7. European Elections 2009 – Polling Places

Members of the committee had before them a report from the Democratic Services Manager seeking approval to the polling places to be used for the forthcoming European Elections on 4th June. The Electoral Services Manager advised that since the publication of the report, it had been decided to retain use of Salusbury Road School as the polling station for Polling District EQP5 instead of Kilburn Library as originally suggested in the report. Additionally, members noted that permission was still awaited from Transport for London to place a temporary hut in the car park at the entrance to Northwick Park Station instead of outside 31 Rushout Avenue, for Polling District NNP1. The committee delegated authority to the Democratic Services Manager to agree the proposed new polling place, in consultation with the three largest party leaders, should the awaited permission be forthcoming.

The Committee agreed the recommendations in the report as amended.

RESOLVED:

- (i) that the proposed changes to the list of polling places as set out in the report as amended, be noted;
- (ii) that the attached list of polling places be approved;
- (ii) that authority be delegated to the Democratic Services Manager to make any further changes required to the polling places and stations for this election, in consultation with the leaders of the three largest parties.

The meeting closed at 5.50 pm.

R BLACKMAN
Vice-Chair, in the Chair
