Dear Mr Gibson,

I have printed off the plans provided on A3 paper as recommended and I do not believe that this is to scale as it would make the back of the stage to the opposite wall 4 meters. Can you please provide an up-to-date scaled plan of 1:100 indicating on the plan what size paper it is scaled to.

23rd March 2017

Dear Mr J Brahmbhatt,

**Re: Licensing Representation to the Application to Vary the Premises Licence of MASTI
576-582 High Road Wembley HA0 2AA**

I certify that I have considered the above variation application and I wish to make representations that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the reasons indicated below.

Officer: Lavine Miller-Johnson – Licensing Inspector

An officer of the Licensing Authority, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made to vary the premises licence under section 34 of the Act.

The Licensing Authority representations are primarily concerned with the four licensing objectives;

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

As a result of the variation application, a visit was carried out on Tuesday 21st March 2017 in the presence of Mr Brahmbhatt. During the visit Mr Brahmbhatt and I discussed some of the policies that he currently has in place voluntarily. I have advised that although he has applied these voluntarily I would add them to the conditions to make them enforceable if he wishes to have his hours varied.

The Licensing Authority wish to propose the following conditions :

1. Door supervisors shall wear high visibility clothing that can be clearly and easily identified on CCTV.

2. Door supervisors of a suitable gender mix, shall be employed from 22:00 hours on any day when the premises are open for the sale of alcohol past 00:00 hours.
3. A register/log containing the names, badge number, dates & times of duty of security staff and any incidents that occur shall be kept and made available to the Police and Licensing Authority.
4. CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised Officers from Brent Council. This must comply with the Data Protection Act including signage.
5. A "Challenge 25" policy shall be adopted and adhered to at all times.
6. A refusal book detailing date and time of the refused sale and the name of the person refusing the sale shall be kept and maintained and made available for inspection at the premises.
7. No entry or re-entry shall be permitted after 02:00 hours.
8. Regular documented staff training on licensing legislation and operating procedures shall be given. The training shall be signed and dated and a copy of these training records available for inspection by Police and local authority enforcement officers.

In order for the Licensing Team to withdraw this representation, it will be necessary for you to confirm in writing that you are willing to accept the above conditions.

Yours sincerely,

Lavine Miller-Johnson

Dear Lavine.

Thank you for your email. I would ask that the condition re the clothing for the door supervision be amended to reflect the wording offered by the police, and no, we do not accept the door supervision condition for any day the premises are open for sale past 00:00 hours . The only area up for negotiation here is the applied varied hours, I.e. Thursday, Friday and Saturday. If you believe that the entire licence can be altered due to a variation, please provide the relevant section in the Licensing Act 2003 which confirms your view.

Therefore we are happy to accept the point re door supervision for Thursdays, Fridays and Saturdays only.

Kind regards

Stewart

Dear Stewart,

Thank you for your email.

I can reword the condition as follows : ***Door supervisors shall wear clothing that can be clearly and easily identified on CCTV.***

This will give flexibility for SIA to wear high vis jackets when required and to possibly wear reflective arm bands at any other time? Please note that for me to agree with this change your client will need to incorporate this in line with SIA s policy.

Please can you advise on how your client intends on searching all customers if they do not have mixed gender of SIA? Will they be installing scanners or providing wands? Will they carry out a body search or bag search? Once this element has been satisfied I will consider rewording this condition.

Dear Lavine.

Thank you for your email received today. I have spoken to Jignesh, and in the main we are happy with the conditions you propose, except for the following:

No problem with the HI Viz jackets condition however we would like an exemption on private hire parties, wedding parties, Private hire corporate parties as these sort of parties prefer security to be looking smart in suits without hi viz jackets.

Secondly, the conditions proposed will only apply to the application for variation, I.e. The varied hours of 02:00 am to 04:00 am.

Happy to accept SIA staff from 22:00 hours, but not mixed gender personnel as we feel it is not appropriate, or proportionate for the business to do so, based on current trading patterns.

The only condition that would apply to the entire trading hours is that of the CCTV, as it would not be possible to only condition this for the varied hours.

Kind regards

Police representation to the application for a variation of Premises Licence for Masti's, 576-582 High Road, Wembley Middlesex HA0 2AA.

I certify that I have considered the application shown above and I wish to make representations that the likely effect of the grant of the application is detrimental to the licensing objectives for the reasons indicated below.

If conditions suggested below were accepted in full I would withdraw my representation.

Officer: **Paul Whitcomb PC 782QK**
Brent Borough Police Licensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made for a variation of premises licence under section 34 of the act. The Police representations are primarily concerned with the prevention of crime and disorder, the prevention of public nuisance and the protection of children from harm.

The applicant has applied for the extension of licensable hours in relation to regulated entertainment and the supply of alcohol from 1000-0400 on Thursday, Friday and Saturday.

In relation to this variation police ask for the following condition to be **removed:**

Condition 20. Where fighting occurs the aggressive offender shall be evicted immediately and the passive offender evicted when safe to do so. The management shall be informed and the matter recorded in the incident book.

Condition 21. Where drugs or weapons are found the offender shall be restrained if safe to do so and the police called immediately and the matter recorded in the incident book.

Condition 22. Where there has been damage to property the management shall be informed and the matter recorded in the incident book.

Condition 23 Where there is aggression shown by customers to staff the management shall be informed and the matter recorded in the incident book.

Condition 24 Where there have been cases of drunk, disorderly or abusive behaviour the management shall be informed and the matter recorded in the incident book.

Rational: I do not believe that these conditions are enforceable.

Police request that the following condition in relation to an incident book be **added** to replace the removed conditions:

An incident book shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

- (a) all crimes reported to the venue*
- (b) all ejections of patrons*
- (c) any complaints received*
- (d) any incidents of disorder*
- (e) all seizures of drugs or offensive weapons*
- (f) any faults in the CCTV system, searching equipment or scanning equipment*
- (g) any refusal of the sale of alcohol*
- (h) any visit by a relevant authority or emergency service.*

Police request that the following condition is also **removed**:

Condition 10 A Challenge 21 policy shall be adopted and adhered to.

This condition is to be **replaced** with:

A challenge 25 policy shall be adopted and adhered to at all times.

Police request the following condition be **removed**:

Condition 17 No children under 14 shall be admitted unless accompanied by a responsible adult.

This condition is to be **replaced** with:

'On Thursday, Friday and Saturday children shall not be permitted to the lower basement floor from 00:00 hours. Children shall not be permitted to remain in

the premise or access to the premise after 0200 hours. All Children must be accompanied by a responsible adult.'

Rational: This is to allow the licence holder the flexibility to run his family restaurant business.

Police request that all conditions currently attached to the premises licence (Conditions 1-9, Conditions 11-16 & Conditions 18-19) remain in force and also apply to the new extended hours.

Police Request the following conditions be added:

- 1. On Thursday, Friday and Saturday from 2200 hours there shall be a suitable number of door supervisors on duty. They must remain on duty until the premises are closed and all customers have left.**
- 2. A register/log containing the names, badge number, dates & times of duty of security staff shall be kept and made available to the Police and Licensing Authority upon request.**
- 3. Door supervisors shall wear high visibility jackets, tabards or armbands, so that they can be clearly and easily identified on CCTV.**
- 4. No entry or re-entry shall be permitted after 0200 hours, save for those patrons who are returning from a smoking area.**
- 5. The premises must have a comprehensive written dispersal policy in place. This document shall be produced to the police or an officer from Brent Council upon request.**
- 6. CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to the police and authorised Officers from Brent Council.**
- 7. After 2200 hours smoking areas shall be limited to 10 persons and each area shall be suitably supervised.**

Yours Sincerely,

Paul Whitcomb PC 782QK
