At the committee's meeting in July 2010, the results of the public consultation on the hospital trust's plans were outlined, showing that there was broad support for the proposal. Members were keen to ensure that the implementation of the new services (two paediatric assessment units, one at each hospital, with inpatient services at Northwick Park) was successful and requested a report back for April 2011. NWL Hospitals Trust have provided a report on its paediatric services.	
Members will be updated by officers from North West London NHS Hospitals Trust on the implementation of the new arrangements for paediatric services at Northwick Park and Central Middlesex Hospitals.
