Item	Page
10 APPENDIX: Disposal of land adjoining 19 Elms Gardens, Elms Court, Sudbury and establishment of a replacement allotment site at Gladstone Park Gardens, Dollis Hill	1 - 2

The subject land comprises a disused former allotment that has been neglected for a number of years. This report sets out proposals to bring the site back into use by splitting the site into two, recommending Executive approval to disposal proposals, comprising on one part a short-term lease arrangement in stages for allotment related use and on the other a longer-term freehold disposal for redevelopment. As proposals comprise a loss of allotment land, the paper asks the Executive to note previously approved replacement site proposals at Gladstone Park including provisions for forward funding of works the cost of which will be recovered from the capital receipt generated.
