Police representation to the Premises Licence application for 'Stadium Supermarket, 129 Wembley Park Drive, Wembley, HA9 8HQ

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the reasons indicated below.

I am of the opinion that the risk to the Licensing objectives can be mitigated by removing the requested variations or attaching conditions to the Licence as shown below.

Officer: Michael Sullivan
Licensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made to vary a Premise licence under section 34 of the act.

The Police representations are primarily concerned with **crime and disorder, prevention of public nuisance, and the Protection of Children from Harm.**

An application to vary the Premise Licence of Stadium Super market, 129 Wembley Park Drive HA9 8HQ, asking for an extension of its licensable hours has been submitted. It asks that their hours be extended from 09.00 - 00.00 daily until 08.00 - 02.00 hours daily. On the 28/07/2017 I conducted a visit at the premises, there was one male working in the premises Mr. Srinivasa Gubbala, on checking the licence he is currently shown as the Designated Premises Supervisor for the shop. Mr. Gubbala stated that the owner Mr Liakath was not available, he then asked if he should call the regular guy who works at the shop, I asked him if he worked regularly at the shop and if he was still the DPS as stated on the

licence, he stated that he did work at the shop on a regular basis and that he was the current DPS for the shop, I told him that I was happy for him to assist me as he should be able to answer any questions I had.

He stated he was aware of the application to extend the shops hours, I then informed him that I would be going through the shops current licence conditions.

Condition 1 reads CCTV shall be installed to Home Office guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and licensing officers if requested

I asked Mr. Gubbala, if the CCTV was working and if he could show me that it is recording Correctly, I looked at the monitor in the shop and noticed that the times was not correct, I asked him why this was, he stated that it hadn't been changed, he then said that he was unable to work the CCTV.

Condition 4 reads 'A sign stating 'No proof of age - No sale' shall be displayed at the point of Sale.

I looked around the counter area but could not see any sign, I asked Mr. Gubbala, if there was any such sign, he pointed to a sign relating to the sale of cigarettes, I informed him that this was not correct.

Condition 6 reads 'An incident log shall be kept at the premises, and made available for inspection on request to unauthorized officer of Brent Council or the Police, which will record the following;

- (a) all crimes reported to the venue
- (b) all ejections of patrons
- (c) any complaints received
- (d) any faults in the CCTV system
- (e) any refusal of the sale of alcohol
- (f) any visit by relevant authority or emergency service

I asked Mr. Gubbala for the shops Incident log, he had a look for it and said 'shall I call the regular guy' I said 'no you are the DPS you should know where it is' he then conceded that the shop did not have an Incident log book.

Condition 7 reads the following crime prevention measures shall be implemented

A time delay safe with deposit slot and anti-fishing mechanisms must be used at the counter till area.

Regular robbery awareness and cash minimization training shall be given to all staff

I asked Mr Gubbala if the shop had a safe, he stated 'yes' and started to pull up some shelving that was on the floor behind the counter, I asked if the safe was on the floor he then said no its been moved and walked to the rear of the shop and into a store room, he then attempted to open another door but did not know the code, he turned to me and said 'its in here' I asked if it was a time delay safe, he replied 'no'.

Condition 10 reads regular documented staff training on licensing legislation and operating procedures shall be given.

I asked Mr. Gubbala, if I could look at the training documents, he again said 'shall I call the regular guy' I asked him when the last time staff had been trained, he informed me that he had trained the staff a month ago, I asked him what he had trained them in, to which he could not answer.

It is clear from this visit that the shop is poorly managed with numerous breaches to its Current licence conditions, Mr Gubbala, is shown as the DPS for the shop but has very little to no knowledge of the shops licence conditions or the licensing objectives.

I have concerns about the current running of the shop, and would ask that the application to extend its licensable hours be **refused**,

Further to this the shop was issued with a warning letter on the 18th May 2017, after police observed the shop selling glass bottles of alcohol on a Wembley Stadium Event day, breaching condition 8 of its licence condition.

Yours Sincerely,

PC Michael Sullivan 68QK

Dear Mr Miah

I write to summarise a recent licensing visit made to your premises on Sunday 14th May 2017. On this day it was a designated Wembley Event Day. There was a football match at Wembley Stadium, namely the Vanarama League Final game between Tranmere and Forest Green Rovers. Your shop was open to the public and alcohol was being sold.

During the visit glass bottles of alcohol were being sold and on display for sale. This breaches condition 8 of your premises licence '**on major event days at Wembley Stadium the following should apply: No alcohol or "alcopop" type drinks shall be displayed or sold in glass containers with the exception of wines and spirits.**

It is just as important to maintain this condition on games with lower capacities where sporadic violence is just as common. It is crucial that glass bottles are not accessible and able to be used as weapons

Police insist that the glass bottles are totally covered or removed from display to assist you and your staff from football fans who may persevere in their attempts to purchase them. Glass bottles can cause serious injuries if used as a missile or weapon during disorder.

Contact me on the above email if you have any queries on this matter.

Yours sincerely
