Service assessments, use of resources and corporate assessments are scored on the Local Services Inspectorate Forum scale:

- 1 = Inadequate performance – below minimum requirements
- 2 = Adequate performance – only at minimum requirements
- 3 = Performing well – consistently above minimum requirements
- 4 = Performing strongly – well above minimum requirements

Direction of travel

The progress Brent London Borough Council has made in the last year

Direction of travel	2005	2006	2007
This assessment indicates the progress being made, or otherwise, to achieve improvement.	improving well	improving well	improving well

The following summary has been provided to support the 2007 direction of travel assessment:

Brent Council is improving well. The Council has delivered improvements in priority areas, such as educational attainment, street cleanliness, children's services and sport. Housing delivery remains a strength. The rate of improvement of key performance indicators overall is at the national average. Challenges remain in recycling and aspects of adult social care. Plans are in place to address these. The Council works well with partners to deliver wider community outcomes for the locality in areas such as community cohesion, children's services, regeneration, housing and community safety. The local area agreement provides a useful focus for engaging with partners and the diverse communities in the locality. The Council is ambitious, has a clear focus on achieving value for money, and its financial standing is strong. Efficiencies have been delivered across a range of services, including agency staff provision and support provided to homeless families. Effective leadership, governance and prioritisation support the vision for the area. It continues to develop its human resource capacity and customer services. The Council is well placed to continue to deliver real improvements for the community.

Corporate assessment

How Brent London Borough Council is run

Corporate assessment	2007
In assessing how the Council is run, the Commission considers what the Council, together with its partners, is trying to achieve; what the capacity of the Council, including its work with partners, is to deliver what it is trying to achieve; and what has been achieved?	3

Score used is from the 2006 corporate assessment.

The way we carried out corporate assessments changed from 2005 onwards. Until 2008, when all councils will have been assessed using the new-style corporate assessment, the CPA category will be based on either its new corporate assessment score or the previous one if that is higher.
