

Briefing Note on issues included in the Forward Plan Issue 2205/06

SERVICE AREA: ENVIRONMENT AND CULTURE – PARKS

Report Ref.	Report Title
COR – 04/05-78	Dollis Hill House: Update on Negotiations and Future Proposals
Summary: This report will provide Members with an update on the negotiations re the Dollis Hill House. Since the last report in December 2003, negotiations have taken place with the GLA and LDA and the Brent tPCT on a potential project to restore the house. The Brent tPCT had expressed an interest in wanting to redevelop the house as a health centre. However, having worked up a proposal the PCT Board decided not to go ahead with the scheme. Officers will now meet with the GLA/LDA to ascertain what their position is. The report will then outline possible future options.	
Nature of Decision to be taken: To note the update on negotiations and to agree a future way forward.	
Timescale for Decision; August 2005.
