20th April 2013

Dear Sir/Madam

**Police representation to the application to vary the Premises
Licence at Coral Racing 576-582 High Rd, Wembley, HA0 2AA**

I certify that I have considered the application shown above and I wish to make representations that the likely effect of the grant of the application is detrimental to the Gambling Act 2005 licensing objectives for the reasons indicated below.

Officer: Nicola McDonald

Licensing Constable PC157QK

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Gambling Act 2005.

The application has been made to vary the premises licence in accordance with schedule 2 regulation 7 of the Gambling Act 2005.

This application is to vary the trading hours to 0700 - 0000 hours daily.

The Police representations are concerned with all three gambling objectives.

Since the introduction of the Gambling Act on 1st September 2007 there has been a dramatic rise in the number of betting shops coming to police notice. It

is true that the betting shops in the vicinity of Wembley Central give cause for concern to police in relation to crime and anti social behaviour. It is an obvious assumption that as the other betting premises close at 10pm that custom will move to Coral being the betting premises remaining open.

I wrote to Kevin Williams at Coral on 16th April 2013 and as yet have not received any communication.

The notice of application that is submitted to Police under section 160 of the Gambling Act 2005 requires very little detail.

In order to decide whether the proposed application would uphold the Gambling Objectives could you please indicate the reasons why Coral Racing intend to extend the shop operating hours from 0700 - 0000 hours daily?

Would you supply statistics to indicate the primary gambling activity at this shop for the last year and the predicted primary gambling activity if you were to open until midnight?

May I have evidence of how the operating procedures at this shop will differ to incorporate issues around the night time economy, alcohol consumption and associated problems, in order to uphold the Gambling objectives?

Finally there are no plans of the venue supplied with the application, could these be supplied.

I reserve the right to produce any further evidence which may amplify the grounds for representations

Yours sincerely

Nicola McDonald PC 157QK

VIW1 was in the **betting shop** and had just won £100 when he decided he wanted to leave. As he went onto THE HIGH ROAD an unknown SUSP approached him and asked him to come and walk with him for a bit. VIW1 made a few steps with SUSP and then SUSP asked him to empty his pockets. VIW1 said that the SUSP was standing in front of him when he said that and that he tried to push him away but that's when SUSP punched him in the face.

VIW1 said that he ran straight back into the **betting shop** and called Police. He said that SUSP made off in the direction of the Station.

VIW1 was asked where he was punched but said that he can not remember exactly where but probably on the right hand side of his neck. I could also smell alcohol in his breath and I asked him how much he had to drink and he said that he had about three beers. I looked at VIW1's neck but could not see any redness or any marks.

LAS was offered but he refused to be seen.

2) VIW1 had transfered money electronically to the bank account, via her mobile app. She transfered £110.00
VIW1 then went to the cash point to withdraw this and continue to play in the **betting shop**.
She had lost £80.00 of this and called police. Police attended the location and VIW1 stated that she had not left and the only place the money would be was within the **shop** or someone had stolen it.
She could not be sure so via the CCTV, within the **shop**, it can be seen that VIW1 drops the money by a machine and a female pointed it out to her. VIW1 picked up some money and not realised it was only part and not the whole amount.
VIW carried on playing and once she realised the money had gone called police.
The CCTV shows that she dropped the money and picked it up.
Between 02:00 hours and 02:12 hours on CAMERA 5, it is clear that SUSP, only known as X , picks the money up and leaves the location.

2. - VIW 2 works at Ladbrokes (VIW 1). At approx 1925, SUSP 1 has been playing on one of the machines. SUSP 1 has been losing money and punched the machine in anger. SUSP 1 has then walked out of Ladbrokes to have a cigarette. While he has been outside, VIW 2 has pressed a button from behind the counter that automatically locked the front door. A few minutes later, SUSP 1 has tried getting back into the **shop** but found it was locked. VIW 2 informed SUSP 1 that he was 'barred' from the **shop** due to his behaviour a few minutes earlier. SUSP 1 has then started pulling violently at the door, and in the process the glass panel in the door has cracked causing extensive damage to the door. SUSP 1 has then ran off. Police arrived and conducted an area search which was no trace. VIW 2 informed police that SUSP 1 was in the company of approx 6-7 other males at the time, however SUSP 1 was the only one that caused the damage. VIW 2 explained that there would be CCTV footage of the whole incident however it takes approx 7-8 days for the CCTV to be downloaded and a copy produced for police. VIW 2 stated he would recognise SUSP 1 again as he comes in to the **shop** on a regular basis. VIW 2 has been advised to phone police as soon as he sees SUSP 1 again.

VIW states he did not call police at the time of the incident as it all happened very quickly and he just wanted to go home. He has decided to come to WEMBLEY Police Station today to report as he feels he should not be having to look over his shoulder if he wants to return to the VENUE in the future.

2. VIW states yesterday, TUESDAY 10TH JULY 2012 at approximately 2100 hours he went in to the WILLIAM HILL BOOKMAKERS on EALING ROAD WEMBLEY, by CHICKEN COTTAGE. VIW states he saw his friend in the **shop** and he was hungry but had no money so he went and asked if he could have some money. The friend gave him some of his winnings - about £3 and VIW went to leave the **shop**, but as he was by the doorway he heard a male voice of SUSP1 say "you better leave before i do something". VIW did not know what SUSP1 meant, as he did not know him and there had not been any trouble whilst he was in the VENUE. SUSP1 suddenly threw something at VIW, believed to be some money. SUSP1 then began to jump about on the spot and said again that VIW needed to leave. VIW was about to leave and states SUSP1 was stood on his right side, and suddenly using his right fist, punched VIW once in the right side of his face by his cheekbone. One of the other SUSPS, unknown which one, has then punched VIW in the left side of the face. In total VIW was punched twice - once in each side. VIW immediately left the VENUE and began to walk up EALING ROAD towards **HIGH ROAD, WEMBLEY**, and the SUSPs then ran past him.

The victim stated that his friends laughed at their friend being asked to leave and the suspect did not take well to this. As a result, he shouted something like 'don't talk to me liike that'.

The victim was able to get into the staff area and locked the door. Other people with the suspect took the stool from him whilst the victim called the police.

CRIMINT PLUS - INFORMATION REPORT

Crimint URN QKRT00400225

p007263 Gail STANTON (QK)

On Tuesday 17/05/2011, Ms XX , the assistant manager of X Bookmakers, **HIGH ROAD, WEMBLEY**, provided an impact statement re ASB of a group of 5 - 15 youths within and around the **shop** since February 2011 when she arrived at the premises.

She described behaviour of youths of black, Afghani, Iraqi, Iranian and Somali description including throwing pens in the **shop** at the ceiling and each other, inking out the lens on the entry door security camera, passing what are believed to be drugs to each other and selling them directly outside in the street, setting off the fire door alarm at the rear of the premises by trying to force entry and exit, threatening the last 2 assistant managers forcing them to leave their employment, hiding between the window and the false wall at the front of the store, intimidating genuine customers using the machines in the bookies by crowding around them, telling them what number to **bet** on the roulette and then expecting a cut of the winnings if the customer receives any winnings. This has led to one act of violence against a male customer who remonstrated with them and went outside to complain and was assaulted outside.

The asst manager deals with them robustly by removing them from the **shop** when they are causing any kind of ASB and can usually manage this without calling police. She states that there has been a dramatic improvement during the last 4 weeks with some youths not coming into the **shop** and those that do behaving much better. She believes that is due to her robust approach and frequent visits by SNT.

It may also be due to the removal of X and X who have been remanded and are known to be pivotal to the group of youths causing ASB.

She stated the youth who causes the **shop** most problems is X , who she stated seemed to be a part of every group who went to the **shop** and is banned from the premises as he threatened a previous employee thus his ban is company wide and permanent. He sometime enters the **shop** and it causes her difficulties trying to remove him. She is willing to provide further statements if required to assist in obtaining an ASB against him. He is XX who is permanently in the HIGH ROAD during the evenings.

The youths tend to be around the **shop** between 1700 - 2200 daily. She states they often have what she believes is cannabis. She has requested one to leave with a lit spliff of cannabis and states that others smoke cannabis behind the back of the **shop** fronts.

This allegation is recorded by the TIB unit at Wembley after a call back to the informant re CHS Demand Number 20110418013800.

Cris checked - Not previously reported.

Apparently, a few days prior to this incident, the unknown male suspect had been causing staff in the **shop** problems with his behaviour. As a result, he was banned by them from entering the premises.

On the 18th April at about 21.25hrs, the male was seen walking past the premises on foot, by staff. When he was outside the main front door, he stopped and was seen to take a kick at the bottom panel of glass.

This action caused the panel to smash.

The suspect walked away, and made good his escape.

Subject: CORAL - 576 - 582 HIGH ROAD, WEMBLEY - APPLICATION FOR VARIATION OF PREMISES LICENCE - GAMBLING ACT 2005 [BD-4A.FID25646469]

Dear Mr Macgregor

In relation to Condition 5, I have spoken to the Licensing Authority and they do not appear to have plans for the premises. Could your client provide plans of the premises including the current window display layout and the condition wording to refer to that reference of that plan.

It is disappointing to read that your client will not agree condition 15. What Police request is reasonable considering the increase in operating hours when the late night economy must be a major consideration in the operation of the premises. The Safe Bet Alliance is a collaborative initiative whose members include Association of British Bookmakers and recommends a risk assessment for lone workers and evidence to show lone working at a particular time of day is safe. Police have not been furnished with a risk assessment with this application.

Please see the attached document that contains crimes recorded by Police (CRIS) intelligence information (Crimint), phone calls made to Police 999 system (CAD) and Custody records (arrests) to Betting Shops in High Road Wembley only, from 1800 hours daily for the previous two years. *(This is the period of time since applications were granted for trading outside the 'ordinary' daily hours)*

Dear PC McDonald

Thank you for your email.

On the points that you raise;

- **Proposed condition 5**

Can you please suggest a revised wording to this condition and I will take this up with my clients.

- **Proposed condition 15**

My clients are not prepared to agree to this condition.

Whether or not other operators have acceded to this condition is a matter for them.

So that we are clear on your position can you please confirm that save for the above, you are content to agree the schedule of conditions in line with our comments below, where we have indicated that conditions are either agreed, not agreed or to be amended in line with our suggested wording?

I look forward to hearing from you, and to receiving the requested information as requested should you intend to pursue your representation, by noon on the **26th July**.

Yours sincerely,

Dear Mr Macgregor

Your letter has been noted and I make the following comments..

The William Hill case was not for extended hours. You indicated that your client wished to trade on an equal footing as other business competitors in the area, all those that have extended their hours passed the 10pm closing have got those condition I have requested on the premises licence.

I am happy with the openness of the window display as it stands at the moment. Can you incorporate a condition that states that?

Nicola

Dear PC McDonald

YOUR REFERENCE – 01QK/176/13/157

We refer to your letter of the 18th June in which you request a number of additional conditions be attached to the licence for the above premises as a consequence of the variation application that my client has submitted.

Whilst our client is unaware of any issues at these premises since it opened on the 9th March 2006 and the need for any additional conditions to be attached to the licence, they do not wish to be obstructive in this matter and we have set out below the conditions which are agreed and those that are not.

We would be grateful if you could please confirm that you are content to agree the conditions on this basis:

1. *CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and licensing officers if requested.*

This is agreed although we await confirmation that the recordings will be maintained for 31 days. In the event that the recordings are maintained for 28 days can you please confirm that the 28 day period is acceptable.

2. *A CCTV camera shall be installed to cover the entrance of the premises and further cameras installed to cover the gaming machines.*

Agreed.

3. *An overt CCTV monitor to be installed, able to be seen by customers*

Agreed.

4. *The premises to install all aspects of Raid Control to the requirement of the Metropolitan Police Crime Reduction Officer save the requirement to utilise the smoke and dye packs.*

Agreed.

5. *The window panes shall not be tinted and no signage or stickers will be attached to the window area.*

This is not agreed. The interior of the shop already has good visibility from the street and we are not aware of any issues that this has caused since the premises opened.

6. *The entrance door will only have legally required signage (and opening hours) and this will not block visibility into the unit at eye level.*

Agreed.

7. *The premises to adopt and advertise a 'challenge 21' scheme.*

Agreed

8. *An incident book shall be kept and made available to the Police and Responsible Authorities.*

Agreed.

9. *Signs to be displayed alerting customers:*

No alcohol

No smoking

No persons under 18 Years

Persons will be prosecuted for causing criminal damage

Agreed.

10. *A suitable intruder alarm complete with panic button shall be fitted and maintained.*

A "Safe Guard Intruder Alarm" is installed at the shop and Coral agree to maintain this at these premises.

11. *A fire alarm and smoke detections system will be installed.*

Agreed

12. *Toilets shall be checked regularly. Toilet doors remain locked, fitted with a magnetic style locking device and access given by staff only.*

Agreed.

13. *All doors and windows shall remain closed during any licensable activity and where a door is used for customers to enter or leave the premises the door will be fitted with a self-closing magnetic locking device that can be operated ~~by staff~~ at management's discretion.*

This condition is agreed subject to the revised wording above.

14. *The magnetic locking system should be activated and in operation to allow customers entry from 2100 hours to 0000 hours on any door used by customers*

This is not agreed in light of the wording to condition 13 above.

15. *The premises shall be staff by a minimum of two persons from 1800 hours to 0000 hours.*

This is not agreed.

We are aware of a previous appeal in relation to Wm Hill where this condition was challenged on appeal and the challenge was upheld by the Magistrates court.

The Police have indicated in their letter of representation dated the 20th April that the representation is concerned with all three licensing objectives.

We would repeat our request of the 24th April in which we asked you to provide to us, by the 1st May, details of the evidence upon which the police intend to rely in support of their representation.

In the event that we have not had a response to this email, together with all supporting evidence by **12 noon on Friday 26th July** we can confirm that we will be writing to the Licensing Authority requesting that they determine the application without a hearing, pursuant to s.162 (3) (c), on the basis that the representation will not influence the authority's determination of the application.

We look forward to hearing from you.

Yours sincerely,

Dear Madam

I refer to the above application which was lodged in March/April earlier this year.

There is one outstanding representation to the application from the police.

The Gambling Act 2005 requires, that where a hearing is necessary, this should be held within a reasonable time.

It is now 6 months since the application was lodged and to date we have not been given any indication of when this matter will be heard.

I would be grateful if you could, as a matter of urgency, please confirm when the application will be considered by your Licensing Sub Committee.

I look forward to hearing from you.

**Police Representation to the Application for a Premises Licence at
Lloyds Groceries, 104 Craven Park, NW10 8QE.**

I certify that I have considered the application shown above and I wish to **make representations** that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below.

If these conditions were accepted in full I would withdraw my representation.

Officer: Nicola McDonald
PC 157QKLicensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a premises licence under section 17 of the Act.

The Police representations are primarily concerned with crime and disorder.

Police require the following points to be included in the operating schedule or added as conditions on the premises licence.

Personal Licence Holder

The sale of alcohol to drunken people and children is a major cause of concern to police and highlighted in the Governments Alcohol Harm Reduction Strategy. Off Licences are particularly open to these sales receiving little supervision or visits from the responsible authorities. Those who sell alcohol should be fully aware of the legislation and issues around alcohol and should be fully trained to a national standard.

Members of staff who have formally been given authority should be fluent in English in order to properly conduct the sale of alcohol and more importantly to refuse the sale if so required.

Closed Circuit Television (CCTV)

Good quality CCTV is essential as a deterrent for the prevention of crime and the detection of offenders. It allows for both covert and overt monitoring of the premises. With proper signage, this reassures both staff and clientele, that this is a safe environment where illegal activities are not tolerated.

Closed circuit television cameras and recorders of an agreed image standard will be installed at locations on the premises and in accordance with advice from the Police.

All cameras and recording equipment will be installed and maintained in accordance with Home Office Guidance and the manufacturers instructions and will be fully operational when the premises are open to the public.

Notices shall be displayed at the entrance to the premises, and in prominent positions throughout the premises, advising that CCTV is in operation.

Operating Hours to be displayed on Premises

A notice displaying the opening hours, the type of licensing activity and licence conditions should be clearly displayed and visible to anyone outside the premises. This may be incorporated in the summary of the licence, which must be displayed, or take the form of a separate item.

Likewise the name of the Designated Premises Supervisor (D.P.S.) if required should be similarly displayed.

This will allow the Police and other responsible authorities to readily identify the licence details. Clearly displayed opening hours will also reduce any confusion for customers prior to entering the premises and possible conflict when the premises close/stop selling alcohol.

A Summary of the Premises Licence will be displayed at each public entrance to the premises.

High Strength alcoholic drinks

Street drinkers and drunkenness is a major cause for concern in Brent. It is proven that high strength but cheap lagers, beers and cider contribute to the problem. If the premise does not stock these cheap high strength drinks (above 5.5% ABV) then the problem will be lessened or displaced. All Off Licenses in the area will be required to stop stocking these High strength drinks as they vary or come to review.

Security Measures

The following measures are proven to improve the security of your shop premises.

The floor area in front of the counter must be kept clear of any objects that could be used as a step to attack staff. Behind the counter the floor area should be raised 15 centimetres.

The premises must be protected by a monitored Intruder Alarm system including a panic button immediately accessible near the till.

The till/s should be secured from being lifted or moved. There shall be a door where access to the till area begins.

The window of the premises shall be kept clear of signage and advertising.

Spirits, Champagne and other similar valued goods should be displayed behind the counter. All alcohol within the shop should be displayed within the direct sight of the till operator and not obscured by other shelving etc.

Clear visible access in to the premises from the street

A clear visible and unobstructed internal view of the premises will be afforded at all times. This will discourage individuals using the premises for criminal activity.

The conditions that Police require to be added to the Premises Licence are listed below:

A sign stating “No proof of age – No sale” shall be displayed at the point of sale.

A “Challenge 25” policy shall be adopted and adhered to.

A clear and unobstructed view into the premises shall be maintained at all times.

A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

A suitable intruder alarm complete with panic button shall be fitted and maintained.

CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council

A CCTV camera shall be installed to cover the entrance of the premises.

No high strength beers, lagers, and ciders above 5.5% ABV shall be stocked.

An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

- (a) all crimes reported to the venue
- (b) all ejections of patrons
- (c) any complaints received
- (d) any incidents of disorder
- (e) all seizures of drugs or offensive weapons
- (f) any faults in the CCTV system or searching equipment or scanning equipment
- (g) any refusal of the sale of alcohol
- (h) any visit by a relevant authority or emergency service.

The following crime prevention measures be implemented:

A time delay safe with deposit slot and anti fishing mechanisms must be used at the counter till area

Regular robbery awareness and cash minimisation training given to all staff

A personal licence holder fluent in English shall be present on the premises and supervise the sale of alcohol throughout the permitted hours for the sale of alcohol.

Outside of the hours authorised for the sale of alcohol, all alcohol within the trading area is to be secured behind locked grills, locked screens or locked cabinet doors so as to prevent access to the alcohol by customers or staff.

Yours sincerely

Nicola McDonald PC 157QK Licensing Constable

I am a Police Constable of 22 years experience, the last 16 years I have worked on the London Borough of Brent, since 2005 I have been attached to the licensing unit for the borough. I have been authorised via a delegated authority to represent the Borough Commander for the London Borough of Brent and for the Commissioner of the Metropolitan Police Service to act on licensing matters.

One of the premises I supervise is Westcoast, 236 High Street, Harlesden, NW10.4TD. This restaurant is situated over three floors, ground floor, mezzanine and basement. There are two bars on the premises one on the ground floor and the second in the basement. The premises licence was reviewed in November 2009 and entertainment was removed from the authorisation. The premises licence permits supply of alcohol daily from 0900 hours to 2300 hours. The premises are open to the public daily from 0900 hours to 2330 hours.

On 9th May 2010 I was on duty in plain clothes in company with PS Adrian Adolphus, we were conducting late night licensing visits around Brent. We were listening to the pirate radio station 'Unique' in our vehicle and heard an advertisement for the 'Westcoast Launch Party' featuring DJ Miss Moneypenny with free entry before 1AM, £5 afterwards. I was not aware of a temporary event notice to cover this party for entertainment and alcohol sales after 2300 hours.

At 0045 hours we pulled up in High Street Harlesden near Westcoast. I watched a steady stream of customers, mainly female arriving in private vehicles and taxis and entering the venue. As I approached Westcoast on foot I could see approximately 20 customers through the window on the ground floor. Such parties with music and dancing usually take place in the basement area. I introduced myself to two door supervisors I identified outside the front of the venue. They were

displaying their security industry badges and gave their names as Nadine Watson and Paul Kidd. They informed me they were working at the club until 5AM and were employed by the owner of the venue Leticia Kusah. She is not authorised to do this as she does not hold a non-front line security badge. Both Leticia and her mother came to speak with me. They said they were financially struggling and needed to pay the bills and to give her a chance. I explained a temporary event notice had not been received for this party and that to continue licensable activities without an authority was committing an offence under the Licensing Act 2003. I then left the premises and contacted Brent CCTV and requested they monitor activities at the venue. On 11th May 2010 I attended Brent CCTV Control room and viewed footage from outside Westcoast on 9th May 2010 and saw the customers were still leaving at 0300 hours.

On Saturday 25th February 2012 I was on duty in full uniform in company with Council Licensing enforcement officer Susana Figueiredo and Clive Vincent, Fire Safety Officer for the London Fire Brigade. At 2230 hours we attended Westcoast, to conduct a joint partnership licensed premises visit. As we walked towards the main entrance on the ground floor I noticed the footpath outside was quite busy with people chatting. As we entered the premise we were immediately surrounded by black adult females sucking their teeth and asking what we wanted and what power we had to be on the premises. Their manner was very intimidating. There was loud dance music playing through speakers. I squeezed towards the bar and noticed Ms Fatima Cotay standing there. She is the mother of the designated premises supervisor. The DPS was not present but had left her son, Ben Kusah, to manage the venue. She recognised me and I introduced her to my colleagues and explained that we would be conducting a licensing inspection. As word spread that a Police Officer was at the venue the ground floor filled with persons coming up the stairs from the mezzanine and basement levels. I noticed that the majority of 'party-goers' were juveniles. Ms Cotay explained that the premises had been privately booked for a teenage birthday party. I asked how many persons were on the premises, but she had no idea. Alcohol was being sold. Ms Cotay was providing food on the mezzanine level and soft drinks for the children. There were no door supervisors.

During the inspection of the three floors it became very obvious that the premises were well over the capacity of 90. I counted 60 children in the basement alone, the basement capacity is 40 only. There were approximately 40 persons on the ground floor and 20 in the mezzanine.

In the basement there were no lights illuminated, just a small selection of coloured lights near the DJ's equipment. In the basement I examined the rear fire exit with the fire officer and discovered it had no signage, there was no emergency lighting and the door was locked. If an emergency had occurred in the premises the only means of escape was back up two narrow flights of stairs to the main ground

floor entrance door. Ben Kusah went to find the key to unlock the door and we discovered upon opening the door the external escape means were blocked by rubbish and a steel drum BBQ. The basement smoke detector head had been removed but the fault was not showing on the alarm panel which indicates the fire detection system was not functioning. I noticed the basement toilets smelt of cigarette smoke and cannabis, there was cigarette butts in the toilet. The cannabis smell was stronger in the kitchen area where I found two older youths extinguishing a cigarette. As I went through the kitchen I noticed a moped parked, leaning towards the food preparation surface. There were several beer bottles on the floor. The fire officer asked Ben Kusah for the fire risk assessment, he was unable to provide one and from his response was unaware what it was. He also asked to see the emergency evacuation plan and staff training records, but none were produced. The young persons in the basement were unsupervised in a totally unsafe environment. The premises were packed so tight with teenagers it would have been impossible to supervise the premises efficiently and prevent any children under 18 years of age consuming alcohol. During our basement inspection the DJ had turned the music off and put the lights on, this was making the adults on the mezzanine and ground floor levels more angry, shouting at us, that we were spoiling the party. At no point did Ms Cotay or Ben Kusah try to calm the patrons down. Their lacklustre response gave the impression we were ruining the night. They did not appear to appreciate the severity of situation. Making a dynamic risk assessment for my colleague's safety, I quickly advised Ms Cotay and Ben Kusah that the party must finish, that the premises were not licensed for music and dancing, that the premises license conditions had been breached and it was unsafe.

On 14th March 2012 I had a conversation with the DPS in regard to the visit on 25th February. She was advised to make necessary fire safety improvements and operate the premises in accordance with the premises licence. I requested a copy of the CCTV footage from 2230 - midnight on 25th February. Leticia agreed to get that to me. I have never received the footage contravening condition 2 of the premises licence.

On 13th August 2012 the DPS submitted a temporary event notice for Notting Hill Carnival weekend. Brent Police Licensing made representations to the notice and at a Licensing Hearing the sub-committee issued a counter notice. After the hearing the DPS told me should could not continue opening the premises at a loss and whilst out completing late night licensing patrols I have not seen the premises open to the public.

Since the Notting Hill Carnival weekend Brent Police, in response to allegations of drug dealing at Westcoast executed a search warrant. On 30th August 2012 Ben Kusah was arrested for possession of controlled drugs with intent to supply. A large amount of cannabis resin was found at Westcoast. In October 2012 Ben Kusah was arrested at Westcoast again, on this occasion he attempted to resist arrest and assaulted a Police officer.

On 7th December 2012 at 1520 hours Police executed another search warrant obtained from the Magistrates under the misuse of drugs act for Westcoast and the residential premises above. On this occasion both the DPS's Son Ben Kusah, (his girl friend Naomi West) and her mother Lynda Kusah were all in Westcoast. No drugs were found in the venue. Police Officers had to force entry to the residential premises above Westcoast as the Kusah's could not find the chubb key. A bag containing herbal cannabis was found in the flat. West was arrested for possession with intent to supply cannabis. When Ben Kusah was searched a Chubb key was found upon his person. This key was for the door to the residential flats above. (Cris 1931585 refers and can be provided)

Since October 2012 I have not seen the premises open and I have not had any contact from the DPS. The evidence above, highlights that this premise is being run unprofessionally and as such is detrimental to the licensing objectives. Intelligence indicates the premises had become a known venue for the sale of illegal drugs resulting in the Magistrates issuing the search warrants. The premises Licence holder and DPS Leticia Kusah still has ownership of the venue and during a recent licensing operation (7th December 12) members of the family were still residing above the venue and socialising in it. It is possible that they will attempt to open the premises, with such disregard for the law and enforcement, police have no option but to seek the revocation of the premises licence.

Subject: RE: License Review Notification - West coast -236 High Street, Harlesden, NW10 4TD

Dear Sir/Madam

I have detailed below fire safety issues that have been brought to my attention by our peak activities team, that you wish may wish to include as part of the License review process :

Evidence to suggest inadequate management controls re safe occupancy limit.

Inadequate fire exit directional signage.

Fire alarm system defective - detector head missing from basement.

Storage placed on escape routes.

A Fire risk assessment does not appear to have been carried out – no visible evidence/management records to the contrary.

No evidence to suggest appropriate staff training has been carried out.

No (Fire) emergency plan.

Future action is planned in the form of a fire safety audit, subject to gaining access to the premises.

Regards

Peter Francis

Licensing Representation to the Application to review the Premises Licence for Westcoast Restaurant & Bar, 236 High Street, London, NW10 4TD

I certify that I have considered the application shown above and I wish to make representations that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the reasons indicated below.

Officer: Esther Chan – Licensing Inspector

An officer of the Licensing Authority, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a ‘Responsible Authority’ under the Licensing Act 2003.

The application has been made by the police to review the premises licence under section 51 of the Act.

The Licensing Authority representations are primarily concerned with the following licensing objectives;

- the prevention of crime and disorder; and
- the prevention of public nuisance;

Dear Sir/Madam,

Below is a list of Licensing visits that have taken place at the premises.

25/02/2012	Special Initiative Inspection	Susana Figueiredo	Visit carried out with PC Nicola McDonald, Fire brigade safety officer Clive Vincent and another PC at approx 22.30hrs On entering the premise we were faced with what I would interpret as aggressive females who seemd upset by our visit. They questioned
------------	-------------------------------	-------------------	---

			and made statements regarding our powers of entry. I found this to be intimidating and uncomfortable. PC Nicola McDonald and the fire safety officer went down stairs to carry out an inspection whilst I stayed on the ground floor with another police officer. There was loud music playing when we entered. This was later turned off but seemed to increasingly cause the customers to become more aggressive. Nobody that was responsible for the premise tried to calm the customers down at any point in our visit. The designated premises supervisor's mother, Ms Cotay was present and she explained that it was a private party for a teenager. There were no door supervisors at the premises.
16/03/2012	Check Visit	Esther Chan	Concerns with Nuisance & Disorder. Joint visit with Sgt Adolphus at 23:53hrs. No issues observed, saw 3 people standing on the pavement o/s premises
28/04/2012	Check Visit	Susana Figueiredo	Arrived at approx 2.25hrs. Premise was closed

22/08/2012	Special Initiative Inspection	Lavine Miller-Johnson	pre carnival visit 22/08/2012 with EC. DPS was not present but her son Ben was there. He wasn't able to give us much details so he called his mother (DPS) on the phone. She said that she did put in for a Ten's but wasn't sure of the result as the police may make reps against it. Contact the Police and Yogini to find out the results.
23/08/2012	Other	Lavine Miller-Johnson	West Coast. 23/08/2012 visit was carried with regards to the TEN that Leticia applied for. the shop was not open when we arrived at 14:15. We waited for a while then Leticia's son Ben who we spoke with the yesterday came from what looked like a private dwelling upstairs at 14:35. EC and I discussed the issues with the Ten's and that his mum was advised

			to withdraw the application. At 14:37 Ben called his mother Leticia on the phone and I was able to tell her that I was going to leave a letter with her son Ben and the letters states that she must either withdraw the application or attend a hearing on Friday 24th Aug 2012 @ 14:30. At the end of the conversation I handed back the phone to Ben, handed him the letter and asked him to sign my note book.
23/08/2012	Other	Esther Chan	EC and LMJ hand delivered letter on 23/08/12 regarding Hearing for the Tens in the presence of Ben Kusah. LMJ spoke to Leticia Kusah on phone to confirm hearing date.
