I hereby certify that in my opinion the premises described below are associated with:
both serious crime and serious disorder

Premises licence number (if known):

Name of premises supervisor (if known):

Mr. Mansuckh Shamji Vekaria

I am a *Chief Superintendent* *in the Metropolitan Police Service.

*Insert rank of officer giving the certificate, which must be superintendent or above.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case because:

(Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned)

This was a large scale violent disorder incident where the victim received a GBH injury. The victim remains in hospital, heavily medicated and requiring CT scans in relation to a bubble found on his brain.

A standard review could take several months to reach a conclusion, especially if taken to appeal. Police fear that another serious incident may occur in the meantime. The expedited process is necessary to request interim steps. Police request interim steps to reduce the hours of licensable activity, add conditions in relation to the use of an I.D Scanner and use of approved SIA door supervisors. Police deem these measure as appropriate, proportionate and necessary for the promotion of the licensing objectives, particularly to prevent any further crime or disorder and to protect the public .

Savannah Lounge is a small night club located on Lancelot Road, Wembley, this is a residential road near the junction with High Road Wembley.

On the 7th October 2017, Savannah Lounge hosted a private 25th Birthday party, during the early hours of Sunday the 8th October 2017 at approximately 02.45 hours party goers went outside and got into an altercation with people leaving a nearby night club known as Masti's.

there are conflicting accounts as to what started the incident, but it appears that people from

Savannah Lounge approached a group from Masti's and asked for a light for a cigarette, words

were exchanged and a fight started, a large group of people from Savannah Lounge came out of the club and started to assault people within the group that have left Masti's night club, there are currently, so far five people have been identified as victims of the assault varying from minor injuries to serious head injuries.

Brent CCTV shows a group of about 4 people sitting opposite Savannah Lounge, they are approached by people who come from the direction of Savannah Lounge, after a short period of time a fight breaks out, SIA security from Masti's club then come running down the road and try and intervene, more and more people then join in the fight and large scale disorder occurs, the main focus of the group seems to be towards someone who by this point has got into a parked car, the camera zooms in and people can be seen dragging people away from the car to get to the person/people inside the car, people can be seen punching someone inside the car, others have belts wrapped around their knuckles, a male can be seen smashing the car windows with what appears to be a pickaxe, other weapons have also been used during the violent disorder.

The main victim from this assault is still in hospital with head injuries, and waiting to have a CT scan as he has a bubble on his brain.

A large number of police resources were deployed to the scene, where people attempted to leave, two people have been arrested and one of these so far has been charged with several offences. There are numerous outstanding suspects for this incident.

From looking at the CCTV it would appear that some of the people involved were intoxicated, however this needs to be verified, further CCTV has been requested from the venue, to see what happened from inside the venue prior to the disorder occurring.

A meeting was held on the 10/10/2017 with the Licensee of Savannah Lounge, and it is apparent that there are a number of breaches to the licence conditions, namely people were allowed out the front of the premises, people were being allowed entry/re-entry in to the venue past its hours permitted, from looking at the SIA log sheets the door staff did not start work at the correct time, and were not briefed as to their roles and what conditions needed to be adhered to.

I have serious concerns that if the venue is allowed to continue running in the current manner, it is likely that further incidents of the above nature could occur.

Police propose numerous interim conditions be added to the licence until a full review hearing can be held and further enquiries can be conducted to establish the facts of why and how this large scale violent disorder occurred.

Police request the following interim steps: 1. The venues opening hours and all licensable activity be reduced until 1am, as allowing the venue to open and serve alcohol until 05.00 hours is promoting drunkenness by people drinking until the early hours of the morning, as previously stated Brent Council CCTV shows what appears to be drunkenness, but at this stage it can not be verified.

2. Police would also ask that the premises install an ID scanner, and the condition should read

(Admission to club by Club Scan, photographic ID, which includes a date of birth, to be produced by all patrons to staff and electronic records to be kept on Club Scan and checked every time a patron attends the premises.)

This will assist police with any further enquiry that they need to conduct if any further incidents happen, and will help identify any possible suspects or witnesses. 3. Police would also ask that the venue employs SIA from the approved SIA contactor scheme; this will ensure that the SIA working are trusted and reliable. 4. Police would ask that the licence be suspended for a period of seven days to allow the licensee to implement the above conditions, this will help the premise to promote the four licensing objectives.

The licensee has indicated to police that he has a private booking this Friday 13th October 2017, for a birthday party, however he had not thought about implementing any further conditions to help prevent a repeat of the above, which raises concerns that no thought is currently being given to the safety of staff or patrons attending this venue.

Police deem these measures as appropriate, proportionate and necessary for the promotion of the licensing objectives, particularly to prevent any further crime or disorder and to protect the public from harm (public safety).

Notes for guidance

- A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

 - conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
 - conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious disorder is not defined in legislation, and so bears its ordinary English meaning.
- Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder, or both.
