<b>6</b>	<b>Calculation of business rates (NNDR) income 2015-16</b>	11 - 16
----------	--	---------

This report sets out the calculation of the estimated income from National Non Domestic Rates (NNDR), also known as Business Rates, to be used for 2015/16. This figure is used in the calculation of the council tax for 2015/16. Regulations require that the calculation is agreed by 31 January prior to the start of the financial year. The final figure will be taken from the NNDR1 return to be submitted to central government by 31 January 2015. At the time of writing this report the NNDR1 return had not been issued by the Department for Communities and Local Government (DCLG). This report is therefore the latest estimate, incorporating the impact of announcements on NNDR within the Autumn Statement.

**Wards Affected:**

All Wards
