Residents of KS CPZ

Dear Resident,

Bank Holiday operation of parking controls

You will be aware that the parking controls currently in operation in your area as part of the CPZ do not apply on all bank holidays. This has raised concerns with a number of residents at non-resident parking in the area on bank holidays, particularly with the August Bank Holiday Monday. These residents have requested that the operation of the CPZ be extended so that the parking controls operate on the August Bank Holiday Monday, particularly as the CPZs surrounding your area also operate on the "Carnival Monday".

Before we are able to make this change to your CPZ we need to ensure that there is majority support for this change, and indeed whether you feel that any other bank holiday should be included. We would therefore like to know your views on the following options:

- Introduce parking controls on all bank and public holidays (including Christmas Day, Boxing Day, etc) if they fall between Monday and Friday;
- Introduce controls on the August Bank Holiday either all weekend or the Monday only.
- No change. This means that there will be no parking enforcement on any Bank or Public Holiday.

Please indicate your option on the attached questionnaire and return to us by **21st February 2006** using the Freepost facility.

I look forward to receiving your completed questionnaire although should you require any further information regarding the above, please contact me on 020 8937 5132 / 5124.

Yours faithfully,

Solomon Nere
