MALVERN ROAD - CONTROLLED PARKING ZONE (CPZ) ZONE KM

CONSULTATION ON REVIEW OF CPZ FEB 04

BACKGROUND

In February 2002, Brent Council introduced a Controlled Parking Zone (CPZ) with control hours of Monday to Saturday 8.00am – 6.30pm including Bank Holidays in Malvern Road area following successful consultations with the local community. The scheme was implemented to:-

- Remove commuter and long-term non-residential parking from the area
- Improve road safety by removing obstructive parking from junctions
- To reduce the level of traffic in the area by regulating parking on-street and
- To attract more customers to the businesses –by allowing greater turnover of the parking spaces

The responses received to date indicate that there is a general level of satisfaction with the CPZ. However, Brent Council made an undertaking to review the scheme after an initial period of operation to address any issues local residents and businesses may have and to seek their views on how the schemes could be improved. **Brent Council would therefore like your views on the CPZ in your area and how you feel the scheme can be improved.**

REVIEW PROPOSALS

The issues which have prompted reviews of CPZs elsewhere in the borough are, for example, the CPZ operational times, insufficient permit holder or 'pay & display' bays and excessive lengths of 'yellow lines' restrictions. You may wish to comment on these or any other issues which are of concern to you.

A brief questionnaire has been prepared based on the above proposals for you to complete and return, although please feel free to make any comments and suggestions you may wish.

This is a preliminary consultation only to seek the views of local residents and businesses, and to find any area of common concern. A further consultation will be carried out on more specific issues before changes are made to the existing schemes.

SUDBURY TOWN AREA CONTROLLED PARKING ZONE (CPZ) – ZONE ST CONSULTATION ON REVIEW OF CPZ FEB/MAR 04

BACKGROUND

You will recall that in November/December 2003, Brent Council carried out a preliminary consultation on the review of the CPZ in your area. The results of the consultation showed that a large proportion of residents who responded were not satisfied with the operational time of the CPZ. The results of the consultation were reported to the December 2003 meeting of the Council's Highways Committee and the Committee agreed that residents/businesses in the CPZ should be re-consulted on the operational times of the CPZ.
