The outcome of these consultations was that the majority of residents did not support the proposals and accordingly, the Council's Highways Committee resolved not to proceed with a scheme in your streets. However, since the introduction of the KL Zone CPZ in Buchanan Gardens, Bathurst Gardens, College Road, Leigh Gardens and Clifford Gardens, Brent officers and local Councillors have received a number of complaints and petitons from residents in the area between All Souls Avenue and Chamberlayne Road regarding parking difficulties, traffic congestion and road safety generally. There is also concern that in September 2004, the local KS zone CPZ extension which includes Hanover Road and Mount Pleasant Road will further exacerbate existing local parking problems. Brent Council has therefore agreed to re-consult you on giving consideration to introducing a CPZ in your street which would be an extension of the existing zone KL, as shown on the map overleaf. As a resident/business of the area from which complaints have recently been received you are requested to indicate, on the attached questionnaire, whether you now wish to be included in a CPZ. Please therefore complete and return the questionnaire by Friday 23'' July 2004, using the freepost facility.
