Please state the ground(s) for review (please read guidance note 1)

The premises licence for this venue has been in existence since its conversion with the introduction of the current licensing Act in November 2005. The current premises licence holder Timothy Sheahan is also the designated premises supervisor, he has held this position since December 2013. However Mr Sheahan has been managing the venue since Autumn 2012. The permitted licensable activity is supply of alcohol only from 1000 to 2300 hours Monday to Saturday and 1200 to 2230 hours on Sundays. There are no conditions attached to this premises licence.

Unfortunately Mr Sheahan fails to operate this premise within the terms of the licence. He regularly authorises unlicensable activity contrary to Section 136 Licensing Act 2003, usually allowing music and entertainment or supply of alcohol. Even when Mr Sheahan has submitted a temporary event notice he has allowed licensable activity to continue after its conclusion. The venue permits the sale of alcohol to a person who is drunk contrary to Section 141 Licensing Act 2003. The operation of the venue sanctions breaches of the Health Act 2006 by allowing the smoking of cigarettes in an enclosed commercial premises.

These offences have either been witnessed by Police or Police have received complaints from local residents.

Mr Sheahan has received a formal warning letter from Police, in addition when further offences were committed the management were called in to the Civic Centre of a meeting with Brent Police Licensing and an Action plan compiled. He has been spoken to over the telephone on many occasions and advised how to improve and strengthen his role and responsibilities. Regrettably Mr Sheahan's disregard to the licensing legislation has continued. The licensing objections are going to be jeopardized more if he is allowed to continue operating the venue in this way.

Police request that a 'time the premises closes to the public' be added to the licence and that be 30 minutes after the sale of alcohol stops (2330 hours Monday to Saturday and 2300 hours on Sundays). This allows a drinking up time for his customers.

Police request Mr Sheahan be removed as the designated premises supervisor, the evidence outlines that he ignores the importance of licensing legislation and is unable or unwilling to operate the premises within the authority given.

To assist a new DPS control the venue more successfully, Police consider the following conditions to be added to the premises licence

Door supervisors Mandatory Condition

Door supervisors to be employed on the premises from 2000hrs on Friday, Saturday and Sundays they shall control entrance to the premises and to control order within the premises.

Door supervisors shall wear clothing that can be clearly and easily identified on CCTV.

A register/log containing the names, badge number, dates & times of duty of security staff and any incidents that occur shall be kept and made available to the Police and Licensing Authority.

CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council.

A CCTV camera shall be installed to cover the entrance and exit of the premises.

A "Challenge 21" policy shall be adopted and adhered to.

A refusal book detailing date and time of the refused sale and the name of the person refusing the sale shall be kept and maintained and made available for inspection.

An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

- (a) all crimes reported to the venue
- (b) all ejections of patrons
- (c) any complaints received
- (d) any incidents of disorder
- (e) all seizures of drugs or offensive weapons
- (f) any faults in the CCTV system or searching equipment or scanning equipment
- (g) any refusal of the sale of alcohol
- (h) any visit by a relevant authority or emergency service.

No entry or re-entry shall be permitted after 2230 hours.

Regular documented staff training on licensing legislation and operating procedures to be given. This training shall be signed and dated and a copy of these training records available for inspection by Police and local authority enforcement officers.

Customers will not take open drink containers outside the premises as defined on the plan submitted to and approved by the Licensing Authority.

No drinks shall be served other than in plastic or toughened glasses.

Customers carrying open or sealed bottles or glasses shall not be admitted to the premises.

Police also request Music to become licensable, that the effect of the de-regulation be removed from this premises licence by the committee.

This list is not exhaustive and relies upon up to date plans of the premise.

Police feel that these are wholly reasonable, proportionate and appropriate measure to be put in place to promote the licensing objectives. Police reserve the right to give evidence on any further incidents which may take place at, or in the vicinity of the premises, between the service of this application and the hearing and/or during the time allowed for any appeal proceedings.

Please provide as much information as possible to support the application (please read guidance note 2)

4th October 2013 2350hrs. PC's McDonald and Lewis-Evans visited Greenes Bar. Tim Sheahan was managing the bar, the designated premises supervisor (DPS) was not there. Mr Sheahan informed Police he was applying to become the DPS. There was a handful of customers and evidence that smoking was being permitted within the premises. There was a strong smell and haze of cigarette smoke and an ashtray on the bar containing cigarette butts. Mr Sheahan was advised of the Health Act legislation.

10th January 2014 0120 hrs PC's McDonald and Lewis-Evans visited Greenes Bar. The front external shutters were closed and the entrance door was locked. Officers knocked on the door and it was opened, before officers could identify themselves the unknown male who opened it said 'if you want a drink you had better hurry and come in before you are seen'. As officers entered the Bar they saw approximately seven customers drinking beer from pint glasses. Some customers were smoking cigarettes. There were three members of a band packing away their musical equipment. There was a white male behind the bar, Officers identified themselves and at this point the staff member began telling customers the premises were closed. Mr Sheahan was in bed, the member of staff went to wake him. Mr Sheahan was aware his licence was until 2300 hours. Officers advised him to operate the premises within the authority or apply to vary the premises licence or submit Temporary Event Notices. A warning letter was posted to Mr Sheahan (See Attached)

The remainder of the Irish males claimed he had fallen over. All the males were heavily intoxicated. The front door of Greenes Bar had been locked and Police could not get a reply from their knocking.

There was a TEN in place for the night of 8th to 9th March however the event was to finish at 0200 hours. (See attached)

Complaint received from local resident and witness to the above incident. Complaints refer to noise music, and drunkenness at Greenes Bar. Complainant spoken to by licensing Officers (see attached)

5th April 2014

CAD 1113/05APR 0212 hours 362 High Road, NW10.

Complaints from local resident A local resident reported a noise nuisance from the pub and he could hear glasses being broken. He confirmed that the pub was spilling out and the people were being very rowdy and very drunk. He stated there were approx 20 males and females gathered outside all very drunk. (see attached)

Police were called to a male who had been assault by other males. Witness saw the victim leave Greenes and walk along Neasden lane to the Cab office at 447 Neasden Lane . After a short time he came running back towards Greenes and was being chased by three other white males who attached him. Victim was taken to hospital. He was heavily intoxicated. He refused to make a statement to Police. Officers visited Greenes and spoke to the female member of staff named Lee. She could not operate the CCTV. Mr Sheahan provided CCTV footage but it

was an incorrect format.

15th April 2015-04-10 Nick Mortimer Brent Police Licensing made representations to a TEN submitted for 4th and 5th May 2014.(See attached)

19th April 2014

CRIS 1909279/14 CAD 1849/18APR14 time of origin 0703hrs

Cab driver phoned Police after collecting three males from Alperton area.

They requested to be taken to Greenes Bar Neasden Lane North and on arrival asked to be taken round the back of the pub as the door would be open.

They were already drunk and presumably wanted to go drinking in the bar. They seemed to know that the back door would be open.

Suspect asked driver to get out and knock on the door for them. He refused and then there was an argument which culminated in a scuffle where the driver was punched and kicked by suspect.

Investigating Officer PC Cox spoke to staff at Greenes Bar on 9th May 2014 and he viewed the CCTV system. For the month of April there is footage available from 22nd onwards but no recorded footage available from 01 - 21st, therefore there is no footage available from the 18th. It is not known whether this was because of a faulty system or whether it is merely that footage is only kept for a short period of time.

I outlined the fact that the national standard for CCTV footage being obtained is 31 days and that this falls below that. They are aware and will be ordering an engineer to solve this issue. There is insufficient evidence from this investigation to be able to identify the suspect of this assault.

CRIS 1909586/14 CAD 5648/21APR14

Victim and friend met up and decided to go for a drink at GREENES in NEASDEN.

They arrived at approx 2220 hours and Victim states that between this time and approx 0010 hours they had 3 drinks and were in a jovial mood. Victim states that he was stood near the pool table in the corner of the pub when he noticed Suspect walk past him towards a pool cue that was stood up in the corner behind Victim. Victim suspected that he was getting it to play pool when Suspect picked it up in the middle and using the butt end of the cue hit Victim at eye level across the face.

VIW states that this point he had not had any conversation with SUS at all and his nose exploded. He had blood pouring down his face and before he could react he had the two bouncers had grabbed him and was marching him towards the door. Closely followed by the Owner of GREENES. Victim was taken back to his H/A by a taxi where when he entered the premises he collapsed. He was then taken by friend to CMH where it was diagnosed he had concussion.

Investigating officer spoken to the assistant manager Lee at Greenes 19/5/14. She was aware of the incident. She will speak to the manager when he returns to get the cctv burned. She has informed me that the cctv inside the pub has been temperamental recently so it may not have recorded.

Investigating Officer spoke with Lee from Greenes on 31/5/14 She states they had lost my number. She has passed my details on to the manager to call me when he is free. Lee has told me that they did look through the footage to see if the incident had recorded but it does not appear to have recorded. The problem being that they had more cameras installed and the harddrive capacity remained the same so not all of the cameras footage has been retained. They are looking into getting a larger harddrive. I await confirmation of this from the manager. The manager of Greenes, Tim has called the investigating officer 5th June 14. He has explained that the CCTV is no longer available as the system was upgraded when 4 new cameras were added and this has affected the memory.

22nd July 2014

Meeting held with Tim Sheehan, Ray Hagan and Brent Police Licensing at Brent Civic Centre. Meeting to discuss recent assaults and late night opening without authority. Brent Police licensing have made representations to recent temporary event notices made by Mr Sheehan due to crime and disorder at the location. The licensing sub committee heard the evidence on 25th April and refused the TEN;s. It was agreed the following actions to be implemented by Mr Sheehan at the venue: CCTV recording for 31day, door supervisors, and a 'members only' entry policy in the interim. Mr Sheehan would like to meet after a few months to discuss the venue extend the licensable activity times permanently.

8th Feb 2015 0415 hours

PC McDonald was driving past Greenes Bar off duty and saw the front entrance door open. Attention was drawn to the location by the verbal noise emanating from inside the premises; it looked very busy with customers. There was no Temporary Event Notice in place for this date, the premises should have been closed.

27th February 2015

Email to Mr Sheehan requesting the CCTV footage as the above request.

20th March 2015 2300hrs

Premises visited by PC McDonald and PC Whitcomb, Mr Sheehan was expecting the visit and arranged for the above CCTV footage to be downloaded and available for collection. There were approximately 30 customers, all but one was male. A high proportion appeared to have Irish accents and was in workman's clothes. One male wearing a high visibility jacket and trousers was drunk and due to his unsteadiness officers had problems walking around him in the small bar area. Officers spoke to the lone male member of staff, Frank, who provided a memory stick left by Mr Sheehan containing the CCTV footage from 8/2/15. As the officers left the bar, the drunk male in the high visibility jacket also walked out into the street. This male staggered to the nearby lamp post and urinated in full view of the public. At this point Frank also came out of the pub and called to the Officers that Mr Sheehan was coming downstairs to speak to them. Frank also saw the drunk male urinating, he spoke to him, the male staggered around on the pavement for a short while before unlocking a door adjacent to the lamp post and entered the premises. When Mr Sheehan appeared on the pavement the officers explained what they had witnessed pointing out the urine now in full flow down the street. Mr Sheehan could not understand and explained the male actually lives in the premises next to the lamp post. Officers told Mr Sheehan it was probably as he had been allowed to get drunk in his pub. Officers spoke briefly about the incident on 8th February and he openly said he had

permitted licensable activities outside his authorised hours. Mr Sheahan is convinced he runs a 'tight ship' in a tough area. His members' only rule is keeping the Eastern European gangs and travellers' out of the premises and such deserves a late licence.

24th March 2015

PC McDonald attempted to view the CCTV footage provided by Mr Sheahan of the events on 8th February. Unfortunately the memory stick contained two files that were empty. PC McDonald telephoned Mr Sheahan and left a voice mail and explained the problem. PC McDonald has taken the memory stick to the specialist CCTV unit at Wembley Police Station and they confirmed the files are empty. There is no reason to pursue this matter as there are no conditions attached to this premise licence requesting CCTV.

4th October 2013 2350hrs. PC's McDonald and Lewis-Evans visited Greenes Bar. Tim Sheahan was managing the bar, the designated premises supervisor (DPS) was not there. Mr Sheahan informed Police he was applying to become the DPS. There was a handful of customers and evidence that smoking was being permitted within the premises. There was a strong smell and haze of cigarette smoke and an ashtray on the bar containing cigarette butts. Mr Sheahan was advised of the Health Act legislation.

10th January 2014 0120 hrs PC's McDonald and Lewis-Evans visited Greenes Bar. The front external shutters were closed and the entrance door was locked. Officers knocked on the door and it was opened, before officers could identify themselves the unknown male who opened it said 'if you want a drink you had better hurry and come in before you are seen'. As officers entered the Bar they saw approximately seven customers drinking beer from pint glasses. Some customers were smoking cigarettes. There were three members of a band packing away their musical equipment. There was a white male behind the bar, Officers identified themselves and at this point the staff member began telling customers the premises were closed. Mr Sheahan was in bed, the member of staff went to wake him. Mr Sheahan was aware his licence was until 2300 hours. Officers advised him to operate the premises within the authority or apply to vary the premises licence or submit Temporary Event Notices. A warning letter was posted to Mr Sheahan (See Attached)

Police were called to a male who had been assault by other males. Witness saw the victim leave Greenes and walk along Neasden lane to the Cab office at 447 Neasden Lane . After a short time he came running back towards Greenes and was being chased by three other white males who attached him. Victim was taken to hospital. He was heavily intoxicated. He refused to make a statement to Police. Officers visited Greenes and spoke to the female member of staff named Lee. She could not operate the CCTV. Mr Sheahan provided CCTV footage but it

was an incorrect format.

19th April 2014

CRIS 1909279/14 CAD 1849/18APR14 time of origin 0703hrs

Cab driver phoned Police after collecting three males from Alperton area.

They requested to be taken to Greenes Bar Neasden Lane North and on arrival asked to be taken round the back of the pub as the door would be open.

They were already drunk and presumably wanted to go drinking in the bar. They seemed to know that the back door would be open.

Suspect asked driver to get out and knock on the door for them. He refused and then there was an argument which culminated in a scuffle where the driver was punched and kicked by suspect.

Investigating Officer PC Cox spoke to staff at Greenes Bar on 9th May 2014 and he viewed the CCTV system. For the month of April there is footage available from 22nd onwards but no recorded footage available from 01 - 21st, therefore there is no footage available from the 18th. It is not known whether this was because of a faulty system or whether it is merely that footage is only kept for a short period of time.

I outlined the fact that the national standard for CCTV footage being obtained is 31 days and that this falls below that. They are aware and will be ordering an engineer to solve this issue. There is insufficient evidence from this investigation to be able to identify the suspect of this assault.

CRIS 1909586/14 CAD 5648/21APR14

Victim and friend met up and decided to go for a drink at GREENES in NEASDEN.

They arrived at approx 2220 hours and Victim states that between this time and approx 0010 hours they had 3 drinks and were in a jovial mood. Victim states that he was stood near the pool table in the corner of the pub when he noticed Suspect walk past him towards a pool cue that was stood up in the corner behind Victim. Victim suspected that he was getting it to play pool when Suspect picked it up in the middle and using the butt end of the cue hit Victim at eye level across the face.

VIW states that this point he had not had any conversation with SUS at all and his nose exploded. He had blood pouring down his face and before he could react he had the two bouncers had grabbed him and was marching him towards the door. Closely followed by the Owner of GREENES. Victim was taken back to his H/A by a taxi where when he entered the premises he collapsed. He was then taken by friend to CMH where it was diagnosed he had concussion.

Investigating officer spoken to the assistant manager Lee at Greenes 19/5/14. She was aware of the incident. She will speak to the manager when he returns to get the cctv burned. She has informed me that the cctv inside the pub has been temperamental recently so it may not have recorded.

Investigating Officer spoke with Lee from Greenes on 31/5/14 She states they had lost my number. She has passed my details on to the manager to call me when he is free. Lee has told me that they did look through the footage to see if the incident had recorded but it does not appear to have recorded. The problem being that they had more cameras installed and the harddrive capacity remained the same so not all of the cameras footage has been retained. They are looking into getting a larger harddrive. I await confirmation of this from the manager. The manager of Greenes, Tim has called the investigating officer 5th June 14. He has explained that the CCTV is no longer available as the system was upgraded when 4 new cameras were added and this has affected the memory.

22nd July 2014

Meeting held with Tim Sheehan, Ray Hagan and Brent Police Licensing at Brent Civic Centre. Meeting to discuss recent assaults and late night opening without authority. Brent Police licensing have made representations to recent temporary event notices made by Mr Sheehan due to crime and disorder at the location. The licensing sub committee heard the evidence on 25th April and refused the TEN;s. It was agreed the following actions to be implemented by Mr Sheehan at the venue: CCTV recording for 31day, door supervisors, and a 'members only' entry policy in the interim. Mr Sheehan would like to meet after a few months to discuss the venue extend the licensable activity times permanently.

Premises visited by PC McDonald and PC Whitcomb, Mr Sheehan was expecting the visit and arranged for the above CCTV footage to be downloaded and available for collection. There were approximately 30 customers, all but one was male. A high proportion appeared to have Irish accents and was in workman's clothes. One male wearing a high visibility jacket and trousers was drunk and due to his unsteadiness officers had problems walking around him in the small bar area. Officers spoke to the lone male member of staff, Frank, who provided a memory stick left by Mr Sheehan containing the CCTV footage from 8/2/15. As the officers left the bar, the drunk male in the high visibility jacket also walked out into the street. This male staggered to the nearby lamp post and urinated in full view of the public. At this point Frank also came out of the pub and called to the Officers that Mr Sheehan was coming downstairs to speak to them. Frank also saw the drunk male urinating, he spoke to him, the male staggered around on the pavement for a short while before unlocking a door adjacent to the lamp post and entered the premises. When Mr Sheehan appeared on the pavement the officers explained what they had witnessed pointing out the urine now in full flow down the street. Mr Sheehan could not understand and explained the male actually lives in the premises next to the lamp post. Officers told Mr Sheehan it was probably as he had been allowed to get drunk in his pub. Officers spoke briefly about the incident on 8th February and he openly said he had

permitted licensable activities outside his authorised hours. Mr Sheahan is convinced he runs a 'tight ship' in a tough area. His members' only rule is keeping the Eastern European gangs and travellers' out of the premises and such deserves a late licence.

24th March 2015

PC McDonald attempted to view the CCTV footage provided by Mr Sheahan of the events on 8th February. Unfortunately the memory stick contained two files that were empty. PC McDonald telephoned Mr Sheahan and left a voice mail and explained the problem. PC McDonald has taken the memory stick to the specialist CCTV unit at Wembley Police Station and they confirmed the files are empty. There is no reason to pursue this matter as there are no conditions attached to this premise licence requesting CCTV.

1. CAD1856/09MAR14 refers. Crew of QK81E attended. PC Choudry 494QK. PC Rogers 828QK also attended the scene.

2. Police were called by a female who stated that she could see a fight taking place outside the Greene's Bar on Neasden Lane.. Upon police arrival there were a number of Irish males stood around. VIW1 was bleeding heavily from above the left eye. Police spoke to the males one scene and asked what had happened. All the males stated that VIW1 had fallen over and banged his head on the ground.

VIW1 was asked the same question and he stated that he had fallen. VIW1 was heavily intoxicated. VIW1 was treated by officers on scene whilst awaiting LAS arrival. Initially PC 494QK was alone at the scene and VIW1's behaviour changed from calm to aggressive. More units were requested to the scene to assist with VIW1's first aid and also to help keep him calm. VIW1 seemed to become agitated anytime he saw the other Irish males.

Whilst VIW1 was being treated the other males all walked off and refused to speak to police any further. VIW1 was asked if any one them were involved in the injuries he had sustained to which he replied "no".

One male remained on scene. This male was a friend of VIW1. Whilst waiting for LAS VIW1 appeared to drift in and out of consciousness. VIW1 would then get up suddenly and shout "I'm gonna kill him". VIW1 was asked who he was referring to but would not disclose any details of the person. VIW1 did not even provide a first name.

VIW1 was asked what had happened and confirmed that he had been kicked and punched.

Marys Hospital. VIW1 initially refused to go to hospital but was eventually persuaded by his friend and LAS staff that if he did not his life could be in danger due to his injuries.

Police accompanied VIW1 to St Mary's hospital. PS Reeves was informed of the incident and also the extent of injuries and was also informed that the victim did not want to provide police with any information.

Upon arrival at the hospital VIW1 was seen by the Trauma team. The doctor in charge was Dr Emer Sutherland who was leading the trauma team for the night shift.

Dr Sutherland ordered various body scans. Dr Sutherland informed officers on scene that the injuries were not life changing or life threatening.

Officers spoke to VIW1 and told him that they wanted to seize his outer clothing and shoes to assist with identifying the persons involved in assaulting him. VIW1 refused to allow this and stated "I will sort him out myself". VIW1 was advised not to try and find the person responsible. Police also tried without success to convince the victim to assist police with their enquiries.

VIW1 had a bump to the right side of his forehead. VIW1 also had a cut near the eye brow area and grazes near his right cheek area. There were also some small cuts on the victims hands.

The public house was closed upon police arrival and therefore although they possibly had CCTV inside and outside the venue this could not be viewed or seized.

Brent Council CCTV covers part of the scene but would only have started recording that side of the scene when police arrived.

A number of shops along the street may also have cameras but

Date 20th January 2014

Dear Mr Hagan

I am writing this letter in regard to Greenes Bar, 362-364 Neasden Lane North, NW10 0BT which is authorised under the Licensing Act 2003 to supply alcohol for consumption off the premises from 1000 hours to 2300 hours Monday to Saturday and from 1200 hours to 2230hours on Sundays.

On Saturday 11th January 2014 at 0120 hours the bar had the shutters down and the doors were locked, when we knocked at the door it was opened and before we identified ourselves we were told if we wanted a drink to hurry up and come in so we weren't seen, there were approximately 7 customers in the bar some of which were smoking. Three band members clearing away equipment. Only when we identified who we were did staff start tell customers that the bar was closed. You also currently do not have the provision for regulated entertainment on your licence. This is an offence under section 136 of the Licensing Act 2003 namely unauthorised licensable activity.

I am aware that the premises licence was not displayed in the bar. If you do not have a copy of the premises licence, I suggest you contact the council as soon as possible as it is an offence not to have it displayed in the bar.

This letter comes as warning that any other breaches of licensing legislation will be brought to the attention of the Licensing Authority Committee by the way of a premises licence review.

If you have any questions in relation to this letter please do not hesitate to contact me.

Yours Sincerely

Sam Lewis-Evans PC598QK

On SUNDAY the 08th of FEB 2015 at approx 0800hrs I was on duty in full uniform with PC 541QK onboard QK81E. We then got assigned an "I" grade CAD refers 2469, of a woman looking distressed by the roadside NORTH CIRCULAR 406 SHELL GARAGE. We spun around and searched on part of the NORTH CIRCULAR with no trace. Traffic unit then got assigned and we proceeded to cover the other side of the NORTH CIRCULAR. Second call then came out CAD 2478 from an informant stating she is trying to kill herself.

As we approached the slip road A4088 we saw a female who I now know to be ****dob *** FIC3 F504 from - 8****, standing just on the road. As we approached she stepped out even further into the road right in front of our car.

We pulled up and PC 541QK shielded the woman with a car and tried to walk the lady towards the pavement away from the road and the traffic.

She was non-compliant saying "no, no, no" and trying to walk back towards the street. I then came closer to the lady and assisted PC 541QK walking her to the pavement to prevent injury. As I got close I could smell intoxicating liquor on Miss** breath, she was quite clearly unsteady on her feet. As I tried talking to her she became obstructive not giving us her name or reasons for being there. Her speech was also slurred and she didn't look like she was in complete of control of herself.

She was drunk. Based on her behaviour, impeding traffic and blocking the road, she was arrested by me at 0805 for being drunk and disorderly. She was handcuffed in front stack as she started to struggle (cuff no 24209). She

NOTES MADE IN SX WRITING ROOM

PC 541QK PRESENT NOTES DELAYED DUE TO BOOKING IN PROCEDURE.

STARTED:0920hrs ENDED: 0930hrs

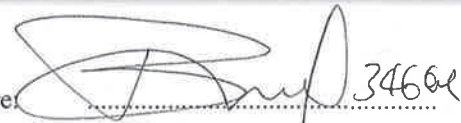

On SUNDAY the 08th of FEB 2015 at approx 0800hrs I was on duty in full uniform with PC 541QK onboard QK81E. We then got assigned an "I" grade CAD refers 2469, of a woman looking distressed by the roadside NORTH CIRCULAR 406 SHELL GARAGE. We spun around and searched on part of the NORTH CIRCULAR with no trace. Traffic unit then got assigned and we proceeded to cover the other side of the NORTH CIRCULAR. Second call then came out CAD 2478 from an informant stating she is trying to kill herself.

As we approached the slip road A4088 we saw a female who I now know to be ****dob *** FIC3 F504 from - 8****, standing just on the road. As we approached she stepped out even further into the road right in front of our car.

We pulled up and PC 541QK shielded the woman with a car and tried to walk the lady towards the pavement away from the road and the traffic.

She was non-compliant saying "no, no, no" and trying to walk back towards the street. I then came closer to the lady and assisted PC 541QK walking her to the pavement to prevent injury. As I got close I could smell intoxicating liquor on Miss** breath, she was quite clearly unsteady on her feet. As I tried talking to her she became obstructive not giving us her name or reasons for being there. Her speech was also slurred and she didn't look like she was in complete of control of herself.

She was drunk. Based on her behaviour, impeding traffic and blocking the road, she was arrested by me at 0805 for being drunk and disorderly. She was handcuffed in front stack as she started to struggle (cuff no 24209). She

was cautioned and made no reply. Arrest was necessary to prevent harm or injury coming to her. She was then booked in under CN/716 at SX custody.

In custody she did say that she had just left the GREENES BAR following a lock in. I didn't attended the bar at any stage.

On Sunday 8th February 2015 I was on duty in full police uniform. My posting for that day was driver of a marked police traffic response vehicle call sign ON34 in company with PC 1679T Jones. As a result of a call CAD 2469 refers I attended the A406 NW2 to the report of a female walking in the live carriageway. On arrival there was a local unit already on scene talking with a female on the side of the road on the East carriageway just before the North off slip to Neasden. I got out and went and spoke with them. I could see that the female was drunk. I was told that she had been arrested for being drunk and disorderly. I asked her if she had left any property in the road. She stated that she had been inside 'GREENES' in Neasden Lane until about 630am. She said that she had left her handbag inside. Transport then arrived to convey the female to custody. I decided to go to 'GREENES' to see if I could locate her bag. The time was now 815am. I went to the front of the pub and could see that the shutters were down. I then knocked on the door. A short while later the door was opened by a male who identified himself as a member of staff. I then went in to the main bar area. I could see that there was another male sat at the bar with a full pint in front of him. There was also a female inside. In the bar to the left there was another male who appeared to be cleaning up. PC Jones went to speak with him. I asked if I could speak with the landlord. I was told that he had gone to bed a short while before. I asked who the people in the bar were. The details they gave me were :- [redacted] DOB [redacted] He stated that he had been working there for about 1 year. He was the male who opened the door. [redacted] DOB [redacted] He told me that he had been working there since October 2013. He was the male sat at the bar with a full pint. The female told me her name was [redacted] She was apparently the girlfriend of [redacted]. I told them I was looking for the handbag. I was told that they remembered the female looking for the bag when she was in there. I was told that she had left about 630 - 7am. As the bag could not be found we left the premises.

Dear All

For your info CAD 1113/05APR relates to a call at 362 High Road, NW10. The time of call was 0212 hrs.

There is no pub name shown on the CAD but Google shows it as Greenes Bar.

I have had a look at your shared drive and checked their licence etc so thought you might like to know about this.

A local resident reported a noise nuisance from the pub and he could hear glasses being broken. He confirmed that the pub was spilling out and the people were being very rowdy and very drunk. He stated there were approx 20 males and females gathered outside all very drunk.

Cheers

Police Objection to the Temporary Event Notice for Greene's Bar, 362 Neasden Lane North, NW10 on 2nd to 4th May 2014.

I certify that I have considered the notice shown above and **I wish to make representations** that the use of the premises for the temporary event would undermine the crime prevention initiative, for the reasons indicated below.

Officer: Nicholas Mortimer

An authorised officer of the Metropolitan Police, in whose area the premises are situated, for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

A Temporary Event Notice has been given under section 100 Licensing Act 2003 by Mr Timothy Sheahan, received in this office on Tuesday 15th April 2014. Police are formally objecting to the notice under section 104 Licensing Act 2003. The Police objection is primarily concerned with the crime and disorder and public safety objectives:

The notice is to allow for the use of the premises on 2nd and 3rd May from 2300 to 0200 and 4th May from 2230 to 0100, the licensable activity is for the sale of alcohol. The nature of the event is described as a 60th birthday party.

This premise has had several TEN's this year, not all without incident however there have been two complaints from the public about noise and music going on as late as 5am. In addition there have been three allegations of assault, CRIS's 190493/14 at 1930 when no TEN was in place and the applicant himself was assaulted, 1905687/14 at 0415 when there had been a TEN until 0200 and 1908116/14 when there was no TEN. In the latter two cases the victims and suspects appear to be travellers and the assaults are never substantiated. The most recent case is the most disturbing where a male was hospitalised after being struck repeatedly with a brick. This allegedly occurred at 0600 on the 6th April 2014 after the victim and suspects had been drinking in the premise. There was no TEN in force on that occasion and a request for CCTV has been made, to date this has not been received.

I have spoken to the applicant and voiced my concerns over the recent issues but despite now having door supervisors little seems to have improved.

It is my opinion that should this TEN go ahead that the licensing objectives would be breached and further complaints about anti social behaviour and crime and disorder will take place.

Yours sincerely

Nick Mortimer

Date: Saturday 16th may 2015

Police Representation to the application for a Premises Licence for 'Northwest 10' first and second floors, 71-73 High Street, NW10 4NS.

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below.

If these conditions were accepted in full **I would** withdraw my representation.

Officer: Nicola McDonald
PC 157QK Licensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a premises licence under section 17 of the act.
The Police representations are primarily concerned with crime and disorder.

Police require the following points should be included in the operating schedule or added as conditions on the premises licence.

Police require the following points should be included in the operating schedule or added as conditions on the premises licence.

Smoking area

There needs to be contained smoking area next to the entrance of the premises. This should not impede the public highway or cause obstruction to neighbouring premises.

Personal Licence Holder

The sale of alcohol to drunken people and children is a major cause of concern to police and highlighted in the Governments Alcohol Harm Reduction Strategy. Off Licences are

particularly open to these sales receiving little supervision or visits from the responsible authorities. Those who sell alcohol should be fully aware of the legislation and issues around alcohol and should be fully trained to a national standard.

Members of staff who have formally been given authority should be fluent in English in order to properly conduct the sale of alcohol and more importantly to refuse the sale if so required.

Door Supervisors

At least 1 supervisor to every 50 customers.

They will ensure compliance with licensing and security guidance.

A register /log containing the names, badge number, dates & times of duty of security staff and any incidents that occur shall be kept and made available to the Police and Licensing authority on request.

Door Supervisors shall wear clothing that can be clearly and easily identified on CCTV.

Ensure that there are a sufficient number and gender mix of door supervisors to monitor and control the numbers and behaviour of persons present.

The premises will be operated in accordance with advice from the Metropolitan Police Service, which will include search procedures, the confiscation, storage and ultimate disposal of suspected illegal drugs and weapons.

Open Containers & Areas for Consumption of Alcohol

Customers will not be permitted to take open containers outside the premises, as defined in the plan submitted with the operating schedule and approved by Responsible Authorities.

The consumption of alcohol will be restricted to those parts of the premises identified on the plan submitted with the operating schedule and approved by the licensing authority.

Closed Circuit Television (CCTV)

Good quality CCTV is essential as a deterrent for the prevention of crime and the detection of offenders. It allows for both covert and overt monitoring of the premises. With proper signage, this reassures both staff and clientele, that this is a safe environment where illegal activities are not tolerated.

All cameras and recording equipment will be installed and maintained in accordance with Home Office Guidance and the manufacturers instructions and will be fully operational when the premises are open to the public.

Notices shall be displayed at the entrance to the premises, and in prominent positions throughout the premises, advising that CCTV is in operation.

Capacity Limit for Premises

Proper control of the numbers of people in the premises is essential to prevent overcrowding and the risk of disorder. It is impossible to conduct any meaningful risk assessment, without knowing the maximum number of people that may be safely accommodated at any one time.

There must also be adequate facilities to monitor and control the number of people present

The capacity limit will be set by Officers from the Local Authority.

Operating Hours to be displayed on Premises

A notice displaying the opening hours, the type of licensing activity and licence conditions should be clearly displayed and visible to anyone outside the premises. This may be incorporated in the summary of the licence, which must be displayed, or take the form of a separate item.

Likewise the name of the Designated Premises Supervisor (D.P.S.) if required should be similarly displayed.

This will allow the Police and other responsible authorities to readily identify the licence details. Clearly displayed opening hours will also reduce any confusion for customers prior to entering the premises and possible conflict when the premises close/stop selling alcohol.

A Summary of the Premises Licence will be displayed at each public entrance to the premises.

Drunkenness

Substantial food and non-intoxicating beverages (including free drinking water) shall be available during the whole of licensed hours in all parts of the premises where intoxicants are provided

The premises to adopt and advertise a scheme requiring all patrons under 21 years of age to produce identification with the accepted forms of identification namely a passport or photo driving licence.

No Entry or Re-Entry

This will help to reduce disorder and nuisance from people migrating to the premises from establishments that have already closed or are about to.

Drugs

The DPS should ensure a written drugs and weapons policy for the premises has been completed and is adhered to. Please see the Metropolitan Police *Safe and Sound* booklet for further advise (available on the Web).

The conditions that Police require to be added to the Premises Licence are listed below:

CCTV

CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and licensing officers if requested.

A CCTV camera shall be installed to cover the entrance of the premises, top of the stairs on to the first floor, search area, night club dance floor and points of supply of alcohol.

Door Supervisors

Mandatory Condition

Door supervisors shall wear clothing that can be clearly and easily identified on CCTV.

Door supervisors of a sufficient number and gender mix, shall be employed from one hour prior to the commencement on any day when the premises are open past midnight for licensable activity.

A register/log containing the names, badge number, dates & times of duty of security staff and any incidents that occur shall be kept and made available to the Police and Licensing Authority.

Bottles and Glasses

Customers shall not be permitted to take open vessels outside the premises as defined on the plan submitted to and approved by the Licensing Authority.

The consumption of alcohol will be restricted to those parts of the premises identified on the plan submitted with the operating schedule and approved by the licensing authority.

Capacity Limits

The total number of people permitted on the premises including staff and performers shall not exceed (to be set by public safety team)

Proof of Age

A sign stating “No proof of age – No sale” shall be displayed at the point of sale.

A “Challenge 21” policy shall be adopted and adhered to, photographic proof of age required.

No person under the age of 18 years shall be permitted on the premises after 2200 hours unless it is for an event specifically arranged for young people and prior notice has been given to Police and Licensing Authority.

Drugs and Weapons

A comprehensive record of all seized drugs and weapons shall be kept and made available to police and licensing officers for 12 months from the date of seizure.

Notices clearly explaining the licensee’s drugs and weapons policy shall be displayed at the entrance and at suitable places throughout the premises.

Toilets shall be checked at regular intervals for the use of drugs and other illegal activities.

Notices explaining the licensee’s policy on admission and searching shall be placed at each entrance.

General

An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

- (a) all crimes reported to the venue
- (b) all ejections of patrons
- (c) any complaints received
- (d) any incidents of disorder
- (e) all seizures of drugs or offensive weapons
- (f) any faults in the CCTV system or searching equipment or scanning equipment
- (g) any refusal of the sale of alcohol
- (h) any visit by a relevant authority or emergency service.

No alcohol shall be available for any customer when the premises are open for primarily for use by persons under the age of 18.

A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

No entry or re-entry shall be permitted after 0200 hours.

All persons entering or re-entering, including staff and performers, shall be required to pass through a search arch and wand search on days when there is a public or private event.

Where Police or licensing Officers require admittance to the premises in an emergency or part of an impromptu visit they shall not be impeded by requiring to sign in or be searched.

After 2300 hours smoking areas shall be limited to 20 persons and each area shall be suitably supervised.

The Licensee shall undertake a risk assessment agreed by the Police and Licensing Authority of any significant promotion or event, using the Metropolitan Police Service Promotion/Event Risk Assessment Form (Form 696) or an equivalent and provide a copy to the Metropolitan Police and Brent Council's Licensing Unit not less than 14 days before the event is due to take place.

Where an event has taken place the licensee shall complete a Debrief Risk Assessment Form (Form 696A) and submit this to the Metropolitan Police and Brent Council's Licensing Unit within 3 days of the conclusion of the event.

No noise or vibration shall be detectable at any neighbouring noise sensitive premises.

The level of music shall be arranged so as not to cause a nuisance to local residents.

All speakers shall be mounted on anti-vibration mountings to prevent transmission of sound energy to adjoining properties.

All doors and windows shall remain closed during any licensable activity and where a door is used for patrons to enter or leave the premises the door shall be lobbied and fitted with a self-closing device.

Notices requesting customers to leave quietly shall be displayed at each exit.

Nudity, striptease and other entertainment of an adult nature shall not be permitted on the premises.

Yours Sincerely
