DATE: 5<sup>th</sup> July 2004

Dear Resident,

**Proposed Controlled Parking Zone (Zone KL Extension): consultation**

You may recall that on several occasions during the last eighteen months, Brent Council consulted you on proposals for a Controlled Parking Zone (CPZ) for your area as shown overleaf. The outcome of these consultations was that the majority of residents did not support the proposals and accordingly, the Council's Highways Committee resolved not to proceed with a scheme in your streets.

However, since the introduction of the KL Zone CPZ in Buchanan Gardens, Bathurst Gardens, College Road, Leigh Gardens and Clifford Gardens, Brent officers and local Councillors have received a number of complaints and petitions from residents in the area between All Souls Avenue and Chamberlayne Road regarding parking difficulties, traffic congestion and road safety generally. There is also concern that in September 2004, the local KS zone CPZ extension which includes Hanover Road and Mount Pleasant Road will further exacerbate existing local parking problems. Brent Council has therefore agreed to re-consult you on giving consideration to introducing a CPZ in your street which would be an extension of the existing zone KL, as shown on the map overleaf.

As a resident/business of the area from which complaints have recently been received you are requested to indicate, on the attached questionnaire, whether you now wish to be included in a CPZ. Please therefore complete and return the questionnaire by **Friday 23<sup>rd</sup> July 2004**, using the freepost facility.

Please be assured that a CPZ can only be implemented if there is majority support in a clearly defined area otherwise; the Council will not proceed. If the proposal is not supported then the Council will undertake the development of the CPZ programme elsewhere in the borough, and it is unlikely that your area will be considered for parking controls in the current programme. If however majority support is identified the CPZ will be progressed and be amalgamated with the existing Zone KL which operates on Monday to Friday – 8.30 am to 6.30 pm.

I look forward to receiving your completed questionnaire although should you require any further information regarding the above, please contact me on 020 8937 5132. A brief reminder of how CPZs operate is provided overleaf.

Yours faithfully,

A handwritten signature in cursive script that reads "Solomon Nere".

TRAFFIC MANAGEMENT**

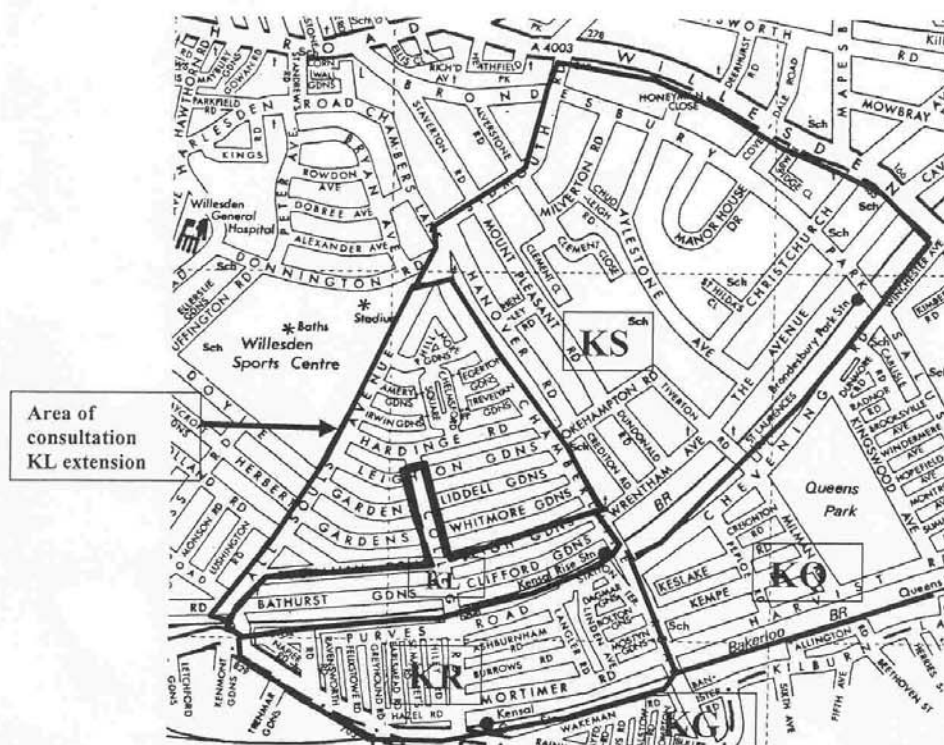

# Progress Report On Controlled Parking Zones Programme

## APPENDIX E continued

### HOW THE CPZ WILL OPERATE

- All the kerbside space will be controlled. Yellow lines will be introduced to control road junctions (double yellows) and vehicular accesses (single yellows). This will improve road safety for all road users, including pedestrians.
- Parking will be either for permit holders and their visitors, or in 'pay & display' bays. Commuter and other long stay parking will be removed - visitors, including carers, will find it easier to park
- The cost of permits is £50 a year for the 1st permit, £75 for the 2nd car and £100 for the 3rd. Each household will be restricted to a maximum of 3 permits.
- Visitors' Permits (vouchers) have to be purchased in advance and will be available in books of 10 at a cost of £5 per book (50 pence per voucher). Business Permits will cost £300 a year or, in the case of a liveried vehicle £180 a year.

**QUESTIONNAIRE (ZONE KL extension)**

Please check the address overleaf is yours and then complete and return the questionnaire by **Friday 23<sup>rd</sup> July 2004**, using the prepaid postage provided on the reverse of this form. (Photocopied questionnaires are not accepted)

1. Do you have parking problems in your street? YES  NO
1. Are you in favour of a CPZ for your street ? YES  NO   
If 'NO', please state your reason(s) in the box below
2. Do you support being included with the KL Zone with operational hours of 8.30 am to 6.30 pm, Monday to Friday ?  
YES  NO

3. If you wish to have different hours then this would mean creating a separate parking zone and a different zone identified. If you prefer this then indicate the operational times you prefer? .....

Do you have any comments about the proposals ? Please be brief and write clearly.

DATE: 29<sup>th</sup> June 2004

Dear Resident,

**RE: Controlled Parking Zone Review - Harlesden Gardens**

You may recall that in November/December 2002 Brent Council consulted you on proposals for a Controlled Parking Zone (CPZ) for your area (Zone HW). The consultation analysis results were reported to the Council's Highways Committee on 11<sup>th</sup> December 2002, where approval was given to proceed with the CPZ in the streets which indicated support, including Harlesden Gardens.

However, since the introduction of the CPZ (HW), Brent officers and local Councillors have received a number of complaints from residents of Harlesden Gardens in the section between Crownhill Road and St John's Avenue about the way the consultation was carried out and their dissatisfaction with the CPZ generally.

The attached questionnaire seeks your view on what you feel about the controlled parking zone in your street. Please note that if a majority of residents show opposition to the CPZ, the Council would undertake statutory consultation to revoke the existing parking restriction in your street.

In considering your response, you must consider that many streets in the borough in close proximity to a CPZ experienced extreme parking problems caused by parking displacement and that there is a real possibility your section of Harlesden Gardens would be affected in this way if the scheme is removed. In addition other streets such as St John's Avenue are being included in the CPZ shortly.

Please complete and return the attached questionnaire by Wednesday 21<sup>st</sup> July 2004. Should you require any further information or wish to discuss the above further please contact the Traffic Management Team on 0208 937 5132, or by e-mail [transportation@brent.gov.uk](mailto:transportation@brent.gov.uk).

Yours faithfully,

A handwritten signature in cursive script that reads 'Solomon Nere'.
