Police representation to the Premises Licence application for Yellow Pavillion, 3 The Junction, Wembley Retail Park, Engineers Way, Wembley, HA9 0EG.

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the Council's objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below.

If these conditions were accepted in full **I would** withdraw my representation.

Officer: **Nicola McDonald**
Licensing Constable PC 157QK

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a premises licence under section 17 of the act.

The Police representations are primarily concerned with crime and disorder and prevention of public nuisance.

Police require the following points should be included in the operating schedule or added as conditions on the premises licence.

Personal Licence Holder

The sale of alcohol to drunken people and children is a major cause of concern to police and highlighted in the Governments Alcohol Harm Reduction Strategy. Those who sell alcohol should be fully aware of the legislation and issues around alcohol and should be fully trained to a national standard.

This application awaits confirmation of personal licence details from the proposed designated premises supervisor.

Closed Circuit Television (CCTV)

Good quality CCTV is essential as a deterrent for the prevention of crime and the detection of offenders. It allows for both covert and overt monitoring of the premises. With proper signage,

this reassures both staff and clientele, that this is a safe environment where illegal activities are not tolerated.

All cameras and recording equipment will be installed and maintained in accordance with Home Office Guidance and the manufacturers instructions and will be fully operational when the premises are open to the public.

Notices shall be displayed at the entrance to the premises, and in prominent positions throughout the premises, advising that CCTV is in operation.

Door Supervisors

Door Supervisors will ensure compliance with licensing and security guidance.

A register /log containing the names, badge number, dates & times of duty of security staff and any incidents that occur shall be kept and made available to the Police and Licensing authority on request.

Door Supervisors shall wear clothing that can be clearly and easily identified on CCTV.

Ensure that there are a sufficient number and gender mix of door supervisors to monitor and control the numbers and behaviour of persons present.

The premises will be operated in line with search procedures, the confiscation, storage and ultimate disposal of suspected illegal drugs and weapons.

Open Containers & Areas for Consumption of Alcohol

Customers will not be permitted to take open containers outside the premises, as defined in the plan submitted with the operating schedule and approved by Responsible Authorities.

The consumption of alcohol will be restricted to those parts of the premises identified on the plan submitted with the operating schedule and approved by the licensing authority.

Operating Hours to be displayed on Premises

A notice displaying the opening hours, the type of licensing activity and licence conditions should be clearly displayed and visible to anyone outside the premises. This may be incorporated in the summary of the licence, which must be displayed, or take the form of a separate item. Likewise the name of the Designated Premises Supervisor (D.P.S.) should be similarly displayed. This will allow the Police and other responsible authorities to readily identify the licence details. Clearly displayed opening hours will also reduce any confusion for customers prior to entering the premises and possible conflict when the premises close/stop selling alcohol.

A Summary of the Premises Licence will be displayed at each public entrance to the premises.

Capacity Limit for Premises

Proper control of the numbers of people in the premises is essential to prevent overcrowding and the risk of disorder. It is impossible to conduct any meaningful risk assessment, without knowing the maximum number of people that may be safely accommodated at any one time. There must also be adequate facilities to monitor and control the number of people present

Police require the following points should be added as conditions on the premises licence as below.

CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council upon request.

CCTV cameras shall be installed to cover the entrance of the premises.

The CCTV system shall be capable of obtaining clear facial recognition images and a clear head and shoulders image of every person entering or leaving the premises.

Door supervisors shall wear clothing that can be clearly and easily identified on CCTV.

A register/log containing the names, badge number, dates & times of duty of security staff and any incidents that occur shall be kept and made available to the Police and Licensing Authority.

A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

Customers shall not be permitted to take open vessels outside the premises as defined on the plan submitted to and approved by the Licensing Authority.

The consumption of alcohol will be restricted to those parts of the premises identified on the plan submitted with the operating schedule and approved by the licensing authority.

A "Challenge 25" policy shall be adopted and adhered to.

A sign stating "No proof of age – No sale" shall be displayed at the point of sale.

Customers carrying open or sealed drinking vessels or bottles shall not be admitted to the premises.

Any staff directly involved in selling alcohol for retail to consumers, staff who provide training and all managers will undergo regular training of Licensing Act 2003 legislation. This will be documented and signed for by the DPS and the member of staff receiving the training. This training log shall be kept on the premises and made available for inspection by police and relevant authorities upon request.

An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

- All crimes reported to the venue
- Any complaints received
- Any faults in the CCTV system
- Any refusal of the sale of alcohol
- Any visit by a relevant authority or emergency service.

No alcohol shall be available for any customer when the premises are open for primarily for use by persons under the age of 18.

Nudity, striptease dancing and other entertainment of an adult nature shall not be permitted on the premises.

When the premises are open for the sale of alcohol the external areas shall cease at 2100 hours. After 2300 hours patrons permitted to temporarily leave and then re-enter the premises to smoke will do so at the front of the venue only.

Major Event Days at Wembley Stadium

SIA approved door supervisors will be employed if alcohol is being supplied

Customers shall not be allowed to congregate outside the premises

No glass drinking vessels shall be used

All drinks shall be decanted in to plastic drinking vessels

Sales of alcohol shall cease one hour before the designated kick off time

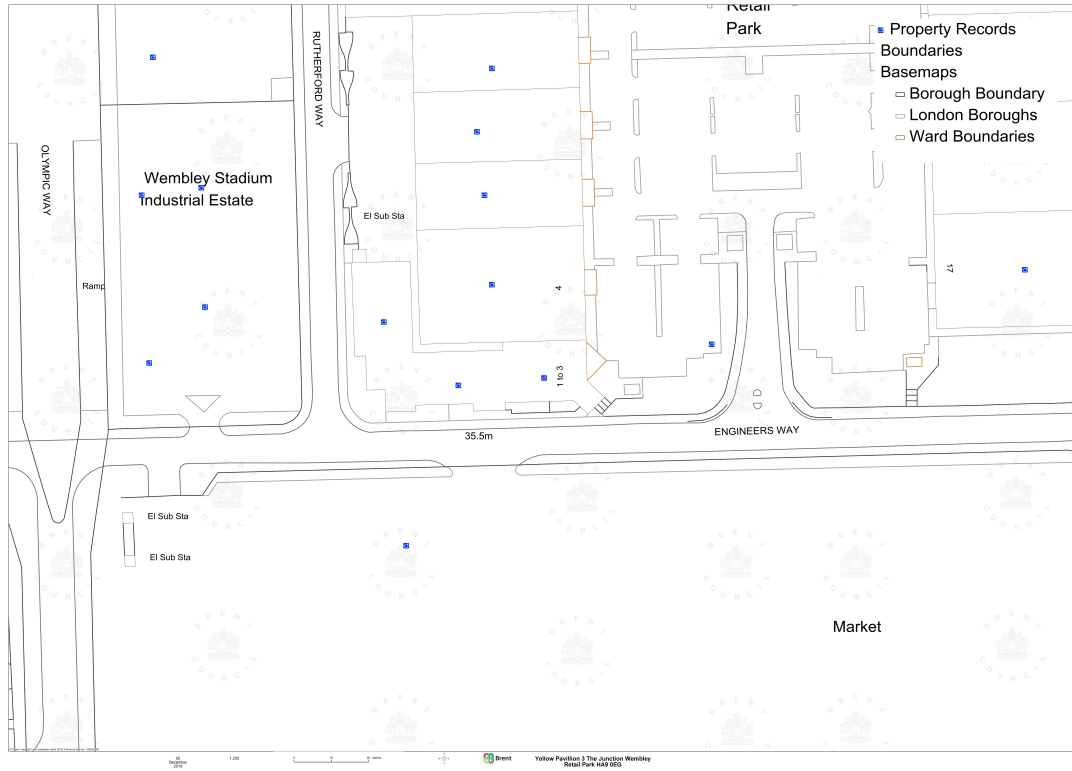

Supply of alcohol shall not resume until 15 minutes after the actual kick off time

External areas will be used for smoking only and no supplying or consuming of alcohol and supervised by SIA approved door supervisors.

Yours Sincerely,

Nicola McDonald PC 157QK

Every weekend it is the same thing: people going to the club make a huge amount of noise for several hours in the middle of the night. It usually starts around 3 or so and does not end until 4.30. Everyone in our building is fed up with it and complaining about it. I have complained to the noise department of the Council and I know others have as well, but as yet nothing has changed.

We want the place closed down. It is intolerable that we have to put up with shouting, fighting, urinating in the street, breaking bottles, car horns and motorbike engines revving for two or three hours in the early morning every Friday, Saturday and some Sunday night. Every such business operates under a licence and the terms of any licence make it clear that there must be no disturbance of local residents. This place is in gross breach of that licence. Those residents whose bedrooms are on the street side of the building are not able to sleep properly – adults and children alike. It cannot go on.

Please we need the decision in writing as we are willing to seek legal advice against the club or council if disturbance does not stop, as you can see we have videos of the last two weekends, while you are saying that you have already spoken to them -

To Whom It May Concern

I am writing to complain about the intolerable level of noise and disturbance being caused by the nightclub opposite us. The address of the club is Villa Country, 75 Park Parade, Harlesden, NW10 4JB

We have attempted to contact the noise team at Brent but, given the nightclub only operates on Fridays, Saturdays and some Sundays and the noise only starts at around 2:30 in the morning (and the night team stop taking calls at 1am because they close at 2) the most we have managed to achieve with the daytime noise team is a reference number and little else.

There has certainly been no change in the level of noise and disturbance. I have no idea if the noise team has come to investigate or record the level of noise. For your records the reference number is SR1128316. We phoned again this morning and got a second reference number as well: SO/01362/14

Things got so out of hand on one occasion that we phoned the police (13th August, 2.03am). They have told us that there is nothing they can do beyond coming each time we call and, while they are happy to do so, have advised us that we should write to you (as we are doing) and to encourage all our neighbours to write as well. I know that more than one neighbour has complained to the noise department of the Council already as well.

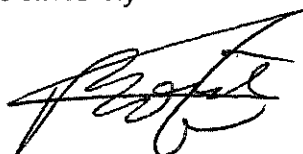

Every single weekend it's the same. The noise starts at around 3 am or so and continues till around 4:30 am. And sometimes starts at around 11 am before they start to go into the club. The customers hang around outside the nightclub for hours shouting, fighting and urinating in the street. They sometime rev motorcycle engines and blare horns. I have filmed the fighting more than once and, as previously mentioned, twice it got so bad I called the police.

Both our bedrooms are on the street side of the flat. This means there is no escape from the relentless noise every weekend. I now sleep in the corridor on weekends – it's that or get no sleep at all. It wakes my two small children on a regular basis. They are 4 and 2 years old. We then have them crying in the night because they have been woken up by the noise and then can't go back to sleep because of it either.

The situation is totally unacceptable. We cannot go on like this, neither myself and my family nor our neighbours. A licence is given under the strict proviso that residents are not disturbed, and we are most definitely being disturbed every single night that this place is open and it is happening at the most unreasonable of hours. Either enforce their legal duty of care to residents (in which respect they are grossly negligent at the moment) or remove their licence. This has to stop.

I look forward to hearing from you at the soonest opportunity, hopefully with the news that they will be closed down and this nightmare will be coming to an end.

Yours sincerely

To Whom It May Concern

I am writing on behalf of all the residents in our building about the nightclub [REDACTED] Its address is Villa Country, 75 Park Parade, Harlesden, NW10 4JB.

Every weekend it is the same thing: people going to the club make a huge amount of noise for several hours in the middle of the night. It usually starts around 3 or so and does not end until 5.00. Those residents whose bedrooms are on the street side of the building are not able to sleep properly – adults and children alike. It cannot go on.

The police have said there is little they can do except come out when called for specific incidents and have suggested we write this petition.

We know that you have CCTV around the club but we have recorded over 30 short clips videos as evidence for our records up to this last weekend.

We request that you, the Council, address this matter with some urgency.

Yours

Mr Farid Boutiche

Dear Ms Butler

Please find enclosed a copy of a letter of complaint that I have sent to the Council.

We have been housed by them opposite a nightclub that operates on Fridays, Saturdays and Sundays but the behaviour and noise of their customers through the early hours (from 2.30 to 4:30 in the morning) is such that it wakes my children regularly and I am now forced to sleep in the corridor every weekend.

It is ridiculous.

We have called the police and they have attended but also told us there is little they can do beyond dealing with the situations each time they occur. We have complained to the Council noise department who gave us a reference number but nothing has changed. We phoned again this morning, but again all they give you is a reference number and no guarantee of any follow-up. This nightclub is in breach of its licence in not making sure its patrons don't hang about in the street for hours shouting, fighting, urinating and revving car engines. It is intolerable.

I hope that by bringing the matter to your attention the Council will deal with this situation with the seriousness and urgency that it needs. My family cannot carry on like this.

Thank you for your time.

Yours sincerely

**Police representation to the Premises Licence Review Application for 'Villa
Country Club, 75 Park Parade, Harlesden London NW10 4JB**

Officer: Paul Whitcomb
PC 782QK - Licensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a review of the premises licence under section 51 of the act.

I certify that I have considered the review application submitted by Farid Boutiche and I wish to make representations.

The Police representations are concerned with the prevention of public nuisance and the prevention of crime and disorder.

The current premises licence number for 75 Park Parade, Harlesden London NW10 4JB is **222032266**.

The current licence holder is **Fork & Fingers (Italian) Ltd** and the designated premises supervisor is **Ms. Maria Pimenta**.

The following crimes have been reported at the venue since 1st January 2016:

1. Crime Report 1911173/16 - 09/05/2016 at 12:40am - Recorded as a common assault - Victim alleges that he was punched in the face inside the club. The report was later closed as the officer dealing with the case with unable to contact the manager of the club to progress the investigation.

2. Crime Report 1919403/16 - 31/07/2016 at 11.30pm - recorded as a common assault - Victim allegedly punched in the face and kicked by one of the club's

singers. The report was eventually closed as according to the venue, the incident was not captured on CCTV and they were unable to download the CCTV either.

There was also one theft of a mobile phone reported on 06/03/2016 at 2.00am.

I have examined CCTV footage from Brent Council showing the vicinity of the premises on Park Parade, NW10 from 12.00am on Sunday 3rd December 2016. In particular, I wanted to see first hand at what the general ASB issues are in this area at the time of evening that Mr. Boutiche points out in his review application. The following are my findings:

12.00am - A male is stopped and searched by police on Park Parade at the junction with Leghorn Road, NW10. This male is later arrested at 12.35am. This incident does NOT appear connected to the venue.

2.00am - Harlesden High Street at the junction with Park Parade there is pushing and shoving between two males, police arrive and disperse them. This incident does NOT appear to be linked to the venue.

Camera 6 - From 3.00am - Small groups of people start dispersing from the venue. Barriers are outside to control the smoking area and door supervisors are visible. The venue is licensed on this particular day until 3:00am where it must be closed at 3.30am. However, dispersal continues until around 4.05am where the outside barriers are taken away and the venue shutters are pulled down at 4.30am. I have a copy of this particular footage.

3.28am - A male can be seen pulling out sacks of rubbish from a public roadside bin and throwing this into the road. This is on Park Parade almost opposite the junction with Leghorn Road, NW10. This male does NOT appear to be connected to the venue.

Conclusion: From looking at this snap shot of the area in which the venue is situated, it does appear that some of the ASB issues may not be entirely linked to the venue, as can be seen by the above snippets. However, I am slightly concerned about the length of time dispersal took on this particular evening. A long dispersal may contribute towards public nuisance issues in what is already a problematic and busy area of Harlesden. At the time of writing, I would suggest that the venue adopts a new '**dispersal policy**' and vigorously enforce this.

The policy should incorporate a staggered dispersal which allows for all patrons to be of the venue entirely by 3.30am. This measure would uphold the licensing objectives, particularly around the prevention of public nuisance. The licence holder already has numerous conditions around the management of queuing customers, the supervision of the smoking area, which is limited to ten people after 11.00pm. The smoking area does appear during the footage I viewed to be very busy at times. Current condition fifteen already deals with the smoking area and I would suggest the licence holder reviews all current conditions, particularly around the smoking area and queue management and ensures that these are enforced at all times to prevent crime and disorder and public nuisance in this area moving forward.

I am in possession of CCTV footage from camera 6 recorded by Brent council and I shall make arrangements for the licence holder to have a copy of this before the date of the hearing.

Yours Sincerely,

Paul Whitcomb PC 782QK
Licensing Constable for Brent Police

Dear All

I am Adekunle Aruna and the Director of Fork & Fingers Italian Ltd which is the Premises License holder of 75park Parade,NW10 4HT.

I am writing in response to the allegation made against us by one of our Neighbours (Mr Farid Boutiche).

Going through the petition, i could see he has been keeping some records since the 7th of July 2016. I also noticed that he has sent several letters to different section of the Authorities including the Local Mp.

What is Sad is that the Petitioner went through all these phases of complaints , Trips to post office, Calling the police, council, letters to MP and so on But he Never for Once stopped by at the club Premises and ask to speak to the owner or manager . In the case of whether he doesn't want to be known (Which i don't think is the Case) , He could have at least left a letter through the letter box stating that exiting customers from the cub does constitute any kind of Nuisance to him or his fellow neighbour within the same block of flats.

May i humbly take this time to tell you a brief history of this club and myself . This club has been in existence for over 20 years. I have personally worked at this club in past as a security Guard for 2years (2008- 2010) Before i Purchased the Club in 2013. I have also worked in 3 other clubs in the Area in the past around the same time. I have a over 7 years of experience in Door Supervisor (Security Guard) especially in Nightclubs & Bars. I have worked in over 40 different premises within London . This much is known to licensing officers at the Brent council and also Brent Licensing Police to the point that i received a letter of Recommending from Retired Licensing Police chief (Mr Nick Mortimer) earlier this year which stated how keen i am always ready to work with the Authorities. Whilst i am not saying i am the best at the security Management when it comes to nightclubs and bars, I am Quite Good at what i do if i am given the chance to do so .

This Issue first came to my knowledge on the first week of september when i had a call from a Brent licensing officer (Lavine) that there has been a complain about the club. I asked her if the complain came from the newly Built Flat close to the club but she didn't know exactly and she was meant to let me know as soon as she knows.She emailed me on the 26th October that she is still waiting to find out where the complains are coming from and that she will be in touch with me as soon as she does have the information.

(Measures Taken)

Nevertheless , i took immediate steps to ensure our customers do not Congregate around the Neighbourhood when leaving the club . I Posted notices on the entrance and exit doors, toilet doors, cloakroom and smoking area , asking customers to be quiet when leaving the premises or when smoking outside. I usually have 3 doormen working at the club , i have increased this to 4 doorMen immediately and now to 5 doormen including myself monitoring the door all night . I sent Videos and Photos of this steps that was taken to Lavine Miller Johnson of the Brent council licensing Section on the 26th of October. I will attach copies of photos and correspondence with the council to you on a separate email or on Request .

Rucklide Avenue like every other street close to Harlesden High Street has its Own Problems. People leaving other bars and pubs around 1am always gives us Problems ,Bus 18 is 24hours Bus from central London with it's Bus stop is right next to us .People coming drunk from London passes by around 2am and gives us problems because we deny them entrance, some calls us racist and some are aggressive and so on.

Going forward , my security team and i started regular patrol of Rucklidge Avenue where the flat of the petitioner is Located to be sure no one is making a nuisance on that street . What we have noticed is that several group of people does congregate on Rucklidge Avenue directly opposite the window of Farid Boutiche and they do make a lot of noise, drinking and doing all sort. On an occasion , they have broken and smashed all the windows at the ground floor flat of where Mr Boutiche Lives . I was told police were called and the case was reported. This Happened during the week whilst the club was shut so it had nothing to do with us whatsoever .We have several videos of these set of people and i also made calls to the police a few times asking the police to come and remove these people from the area as their noises will be disturbing the neighbours and they might be mistaken to be our clients (I do have Police Reference numbers for all these calls). I have seen drug dealings on this particular street several times and it is still ongoing . I have seen fights on these street and it is still ongoing and these people has nothing whatsoever to do with us. From our Experience , we know that drug dealers and bad gangs always go around at Weekend nights as this is the best time for them to sell drugs and or deal with their gangs. These street is a hotspot for them and this has been the Case for the past 9 years that i have known this club and the Area . The street is Quite dark and there are no Cameras on this street to Prevent Crimes. So illegal activities always happens on this street. In the past 3 years one of my client as beaten up on this street and his Van was stolen off him at knife point. My door man had his Car Smashed and the people ran off. The Windows of my Car was smashed in 2014 and the case was reported to the police Plus many More. All on Rucklidge Avenue. The Area has its own problems . I have proves of people doing different unsocial and illegal activities on this road and this people has nothing to do with my business whatsoever .

Regular Occurrence are the Somalians hanging around and targeting passersby and my customers when they leave the Club to offer them illegal drugs and once we see them and intervene , they wont leave quietly. The will threaten us and try to bully us into leaving them alone. I have called police several times because of this. Some of the dealers as young as 13 years old. I have been Personally offered drugs by them so that i can give them free hand to Operate. (I reported all of these to the police and council on a few occasion).

The other ones are the Algerians who hang around at the Jasmine Coffee shop around the corner until 3am and then come to Rucklidge Avenue around this time to Rob our Customers off their belongings . The moment we intervene to try and protect our customers they become aggressive with us. I Almost Got hit on the Head with A Belt Buckle from one of them on the New years Eve of 2015.

Several calls has been made by me personally to the police asking them to come down to avoid the breakdown of law and disorder. 80percent of the problems we encounter are from the people on the street giving problems to us and our customers .

My Doubts about the Petition

I went through our daily occurrence book and vast majority of the Dates Mr Farid has said our customers had done one thing or the other is very unknown to us. I think He has well over Exaggerated the events and occurrence . I will Agree that some of the incidents are true but i believe majority are false . On the days we have had problems especially the ones that involves Violence , the first thing i do the next day is Send and email to the council and the Police to explain what has happened, why it has happened and steps i have taken immediately to make sure it doesn't happen again. (Pls Liaise with Authorities to Confirm if Any doubt & i can also supply copies of such emails if requested). We are always working to improve how we manage the business . Had it being that Mr Farid has informed us of the problems since

July 7 that he has been keeping his so called Records, I'm very sure the matter would not have reached this level and the problem would have been sorted. (if Genuinely there was a Problem).

I am really keen to Seeing the Video of the Bike that Mr Farid claimed was going back and forte selling things (Drugs) to my Customers.

I do not know who Mr Farid Boutiche is personally and i have Not met him. However i have observed that a particular window has its curtains closed during the week and has its lights on But on weekends , Curtains are Open and the lights are off. I have several videos and photos of this flat. I have seen a dark figure videoing us from this room on a couple of occasion . The light from the telephone of the person recording was what made all the difference . This gives me the believe that Mr Farid is likely to be black man . I called the Police on the 27th of November to remove a lady from our vicinity has she picked up a fight with a member of staff. She was ejected from the club but was outside waiting to fight with the staff involved once she was asked to leave by the securities of the club. I knew she would be a nuisance and i didn't want this to happen. The police arrived around 3am with no light on their van or Siren. there was no noise whatsoever but on looking at this Particular window , I saw someone there already filming us. This and many more reasons made be doubt if truly Noises from our customers is what the problem is .

I am again very keen to see Videos from Mr Farid that shows all the points he has stated and i would love to see wether the videos has Audible voices from the street inside his room with his windows shut . If we can hear voices from the street in his room on the videos he has recorded then i will accept it to be a Genuine Problem. I do not believe so at this stage.

About 6 months ago i was approached by some muslims in the area (Likely Somalians Muslims) . They asked if i was interested in selling the club to them as they want to turn it into a Mosque . I said No . One of them knows I'm a muslim myself and he started preaching to me as to how unIslamic/ Anti Islam my business was. I walked away at this point . I didn't see a big deal out of it until i later saw the signatures and names of those who signed the petition of Mr Farid .I believe from the names, 9 Out of 14 are muslims which makes me want to think that Maybe the problem is not about the Noise . I later checked on Social Media and i could only find one Farid Boutiche (Petitioner) on social Media and this Farid Boutiche lives in london . I went through his photos and i could clearly tell that this person was a Radical Muslim/Core Muslim. I have attached photos from what i believe to be his Facebook page to this email for your perusal . If this was the same Farid Boutiche writing this Petition against my Business then it all makes sense why he is doing so . He can't stand to have a club next to his window. A muslim will believe Allah will reward him if he successfully Convinces the Authorities into Closing my business,which is what he is hoping for right now . I went through copies of the letters he has sent to MP, Police,Council etc, All he wanted was that the club must be closed. None of the letters said that the authorities should contact us and ask us to improve on one or two things. From taking Videos, records of time and dates of occurrences and all other steps he has taken, he only wants one thing (Close the club), Forgetting that 21 families living in Brent council earns a living from this premises .

I went further by trying to see if i could speak to a few people who has not signed his petition within the same block of flat where Mr Farid Resides . I was very lucky to meet the person living on the same floor as Mr Farid Boutiche . Mr Farid Lives at [REDACTED] and i Met [REDACTED] who lives at [REDACTED] lives in this flat with [REDACTED] [REDACTED] [REDACTED] [REDACTED] said she has never been disturbed for once and not once had she woken up from her sleep as a result of Noise . Whilst she doesn't know who Mr Farid was. She reckons she should have the same problems as Mr Farid as their flats are on the same floor. Please be free to Contact [REDACTED] of [REDACTED] [REDACTED]

Finally, there are 18 residential flats and 9 commercial shops 22 feet directly across the road from my Club and for almost 4 years , the council haven't heard any complain from them whatsoever . There are also 16 residential flats and 8 commercial outlets about 22 feet Directly opposite the block of flat where Mr Farid lives on Park Parade and yet for Almost 4 years no one from this flats has made any complain to the council about my Nightclub. These 2 set of flats are closer to the club than the flat of Mr Farid .

Mr Farid's flat will be about 80 feet away from my Nightclub, He lives in a Brand New flat and with New and Current style of double glazing windows . Yet he has had so much problems within the last 5 months than people who has been living closer to the club in the last 4 years or more . There are also over 50 houses Directly next to the flat of Mr Farid and yet none of them has sent a petition to the council. All the petition and the Signatures came within his block .

All that i have mentioned above and many more has made me think that maybe the problem is not really about the noise . It is mostly likely a Religious Motivated or Aggravated complain and looking at the manner at which Mr Farid has gone about this matter, It seems to me he is quite experienced in Matters like this. I will not be Surprised if this is not his first of Making Review Application for licensed premises.

We had an Impromptu visit by 2 council officials from the licensing Department 2 weeks ago and they saw that we were doing everything required by law . We were a given a couple of Advices and we have started executing it with immediate effect .

I shall wait to hear back from the council .

Kind Regards

Adekunle Aruna

27 No form of loudspeaker or sound amplification equipment is to be sited on or near the exterior premises or in near any foyer, doorway or opening to the premises. A site supervisor will actively monitor the music/noise levels at the boundary of the premises and inform management and/or take appropriate action to remedy the issue immediately.

28 Door supervisors shall ensure queuing potential patrons behave in an acceptable manner and do not cause disturbance to the local residents. Staggered dispersal of patrons is recommended due to the surrounding residential properties and considering the lower background levels late at night and during the early hours of the morning. When the premises turn out, a door supervisor shall supervise patrons and ensure they leave in a prompt and courteous manner, respecting the neighbours. Notices asking customers to leave quietly shall be conspicuously displayed at all exits.

29 Patrons are to be discouraged from congregating in large numbers outside the premises for extended periods. Once patrons finish smoking, they are to be ushered back inside the premises or asked to move on in order to prevent congestion, noise and anti-social behaviour.

30 A daily record sheet shall be kept and maintained ensuring that all fire exits are free from locks, barrel bolts, fastenings other than push bars or pads during trading hours before any public use.

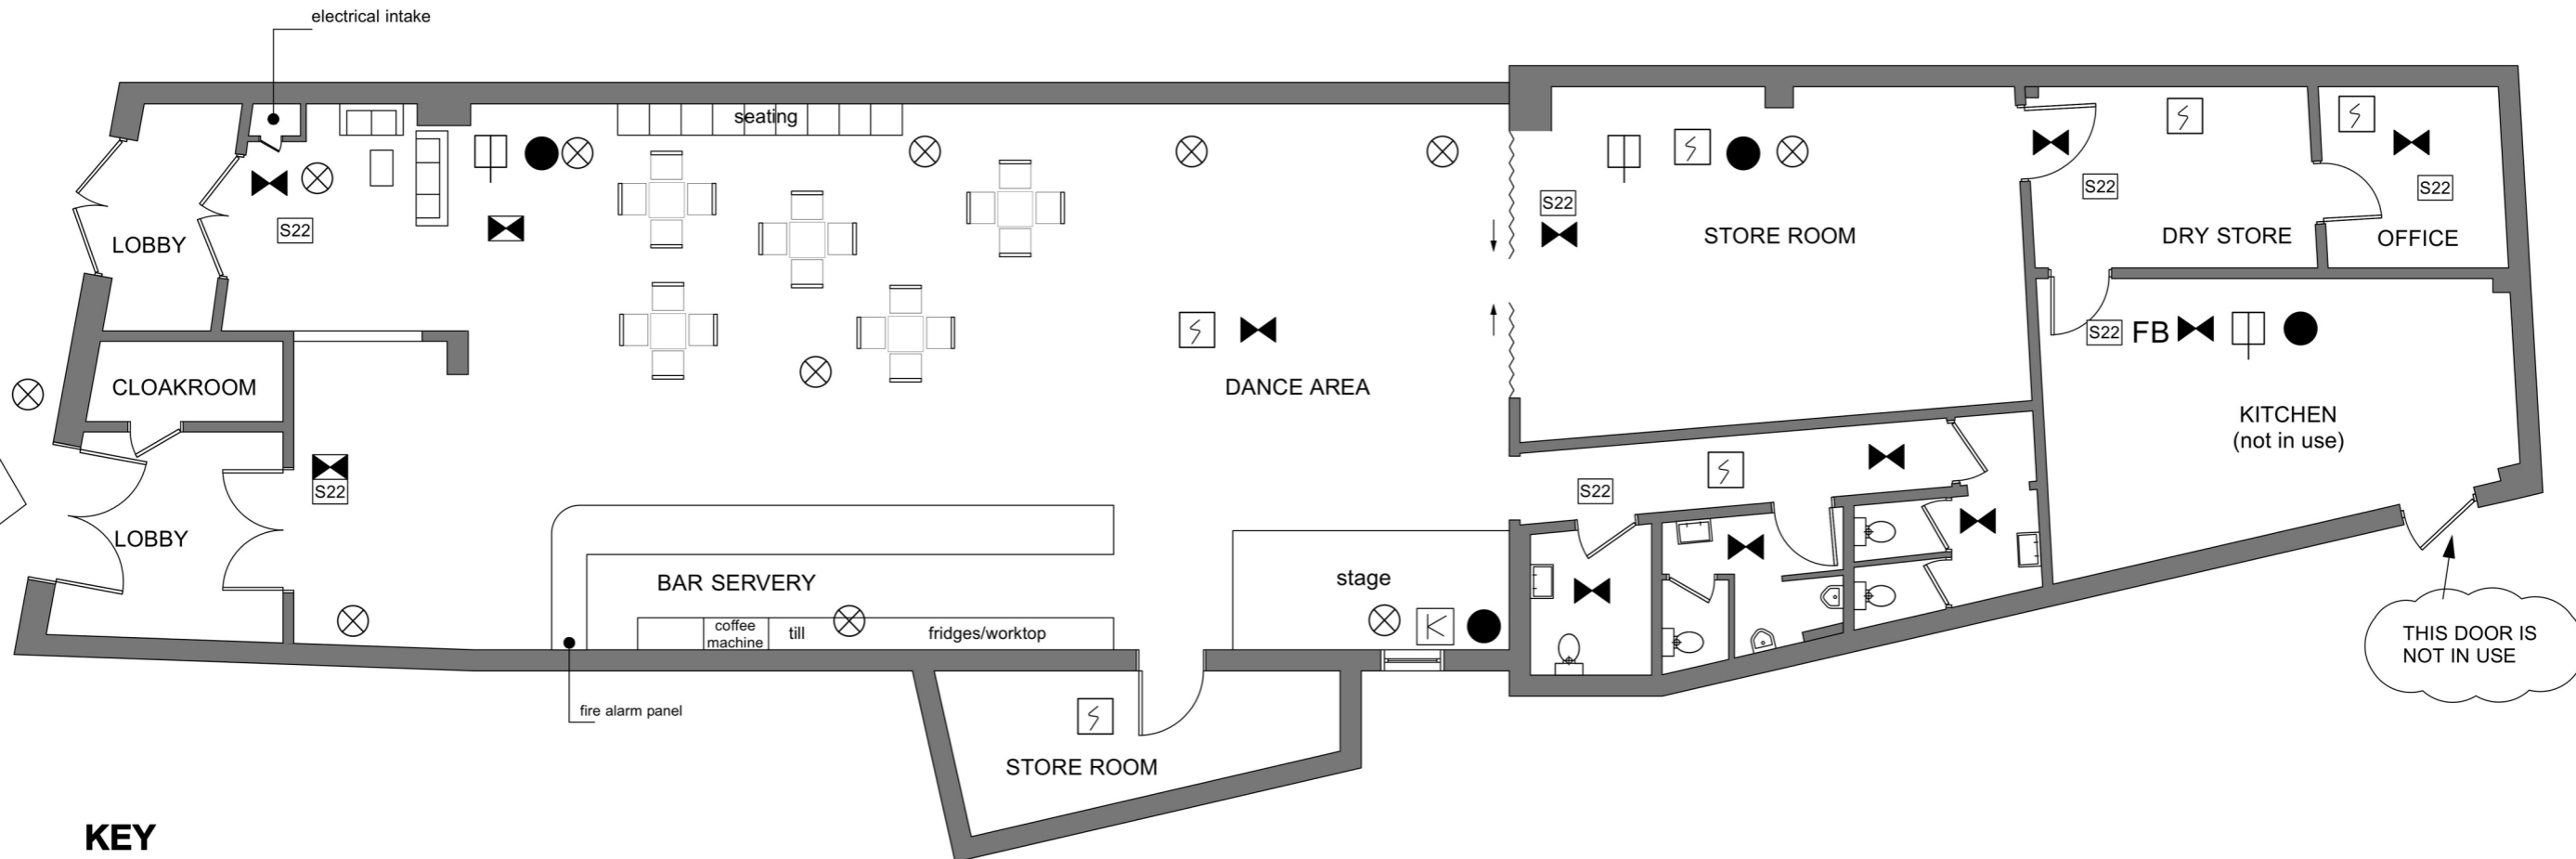

31 Any locks or flush latches on the exit doors shall be unlocked and kept free from fastenings other than push bars or pads whilst the public are on the premises.

32 The socket outlets (or other power supplies used for DJ equipment, band equipment and other portable equipment) that are accessible to performers, staff or the public shall be suitably protected by a residual current device (RCD having a rated residual operating current not exceeding 30 milliamps).

Police representation to the Premises Licence application for The Corrib Rest 76-78 Salisbury Road, London, NW6 6PA

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the Council's objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below.

If these conditions were accepted in full **I would** withdraw my representation.

Officer: **Michelle Heath**
Licensing Constable PC 928QK

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a premises licence under section 17 of the act.

The Police representations are concerned with all the licensing objectives.

Having read the General Description of the Premises and Part P 'The Operating Schedule', police need clarification of some aspects of the proposed running of the business.

Firstly, can you confirm that all community projects/activities will take place on the 1st floor? Will these activities run alongside sales of alcohol? Will there be any activities for offer predominately for youths under the age of 18 years?

Can you please clarify what the last sentence of Part B means? 'Leaders of activities for under 19 required to show DBS'

Who will conduct the risk assessments as stated in the operating schedule and what qualifications will they have in this area?

You have stipulated that the limit of people will be 250, is this from your fire risk assessment, and is it for the entire building? How do you intend to separate the capacities in the different areas?

Also at our meeting you indicated you were going to sell some home brews, can you be more specific about it, where is it being brewed, the alcohol content/strength, costs, etc?

Police cannot thoroughly consider this application until the above questions have been answered.

Yours Sincerely,

Michelle Heath PC 928QK

Dear Mr Stuart

**Licensing Act 2003
Application for a New Premises Licence
The Corrib Rest, 76-78 Salusbury Road, London NW6 6PA**

I refer to your application for a premises licence for the above premises. The Public Safety Team is making a Representation to the Licensing Authority on the grounds of public safety.

Providing you are willing to accept the following proposed licence condition the Representation will be withdrawn.

Licence Conditions

1. Any locks or flush latches on exit doors and gates shall be unlocked and kept free from fastenings whilst the public are on the premises.
2. Any socket outlets (or other power supplies used for DJ equipment, band equipment and other portable equipment) that are accessible to performers or staff shall be suitably protected by a residual current device (RCD having a rated residual operating current not exceeding 30 milliamps).

In order for the Public Safety Team to withdraw this representation, it will be necessary for you to **confirm in writing or via Email** that you accept the above licence condition.

We will require this condition to appear on the licence schedule should the licence be granted.

Please note that the setting of the capacity for the premises and means of escape in case of fire is dealt with by the London Fire Brigade and you are advised to contact them regarding those matters.

Please let me know if I can assist you further.

Yours sincerely
