MEETING

WELSH HARP JOINT CONSULTATIVE COMMITTEE

DATE AND TIME

THURSDAY 14TH MARCH, 2013

AT 7.00 PM

VENUE

HENDON TOWN HALL, THE BURROUGHS, NW4 4BG

TO: MEMBERS OF WELSH HARP JOINT CONSULTATIVE COMMITTEE (Quorum 3)

Chairman: Councillor John Hart BA (Hons) MA (Chairman), Vice Chairman: Councillor Alison Hopkins (Vice-Chairman)

Councillors

Julie Johnson Sury Khatri Hugh Rayner
Dhiraj Kataria Roxanne Mashari Harbhajan Singh

You are requested to attend the above meeting for which an agenda is attached.

Aysen Giritli - Head of Governance

Governance Services contact: Paul Frost 020 8359 2205 paul.frost@barnet.gov.uk

Media Relations contact: Sue Cocker 020 8359 7039

CORPORATE GOVERNANCE DIRECTORATE

ORDER OF BUSINESS

Item No	Title of Report	Pages
1.	Minutes	
2.	Absence of Members	
3.	Disclosable Pecuniary interests and Non Pecuniary interests	
4.	Presentation by Barratt Metropolitan LLP - New Regeneration Application, West Hendon	
5.	London Borough of Brent - Welsh Harp Management Plan	1 - 10
6.	Any Other Business	
7.	Any Other Items that the Chairman Decides are Urgent	

FACILITIES FOR PEOPLE WITH DISABILITIES

Hendon Town Hall has access for wheelchair users including lifts and toilets. If you wish to let us know in advance that you will be attending the meeting, please telephone Paul Frost 020 8359 2205 paul.frost@barnet.gov.uk. People with hearing difficulties who have a text phone, may telephone our minicom number on 020 8203 8942. All of our Committee Rooms also have induction loops.

FIRE/EMERGENCY EVACUATION PROCEDURE

If the fire alarm sounds continuously, or if you are instructed to do so, you must leave the building by the nearest available exit. You will be directed to the nearest exit by Committee staff or by uniformed custodians. It is vital you follow their instructions.

You should proceed calmly; do not run and do not use the lifts.

Do not stop to collect personal belongings

Once you are outside, please do not wait immediately next to the building, but move some distance away and await further instructions.

Do not re-enter the building until told to do so.

Welsh Harp Joint Consultative Committee

14 March 2013

Report from the Director of Environment and Neighbourhood Services

For Information

Wards Affected:

ALL

Welsh Harp Management Plan

Forward Plan Ref:

1.0 Summary

1.1 This report presents progress on the Brent Reservoir / Welsh Harp Management Plan. The Management Plan is jointly managed by the three main land-holding organisations: Brent Council, the London Borough of Barnet, and the Canal & River Trust (formerly British Waterways).

2.0 Recommendations

2.1 Members are asked to note the Report.

3.0 Detail

Welsh Harp / Brent Reservoir Management Plan

3.1. A copy of the Welsh Harp / Brent Reservoir Management Plan is available on the Brent Council website at http://www.brent.gov.uk/pks.nsf/pages/LBB-67

Management works

3.2 The Welsh Harp / Brent Reservoir Management Plan includes an Action Plan for the current year, which for this report, is detached from

Meeting: Welsh Harp Joint Consultative Committee

Date: 14 March 2013

Date: 01.03.2013

Version no. 1.3

1

Page 5

the Management Plan and updated here as Appendix 1. The 'Progress' column summarises current progress.

3.3 Work has been undertaken to reduce, by coppicing, the growth of willow trees on the shores of the main arm of the Reservoir, at the Welsh Harp Open Space and at Neasden Recreation Ground. This winter, work has been undertaken on both sides of the Reservoir to catch up with the programme of work. This work serves several purposes: conserving the marshland habitat and flora; benefits sailing and water sports by reducing the wind shadow on the reservoir; and maintains the open views across the reservoir and open spaces.

3.4 Planning Application for Multi-Use Games Area

The planning application for the construction of the Multi Use Games Area (MUGA) was approved on 19 November 2012. Officers from Sports and Parks Service have appointed a consultant to finalise designs and specification of the MUGA. Invitations to quote were sent to contractors affiliated to the Sport And Play Construction Association (SAPCA – the industry body for the construction of sports facilities). ETC Sports Surfaces Ltd were the successful contractor. Works are expected to start on 12th March 2013 and take six weeks.

Sports and Parks Service will also plant approximately six metres of hedgerow (Hawthorn and *Rosa rugosa*) along the existing hedgerow near the site of the MUGA in the autumn. This is to compensate for the loss of some of the hedgerow (approximately two metres) removed to allow for a footpath to run from the MUGA to the existing recreation ground footpath alongside the A406 road.

Planning details are at:

https://forms.brent.gov.uk/servlet/ep.ext?extId=101150&reference=109 324&st=PL

Events / Other

- 3.5 Brent Council Sports and Parks Service organises weekly leader-led Healthy Walks. Those interested in taking part meet at the Welsh Harp Open Space car park, Birchen Grove, every Thursday (except on Bank / Public Holidays) from 10am-11am. The walks are 'low to moderate' in pace. For details contact Brent Council Sports Service, tel: 020 8937 3707, www.Brent.gov.uk/sports
- 3.6 Capital Ring: The Capital Ring is a round-London recreational walking route of about 70 miles and a section passes through the Welsh Harp. The walk can be walked in sections and stocks of the leaflets are available from Barnet, and Brent Councils. Information is also available at http://www.walklondon.org.uk/route.asp

Meeting: Welsh Harp Joint Consultative

Committee Date: 01.03.2013

Date: 14 March 2013

Page 6

Version no. 1.3

4.0 Financial Implications

- 4.1 None specific, but some of the priorities identified in the Management Plan will require additional resources and decisions by, as appropriate, Brent Council, Barnet Council or the Canal & River Trust, if they are to be implemented in the future.
- 4.2 For Brent Council Sports and Parks Service, the Welsh Harp Management Plan is implemented and improvements programmed via the Council's Corporate Strategy and service strategies. Thus implementation is dependent upon revenue budgets for grounds maintenance and for parks management and capital budgets for specific project work. The Sports and Parks Service pursues other sources of finance and opportunities for partnership working that may become available.

5.0 Legal Implications

- 5.1 Under the Wildlife and Countryside Act 1981 as amended by the Countryside and Rights of Way (CROW) Act 2000 and the Natural Environment and Rural Communities (NERC) Act 2006, land owners or occupiers are required to give notice to and consult with Natural England where they wish to carry out, or cause or permit to be carried out any operation in an area of land that is of special interest by reason of any of its flora, fauna, or geological or physiographical features (this requirement applies to operations within a SSSI, and to operations outside the SSSI that may affect the features of interest); and Natural England will issue consent, issue consent with conditions or refuse consent. Failing to follow this process is a criminal offence which may result in a fine and a restoration order. CROW (and section 28G of the Wildlife and Countryside Act 1981) places a duty on all public bodies to take reasonable steps, consistent with the proper exercise of the authority's functions, to further the conservation and enhancement of the site.
- 5.2 It is good practice for land owners or occupiers to produce Management Plans for the SSSI, which when approved by Natural England, enable the carrying out of the works specified in the Management Plan. This can reduce the administrative work inherent in obtaining consent for individual items of management work.
- 5.3 The Natural Environment and Rural Communities Act 2006 requires that all public authorities in England and Wales have a general duty to have regard to the conservation of biodiversity so far as is consistent with the proper exercise of their functions.

6.0 Diversity Implications

Meeting: Welsh Harp Joint Consultative

Committee

Date: 14 March 2013

Page 7

Version no. 1.3

Date: 01.03.2013

6.1 The proposals in this report have been subject to screening and officers believe that there are no diversity implications.

7.0 Staffing/Accommodation Implications

7.1 None specific.

8.0 Environmental Implications

8.1 The Welsh Harp Management Plan co-ordinates environmental works in the Reservoir area.

APPENDIX 1. WELSH HARP / BRENT RESERVOIR MANAGEMENT PLAN: ACTION PLAN FOR 2012-2013

The Management Plan outlines the management considered necessary to sustain the Welsh Harp for wildlife, recreation, landscape, flood-control, economic and other benefits of the reservoir. These are achievable over varying time-frames, though many are not affordable in the short term. This Action Plan tracks progress of current year priorities and projects.

Action	Lead	Budget	Approximat	Progress to
Dam wall and reservoir: statutory	Canal & River Trust (C&RT)	Budget provided by the C&RT	e timetable Maintain. On-Going	Dam wall maintained.
responsibility to maintain dam wall, associated structures and the dam				
Maintain open water for water sports	Welsh Harp Sailing Association (WHSA)	Undertaken by volunteers of the (WHSA)	On-Going	WHSA cleared weed; summer 2012
Sailing and sports development	WHSA	Undertaken by volunteers of WHSA.	On-Going	Continuing
Clean up projects: and pulling Himalayan Balsam	Thames 21 Environment Agency	Provided by Thames 21. Work on site by volunteers.	Projects: Two projects in 2012.	Projects undertaken.
River trash traps: at inflows of Dollis Brook, and Silk Stream	Environment Agency	Budget provided by the Environment Agency	Maintain, On-going. Rubbish at the trash screen is cleared several times a year. Material disposed off-site.	Upstream of the Priestly Way screen an oversized willow has been removed which had partially fallen into the river.
Sailing Infrastructure: club houses, boats, and	Sailing Clubs	Maintained by the C&RT and by the sailing clubs.	On-going	On-going.
