL / 0053	Children Bill (2004)
<p><b>Summary:</b></p> <p>The report originally scheduled for June 2004 is now planned to be submitted in September or October. The report is to contain a costed project plan for the implementation of proposals in the Children Bill over 2004/5 and 2005/6. The reason for the postponement is that crucial information from the DfES on funding to be made available for 2004/5 has not been received yet.</p>	
<p><b>Nature of Decision to be taken/Intended Outcome</b></p> <p>To approve a costed project plan.</p>
