		<p>The Alcohol and Entertainment Licensing Sub-Committee (A) accepted the evidence presented by the Police and Safer Streets that there had been incidents of public nuisance and crime and disorder, some of which were of a serious nature, whilst there had also been breaches of the existing conditions on the licence. However, it was acknowledged that the licensee had taken some preventative steps to try and address these concerns but not far enough so as to achieve the promotion of the licensing objectives (Public Nuisance, Crime and Disorder, Prevention of Children from Harm). In the circumstances the sub-committee felt that by adding the conditions highlighted above, these would help the licensee meet the licensing objectives and it was also noted that the licensee had indicated a willingness to accept conditions with regard to door supervisors, a noise limiter and a reduction in the hours of licensable activities. The sub-committee felt that in view of the seriousness of the recorded incidents involving the premises and the past breaching of conditions, the premises should be reviewed by the police and the Council's licensing officers over a three month period to assess whether the licensing objectives were being fully met.</p>

Agenda Item No	Topic	Decision
		<p>The Alcohol and Entertainment Licensing Sub-Committee (A) accepted the evidence from the police that the licensee had frequently breached the voluntary code of conduct agreed with all licensed premises within a one mile radius of Wembley Stadium on Wembley event days. It therefore agreed that the code of conduct be added as conditions to the premises licence in order that the licensee can uphold the licensing objectives. In addition, it felt that conditions relating to CCTV, high strength beers, lagers and ciders and a time delay safe would similarly enable the licensee to uphold the licensing objectives, as well as making the premises a safer environment for both customers and staff.</p>
