**Report from the  
Democratic Services Manager**

For Action

Wards Affected:  
ALL

**Parliamentary Elections 2006 – Polling Places and Stations**

**1.0 SUMMARY**

- 1.1 This report seeks agreement to the polling places to be used for the coming Local elections.

**2.0 RECOMMENDATIONS**

- 2.1 that the attached list of polling places be approved for the Local Elections to be held in 2005;
- 2.2 that in the event of any unforeseen changes between now and the Local Elections date, authority be delegated to the Democratic Services Manager to designate polling places, in consultation with the Leaders of the three political groups.

**3.0 DETAIL**

- 3.1 The list of places is similar to that used for the Parliamentary Elections in May 2005 with one exception:

**SWC2– former polling place – Royal British Legion Hall  
- proposed polling place – portacabins outside Ealing Road  
Library**

The premises have been sold to developers. There is no guarantee as to availability of the premises in May and consequently I would not recommend their use. Additionally, the premises and surrounding area have become neglected. The Ealing Road library is nearby and portacabins used to be placed in the car park for voters in this area. I

am recommending that we revert to the previous arrangement until the future of the Hall has been settled.

3.2 The list was circulated to members in November 2005 for comments and suggestions and only one was received regarding difficulties over disabled access to Watling Gardens Community Centre. This is being considered by the Tenants Management Organisation who are obliged to rectify the problem in accordance with the Disability Discrimination Act.

3.3 Any further comments received will be reported to the meeting.

#### **4.0 LEGAL IMPLICATIONS**

4.1 Section 18 of the Representation of the People Act 1983 requires the Council to divide its area into polling districts and to keep them under review. In exercising these powers, all electors must be given "such reasonable facilities for voting as are practicable in the circumstances".

#### **5.0 FINANCIAL IMPLICATIONS**

5.1 The cost of hiring premises for polling stations in Municipal Elections is fully met by the Council. Provision exists in the 2005/6 budget for this expenditure.

#### **6.0 STAFFING IMPLICATIONS**

6.1 None specific.

#### **7.0 DIVERSITY IMPLICATIONS**

7.1 This report is wholly concerned with the accessibility of polling stations to all voters in Brent.

#### **8.0 BACKGROUND PAPERS**

8.1 Letter from Democratic Services Manager to all councillors.
