PC Nicola McDonald (Brent Police)

Applicant

Caroline Sorrento (Applicant)

Alan Howarth (Health Safety and Licensing Manager) introduced the matter and drew Members' attention to the applicant's requests for the variation of the premises licence as set out in the report. He confirmed that the Public Safety Officer had withdrawn their representations having agreed terms with the applicant.

Responsible Authority Making a Representation

PC Nicola McDonald (Brent Police) advised the Committee that conditions had been agreed with the police regarding door supervisors, CCTV, bottles and glasses, proof of age, drinks promotions, drugs and weapons, entry and re-entry and other general conditions as set out in the police's written representation. She felt that the number of customers using the rear garden should also be limited.

Case for the Applicant

Caroline Sorrento (Applicant) confirmed that she had agreed to the conditions as mentioned by the police above and that the application had been amended to permit sale of alcohol until 03.00 the following day Friday and Saturday and licensable activities as set out in boxes B, E, F, G, H, I, J, K and L of the operating schedule and opening hours to cease at 03.30 the following day Friday and Saturday.

In reply to a query from the Chair, Caroline Sorrento stated that a flat was situated on the top floor above the rear garden of the premises and that it was also intended to use the rear garden for cooking.

- (c) that the door leading onto the rear garden be closed at all times to prevent noise break out.

The Alcohol and Entertainment Licensing Sub-Committee (A) noted the conditions that the applicant had agreed with the police regarding door supervisors, CCTV, bottles and glasses, proof of age, drinks promotions, drugs and weapons, entry and re-entry and other general conditions as set out in the police's written representation and changes to the application concerning the hours of licensable activities and opening hours.

The Sub-Committee also felt it necessary to add conditions relating to the rear garden to prevent public nuisance and excessive noise in view of the premises' proximity to residential properties. In view of the fact that the Police were not

opposing the grant of the licence provided that the above hours and conditions were imposed, the Sub-Committee felt that it was appropriate to grant the licence since the reduction of hours originally sought and the above conditions would address the issues raised in the Police's representation.
