London Borough of Brent – Decisions taken by the Alcohol and Entertainment Licensing Sub-Committee (B) on Friday 17 August 2012

Agenda Item No	Topic	Decision
		<p>The Alcohol and Entertainment Licensing Sub-Committee (B) acknowledged that there were other licenced premises in the area that would be licensed to play live or recorded music at later times provided by the condition. However, it accepted the evidence from the council's Nuisance Team that each temporary event notice application was considered on its own merits, the history of the premises in question and the fact that its location was unsuitable for the playing of such music at later times and accordingly the condition was added to the notice.</p>
