I am a Police Constable of 12 years experience, all of which I have worked on the London Borough of Brent, I am currently attached to the licensing unit for the Borough, I have been authorised via a delegated authority to represent the Borough Commander of the London Borough of Brent and for the Commissioner of the Metropolitan Police Service to act on Licensing matters.

This statement is in relation to Jet Set night club, 252, High Street Harlesden, NW10 4TD, on the 12th April 2017 I submitted a review to Brent Council, after several incidents of disorder in and outside the venue. Below I will detail evidence gathered from Brent Council CCTV which is situated a short distance from the club and CCTV footage from inside the venue.

The first footage I exhibit is dated the 05/03/2017 from inside Jet Set, and is in relation to CAD Report 1512 dated the 05/03/2017 at 03.57 hours - reports of a fight and shots fired, Crime Reports - 1905465/17 Refers to an Assault and Robbery where a male had his gold chain snatched from his neck and was hit over the head with a bottle - Crime report - 1905777/17 Refers to a Theft.

The footage starts at 03.36 hours and shows a very busy bar area, there appears to be an argument between two males on the stairs and people try and get between them, one of the males is then hit over the head with a bottle which sparks a large fight, numerous fights break out., when Mr. Martin was asked about this incident he stated that a rival gang from South London had been sent down to cause trouble in an attempt to get his club closed down.

I exhibit this footage as MJS/1

Further footage from Brent Council CCTV which is situated across the road from the venue picks up the crowds leaving the club in the early hours of the morning where numerous disturbances can be seen happening before police arrival. I exhibit this footage as MJS/2.

12/03/2017 - camera 10 high street Harlesden JW Furness Road

The footage starts at 01.02, the camera turns around and focuses on the front of Jet Set, there appears to be a number of door Supervisors (SIA) on duty, none of them are wearing clothing that would identify them as being door staff, this is a condition on the licence which reads - *There shall be a minimum of two SIA qualified supervisors wearing high visibility jackets deployed at the front of the premises away from the door on Friday and Saturday nights. They shall remain in position until the crowd has fully dispersed so as to ensure the safe and quiet dispersal from the premises. This condition was added to the licence after a review hearing.*

At 01.05 people can be seen arriving and entering the club, again at 01.11 hours three females enter the club, 01.14 hours another male enters the venue, and again at 01.19 hours three more females arrive and are allowed to enter the club, followed by two males at 01.20, and then another two people at 01.21 followed by another group of people, at 01.26 two more people enter, at 01.31 hour three more people arrive and enter the venue followed by several more groups.

Further footage of the same date timed 02.00 to 02.15 shows people still entering the club.

The next footage from the same night starts at 02.23 to 02.53 hours again shows people being allowed into the club.

Again at 03.06 hours Mr Martins is seen outside the club smoking and makes no attempt to stop people entering the club, footage ends at 03.20 hours.

The next footage starts at 03.31 hours until 03.43 hours and again shows people arriving and going into the club
The next piece of CCTV is timed 03.58 and ends at 04.33 hours shows the club emptying people are seen in the road, large crowds standing around.

The next footage is dated the 18/03/2017 and starts at 01.43 to 01.48 hours this footage is of licensing officers conducting a visit, and shows a large crowd outside trying to enter the club, during the visit a large amount of breaches were found as highlighted in the review, the crowd waiting to enter later walk of down the road and into an alleyway which leads to the rear of the club, it is believed they were gaining entry into the club, however this was not witnessed.

The final footage is dated the 2/4/17 and starts at 03.48 hours large groups seen leaving later in the footage people are seen in the road, people are being dragged away after what appears to be some sort of altercation, and males can be seen urinating up against fencing, traffic is stopped as people are seen standing and running across the road there are then several fights that break out and this continues until police arrive and arrest two males.

I exhibit all the above CCTV footage as MJS/ 3

The venue has a condition on its licence that reads - *No entry or re-entry shall be permitted after 01:00 hours.*
This condition is clearly being breached.

I further submit an email from Acting Inspector Riley and exhibit it as MJS/4, he was on duty on the 29/10/2016 when police were called to a serious assault at a nearby venue to Jet Set where patrons from Jet Set were trying to enter the Shisha Bar, and were becoming aggressive at being refused entry to the bar which was now a crime scene, Mr Martin was asked about this and stated that he was unaware of any incidents involving his customers, CCTV was requested, but Mr Martin was unable to produce the CCTV, he stated that it had been deleted as the system was not working correctly, he was given a final written warning for this breach which I exhibit this as MJS/5.

On the 18/03/2018 I along with PC Whitcomb and PC McDonald conducted a licensing visit at the venue, the venue was open and it was very busy,

The manager Ms. Tatiana Couto was spoken too, she claimed the club was holding a 'private function'. We went down the stairs into the bar area, alcohol was being sold from the bar. Recorded amplified music was being played by a DJ. The sound level was high; we then went through all of the licence conditions in the staff office with Tatiana. There were numerous breaches to the 44 conditions. The following were being breached:

Condition 1 - No I.d Scanner, the scanner has not been used for years as it is broken.

Condition 2 - There should be two door supervisors present after 2200 hours - there was only one on duty.

Condition 3 - The SIA security log had not been completed for the evening. The last time it was completed was 11/03/2017.

Condition 4 - No entry/re-entry after 0100 hours - People were being allowed in after this time at 0115 hours.

Condition 7 - Manager was unable to give police unhindered access to the CCTV via the internet

Condition 9 - No licence summary on display at the entrance.

Condition 11 - No notice regarding admission policy on searching on display at the entrance.

Condition 13 - No notice on display explaining drug policy at the entrance.

Condition 17 - No toilet attendants - The last time there was one was about one year ago apparently.

Condition 22 - No Transport information on display.

Condition 32 - No notices asking customers to leave quietly at the entrance.

Condition 33 - Manager did not know who was the 'dedicated cab firm' for the club.

Conditions breached which were put on by the committee following a review in April 2015:

Condition 40 - SIA officer was not wearing his high visibility jacket.

Condition 41 - No facility provided within the premise for customers to await taxis.

Condition 43 - Licence holder failing to adhere to existing licence conditions.

15 breaches in total were found to be being breached.

The DPS Mr Martin arrived as officers were finishing their licensing visit and he was informed of the breaches identified a meeting was asked for however he stated that he was going to Turkey for two weeks and would be unable to attend any meeting until his return.

There have been two previous reviews on this premises and it appears that very little improvement has been made, the committee at the first review determined that the club should have a Club Scan, and that photographic ID is to be produced by all patrons (driving licence, passport, oyster card) to staff and electronic records to be kept on Club Scan and checked every time a patron attends the premises. This clearly hasn't been happening as during a licensing visit on the 18/03/2017 the manager informed officers that the ID scanner had not worked for years.

Continuation of Statement of

This venue is a nightclub which opens predominately at the weekends, the history of violence and disorder over the years is horrendous, and two previous review hearings have done nothing to improve the running of the premises.

Mr. Martins seems to have little to no concern when asked about these serious incidents and I believe is under the impression that this is what is expected of what happens when running a nightclub, he is dismissive and nearly always blames everyone else for the problems, but he does not want to take responsibility for his lack of management.

This venue is very near to residential premises which have had to endure the constant crime and disorder along with the Anti-Social behavior from the patrons of JET SET night club. When serving Mr Martin with the review he indicated that he had made mistakes and that things had declined, he stated that he was intending turning the club around and changing the music and type of people to an older crowd, unlike what it currently attracts, he said he has seen a change in the people that were attending his club, and there appeared to be a gang type element, Mr Martin said he would keep in regular contact with officers from the licensing unit and inform us of when the changes had been implemented, to date he has not contacted any officer from this unit.

I have considered all possible options that are open to me under the licensing act, asking for a suspension would have little to no affect as this has been implemented previously and even after having this time to improve nothing has changed.

Asking for the DPS to be removed would serve little to no purpose as Mr Martins would in my opinion still be in day to day charge of the venue and again no real prospect of improvement would be made.

Asking for more conditions to be added to the licence would be unmanageable as the licence already has 44 conditions, most of which are not currently being adhered too.

A reduction in hours would not work as this is a night club which sees most of its patrons arriving at around midnight to party until the early hours of the morning.

After all other options have previously been tried and failed I ask that the committee consider revoking the clubs licence, as there is no real prospect that the club is likely to improve its track record and will only continue to have incidents of crime and disorder if allowed to continue operating.

Mike

I do remember this incident.

The assault, crime scene and subsequent enquiries ultimately led to the closure of xxxxxx xxxxxx

The investigation was being hampered by a number of people leaving Jet Set and trying to get into the shisha café after it was closed as a scene. They were drunk, argumentative and confrontational. The officers managing the scene had to physically block the door to stop people trying to enter and eventually pulled the shutters down.

The overall impression I took from the situation was the egress from Jet Set was uncontrolled and unmonitored. Not only were the customers leaving in large rowdy groups but vehicles were blocking the thoroughfare and causing disruption.

What should have been a reasonably straight forward investigation for an assault was complicated by unmanaged jub goers. The staff at Jet Set appeared to take no responsibility for their customers behaviour as they left the venue.

If you need clarification on any of my comments, please ask.

Dear Mr Martins

I recently requested CCTV from **Jet Sete** after an alleged incident in High street Harlesden, involving customers from your club, you then informed me that after checking your CCTV system that you had found a fault where the hard-drive deletes all images on the 31st day of each month and starts again.

I must remind you that you have conditions on your licence that state, CCTV shall be installed and maintained in a working condition, and All CCTV recordings shall be kept for 31 days and shall be made available to police and licensing officers if requested.

I must point out that these breaches amount to an offence under section 136 Licensing Act 2003, namely conducting licensable activities without authority, which carries an unlimited fine and/or up to 6 months imprisonment.

However, I have taken into account that you have informed me that a new hard-drive has been installed and is now recording and saving the CCTV correctly.

Please accept this as a Final warning.

A further condition on your licence reads - Police Officers will be given unhindered access via the internet to view live images from the CCTV at any time when the premises is open to the public.

Can you please supply me with the IP address for the CCTV in the club.

If you have any further queries, please do not hesitate to contact me.

Yours Sincerely,

Licensing Act are inappropriate in this case because:**

(Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned)

There have been two serious incidents over the last two weekends involving the customers from this venue resulting in 8 arrests. .

On the weekend of 19th April 2015 there was an Affray outside the Jetset Club. There was a large disturbance with one male with a base ball bat. Male with bat detained along with 4 others for a mixture of Affray, Off Weap, assault on police & Obstruct police.

On the weekend of 25th April 2015 When the club closed at 4am a large crowd spilled onto the street, a few men were forcibly removed from the premises at around 04:20am and scuffles broke out in the street.

Other procedures have been considered, temporary closures do not adress the long term issues, a standard licence review could take months to reach a conclusion especially if taken to appeal and the evidence is that this premise will continue to contributew to serious issues and disorder in the area if not closed immediately.

The expedited process is necessary to close the premise with immediate effect to prevent further crime and disorder occuring. This is deemed a proportionate measure in view of the issues shown above and to prevent a further threat to public safety.

The below covers the last 12 months -

1911771/14 By unknown person(s) alleged to have taken phone from victims pocket.18/05/2014 0400 - 20/5/14

1914259/14 SUSP damaged door of club using a large stone causing permanent marks to door. 15/06/2014 0259 Suspect correctly refused entry by doorstaff so caused damage, arrested-16/6/14

1914261/14 SUSP punched VIW 3 times after causing criminal damage to club door.15/06/2014 0259 As above - 16/6/14

I am writing to make a complaint about Club Jet Set on the Harrow Road. Aside from the music which can be heard, each Saturday, when the club closes at 4am it seems that the clientèle congregate outside of the club for at least an hour, shouting at each other. The management and door staff seemingly do nothing to move them on (or clear up the vomit that the clubbers kindly leave in the area too).

Three weeks ago the police were called due to the trouble that was being caused – this is not an isolated incident and in the 18 months I have lived in the area, the police have been called regularly.

Aside from the noise pollution and litter that is evident post club nights, within one mile of the venue there have been three stabbings in the last few weeks. The area has more than its fair share of violent crime already and judging by the shouting and arguing that occurs every weekend outside the club, it seems quite possible that more violence will erupt in the near future.

I fully appreciate that people need to have somewhere to go for entertainment, but the management is clearly not responsible enough to handle such a late license in a primarily residential area. Added to this there is no public transport at the time the club closes or a local cab office in the vicinity, so I do wonder the extent to which drink/drug-driving is being encouraged, and drug dealing within very close proximity to the school on Furness/Palermo Road.

I'd be keen to know on what basis a late license has been granted to this club, what checks are made to ensure that it is operating in a professional manner, and what steps will be taken to reduce the extent to which the club is disturbing its residential neighbours. It is simply not fair that my weekends (and I expect those of many other local residents) should be ruined on a regular basis.

Disorder outside JETSET, NW10 (3 arrested) When the club closed at 4am a large crowd spilled onto the street, a few men were forcibly removed from the premises at around 04:20am and scuffles broke out in the street. Police arrived around 10 minutes later and made THREE arrests for AFFRAY/ASSAULT POLICE. QK5 reviewed (and copied) the footage from camera 10 of the borough CCTV between 04:20-05:00. The DP's are all shown committing various public order offences on camera from around 04:40am. It appears one vehicle of men started this incident and they made off in vehicle *****. The footage at 04:34 shows one male in a white top intimating a weapon in his waistband (the footage is not clear enough to see what he actually has). HE eventually gets into the front passenger seat. Another male, the driver, is clearly seen to discard a large knife into the boot of the car (there is no reports of stabbing but the CAD does mention a knife). -27/4/15 NM

Dear Sir/Madam

**LICENSING ACT 2003
NOTICE OF DETERMINATION OF APPLICATION FOR REVIEW OF PREMISES
LICENCE
CLUB JET SETE, 252 HIGH STREET, NW10 4TD**

Modifying Conditions of Licence

Brent Council as the licensing authority, received an application for a review of a premises licence in respect of the CLUB JETSET, 252 High Street, London, NW10 4TD.

A hearing was held on 21 May 2015 to consider the representations and the Council have determined to modify the conditions of the licence in the following respects, namely adding the following:

1. There should be a minimum of two SIA qualified supervisors, wearing high visibility jackets, deployed at the front of the premises, away from the door on Friday and Saturday nights and that they should remain in position until the crowd has fully dispersed so as to ensure the safe and quiet dispersal from the premises.
2. Facilities within the premises shall be made available for customers to await taxis.
3. Regular announcements should be made from 03.00 hours reminding patrons to leave in a quiet and orderly manner from the premises.
4. The Premises Licence Holder shall adhere to all existing conditions on the licence including timings.
5. The Premises Licence Holder to continue to work in partnership with the Police.

The reasons for the decision are:

Accordingly, in all of the circumstances of the case it was felt that the decision of the Sub-Committee was reasonable, necessary and proportionate.

Appeals must be made to Brent Magistrates' Court, 449 High Road, London, NW10 2DZ. Tel: 020 8955 0555.

Application by the Metropolitan Police for the review of a premises licence for 'Club Jet 7 Sete' (248-252 High Street, Harlesden, NW10 4TD) pursuant to the provisions of the Licensing Act 2003 The Alcohol and Entertainment Licensing Sub-Committee (C) having considered the application by the Metropolitan Police to review the premises licence for 'Jet 7 Sete' (248-252 High Street, London NW10 4TD) pursuant to the provisions of the Licensing Act 2003 ("The Act"), the Sub-Committee resolved that the premises licence continue in full force and effect, subject to the following additional conditions and informatives;

Additional conditions

Certificate under Section 53A(1)(b) of the Licensing Act 2003

Form 693A

Metropolitan Police Service
New Scotland Yard

I hereby certify that in my opinion the premises described below are associated with:

both serious crime and serious disorder

Premises (include business name and address and any other relevant identifying details):

Jet 7 Sete
248-252 High Street
Harlesden
W10 4TD

Premises licence number (if known): 231214

Name of premises supervisor (if known): Antonio Martins

I am a Chief Superintendent¹ in the Metropolitan Police Service.

¹ Insert rank of officer giving the certificate, which must be superintendent or above.

I am giving this certificate because I am on the opinion that other procedures under the Licensing Act are inappropriate in this case because²:

The premises has a record of serious crime and disorder culminating recently in two large fights and an allegation of rape. The police and council licensing officers have worked extensively with the club management over the years to address these issues, this has shown some short term success but long term they still continue. The club has required extensive police resources on weekends to deal both with the disorder and incidents outside.

Other procedures have been considered, temporary closures do not address the long term issues, a standard licence review could take months to reach a conclusion especially if taken to appeal and the evidence is that this premises will continue to contribute to serious assaults and disorder in the area if not closed immediately.

The expedited process is necessary to close the premises with immediate effect to prevent further crime and disorder occurring. This is deemed an appropriate and proportionate measure in view of the issues mentioned above.

² Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned.

M. J. Paul Chief Superintendent

Police in relation to incidents at and outside the premises from patrons. Police have attempted to work with the

PRIMARY INVESTIGATION DETAILS : 1 Immediate action
Scene not visited by police reported by Crib
001 check = no trace

Victim states, that he had a lot to drink. He states, that he had his wallet in his jeans pocket.

Victim was very vague about events. He states, that when he left the club, he was jumped by some males who were in a vehicle and had his phone stolen. These details were not shown on CHS. I have sent CHS back for victim to be seen and a robbery report be taken for the theft of his phone.

Victim assumed at first that his wallet had been taken at the same time. Having spoken to his aunt, who is a bouncer at the club, he knows that his wallet was taken prior to this incident. She has informed him, that he told her, that he did not have his wallet, just before he left the club.

Victim has been advised by his bank, that his card was attempted to be used at Argos to the value of £200. It was used at JD sports for £90.00. No other details known.

Victim does not know how his wallet was stolen or even if he lost it originally. I have not taken any clothing details of victim for CCTV, as he is very vague about what happened.

I have explained to victim that police report the theft of his card and the bank will investigate the unauthorised transaction.

CCTV.

Closure advised unless the following is established -
There is a camera pointing in the direction of the offence No
Time of offence is specific or within a realistic time frame having due regard to the nature and circumstances of the offence No

PRIMARY INVESTIGATION DETAILS : 1 Immediate action

1 - CAD 1788 of 29/11/15; PS 1032CW & PC 1741CW

2 - Circumstances are that on SATURDAY 28/11/15 at approximately 0315 hours, all three VIW's (cousins) were present within venue, near to the entrance of the venue - the part after the ticket stalls where the bouncers stand. VIW2 was in the toilet and VIW's 1 and 3 were waiting for her. VIW1 states that, at this time (thought to be between 0315 and 0345) she was dancing on her own whilst waiting for VIW2 to come back from the toilet when she was barged by a blonde woman (approx 37 years old; nfd) and when she asked the woman not to barge her, the woman's boyfriend (SUS1) apparently stepped in and threw a champagne bottle at VIW1, causing said reddening to her face and nose. VIW1 states that the male then said to her "I WILL PUT A BULLET IN YOUR HEAD" however no firearm was actually seen. It is thought that VIW2 did not see the incident but saw SUS1 present, and VIW3 similar. It is not known if there is CCTV coverage of the incident; VIWs could not be any more specific with the timings.

3 - VIW was taken to A&E to seek treatment for her sore face

29/11/2015 06:26

PS 217144 58QK

I have reviewed this report and am satisfied that the initial investigation has been completed to a suitable standard - just! There is little detail to assist with possible CCTV enquiries and no mention made of any forensics considered.

1741 - apologies - should have explained better - VIW1 had consumed alcohol and all that she was able to tell me I recorded herein; don't have any personal knowledge of the venue due to it being a QK premises and, not having the ability to visit myself at the time, knowing the investigation would be passed on. I

30/11/2015 00:50

PC 236649

have described as best I could the area which the offence is said to have taken place - I asked VIW1 numerous times and she was unable to describe any better than what I have recorded; stated that there is only one area with ticket stalls so it should be identifiable by this alone. It is not known how many cameras there are. VIW1 ended up in CW's ground after having been driven round for approximately one hour by her cousin after having left the venue - the incident was not reported in the club, so it was believed the bottle had been discarded, it was not retained or seized. I was unable to get a better description of SUS1 and it is not known if he was part of a group and, if so, how many were in said group

PRIMARY INVESTIGATION DETAILS : 1 Immediate action
19 Point Robbery Plan

1. Obtain/Record account from victim. Include their movements up to an hour before the incident. - VIW1 states that he had been on a night out with his Brother and two friends from University, he was inside the venue for a few hours. At approximately 0430Hrs he saw security staff arguing with his Brother and trying to make him leave, he went over to see what was happening and tried to assist his Brother and see if he could persuade the security staff to allow them to stay as he was not ready to head home.

He has stated that he removed £40.00 from his wallet to give to one of the security staff as a way of persuading him to let them stay, when he did the staff could see he had a large amount of cash inside his wallet.

The security staff then assisted VIW1 and his friends to leave the club, taking them out of the front doors to High Street Harlesden. They walked VIW1 and his friends to a nearby bus stop.

VIW1 then states that SUS1 punched him causing swelling under his left eye and then held onto him while SUS2 head butted him causing a cut to the inside of his upper lip. He then fell to the floor and the security staff walked away. He saw his wallet was now on the floor next to him and when he retrieved it there was £800.00 cash missing from inside, he still had the £40.00 he had taken out earlier as this was inside his pocket. He also states that Police did attend the location and drove him to a different bus stop and told him to go home. He did not make any allegations to the Officers at that time.

2. Obtain/Record evidence from witnesses in and around the

ADS 227583 639QK

I am APS 639QK one of the ND section sergeants 2200-0700. I have reviewed this report and I am happy that the officer has conducted a satisfactory initial investigation.

The officers made the best attempts they could to collect the evidence for this case. The fact that registered door staff have refused to assist police will be documented and past to the licensing team to deal with as this is possibly in breach of their operating licence.

There have been ongoing issues with the CCTV operatives refusing to burn off copies of CCTV on night duties. This particular operator stated there was an "issue" with the system and he could not burn a copy off. Again this will be passed to the relevant body to address.

02/05/2016 06:49

PC 232976

CCTV has been emailed to request the footage for this incident.

They were unable to burn it off when requested as there were issues with their IT systems.

SUSP1 was interviewed by PC322QK. Also present was his solicitor xxxxxx xxxxx.

He was asked to give his account of events and he stated that he had been to Jet Set club in Harlesden, which he had not been to for a while. He had been drinking and had a good time, and when he left there was an argument with a female, and she was being surrounded by a group of males. He went to calm things down but couldn't so walked away.

He then stated that eventually people started to move away and he did not want to go with his friends in the White VW GOLF, and started to walk towards home. He has walked past the Corsa and has broken the wing mirror, and stated he did this deliberately as he was angry, but that he knew the female that owned the car, and had told her and had arranged to pay her to repair the mirror.

He has then carried on his way and two unknown males have come running over to him and started trying to fight him.

03/07/2016 21:23

PC 231884 322QK

He stated he put his hands up in a defensive stance and the males have then punched him and kicked him to the floor. He claims to be the victim and the police have arrived and detained all three, he ends up being arrested and the others let go.

I have viewed the CCTV and this confirms his account. He is clearly seen causing the damage to the car, and is set upon by the two males. He is seen to be punched first and then they all move off camera. Armed units then arrive and susp1 is arrested.

The affray matter was NFA'd on authority of xxxxxxxx , and a charge for criminal damage to M/V was given at 1951 hours. SUSP1 was bailed to court on 18th July.

Criminal Damage CRIS is 1916669/16.

TP CMS. There is no evidence at this time to suggest that the suspect was the same for the robbery and assault. This report has been confirmed as the robbery for the snatch of the chains. A separate report will need to be created for the GBH as it can not be confirmed at present from the dets that the suspect was the same for both incidents.

****CID REVIEW****

Only an e-mail address left for the victim who has apparently left the country. It is not clear how long for however the dets would suggest indefinitely. The chains have been yanked from the victim during a large disorder at the venue. There is little to no chance of identifying the suspects taking the chain. The victim did not see the suspects. He has not provided a statement and his current whereabouts are unknown. I have e-mailed the victim on the e-mail address given asking him whether he is returning to the UK and whether he would wish to pursue a criminal allegation.

This report complete at this time. This may be reviewed if further information comes to light.

Statement of Michael SULLIVAN URN:

This statement (consisting of: **2**..... pages each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated anything in it which I know to be false, or do not believe to be true.

I am a Police Constable of 12 years experience, all of which I have worked on the London Borough of Brent, I am currently attached to the licensing unit for the Borough, I have been authorised via a delegated authority to represent the Borough Commander of the London Borough of Brent and for the Commissioner of the Metropolitan Police Service to act on Licensing matters.

This is a further statement in relation to Jet Set night club, 252, High Street Harlesden, NW10 4TD, On page 4 of my review dated the 12/04/2017 I refer to CAD 2020 dated the 29/10/2016. I have stated that police called to the venue to deal with drunk and aggressive revellers, I have now received an email from Acting Inspector Riley (MJS/4) who was on duty on this night and attended the location, the actual venue of the incident was further down the road, however the patrons from Jet Set were cause problems and threatening officer and trying to enter a venue that was now a crime scene. I also include in my supplementary bundle three further CADS linked to the one referred to in my review, CAD 2020. These are 1480, 1847, and 5656, all dated the 29/10/2016.

Also in my review on page three in reference to Crime 1928448/15

I make reference to door staff assaulting and robbing the victim, I would like to amend this comment to read that it is only **alleged** that door staff assaulted and robbed the victim, as no door staff have been arrested or charged with either of these offences.

Looking at the history of crimes that occur at in and around the venue it is apparent that most happen in the early hours of the morning when police and other emergency services are already limited and stretched, the crime reports mentioned in my review are all in the very early hours of the morning mainly between 03.00 and 04.00 hours which is when then club is preparing to close.

It is also clear that most of the crimes are resulted in no further action due to the victims not wanting to substantiate the allegation, there also appears to be lot of drunkenness involved around these crimes.

In crime report 1928093/15 it has been recorded that the victim had a lot to drink.

Crime report 1928382/15 mentions that the suspect had a Champagne bottle and threw it at the victim, it also goes on to say the victim consumed alcohol, this appears to have affected how much detail she was able to give to the police about the incident.

Crime report 1928448/15 police office states that the victim was very drunk and was the main aggressor in one of the fights; the victim also mentions that he bought a bottle of whiskey and was drinking it with his two friends and his brother, he also states that he was assaulted and robbed the the security staff.

In crime report 1910534/16 the reporting officer states that the SIA (Doormen) refused to give statements assiting police with the investigation, during the interview one of the suspects stated that he had been hit with a bottle, he goes on to say that he was under the influence of alcohol, and did not know why he picked up the weapon, he is then asked what his reason for having it was, to which he replies 'Ma'am I don't know as I was drunk' the victim also makes reference to being assaulted by door staff.

Continuation of Statement of

Crime report 1905465/17 the victim states that he was hit with a glass bottle, and robbed of his gold chains.

It appears to me that there is a problem with drunkenness at the venue which affects peoples judgment, and leads to disorder, victims are then unable to give a proper account of what has happened, the lack of management at the venue is clear and they seem to have no dispersal policy in place, there are also concerns around the door supervisors, there are allegations of them assaulting patrons, and of not providing the police with evidence to support an offence, it is apparent that the club has not improved from the first two reviews, and have done little to implement the conditions on the licence, or uphold the licensing objectives.
