			<p>iii. In confirming its decision, Cabinet supported the following recommendations made by the Resources and Public Realm Scrutiny Committee:</p> <ul style="list-style-type: none"> • In terms of the recommended design option, the 23 units of housing be provided as social housing. In recognising the need to address issues in relation to viability, Cabinet will explore a predominance of three or four bedroom ‘family-sized’ accommodation. • Appropriate noise-reduction safeguards be provided for tenants within the new housing units in order to manage the relationship between the mixed residential and community use on the site. Such a provision is to ensure that noise concerns do not limit the use of the facility by the community. • A minimum level of local social enterprise provision is guaranteed within the Enterprise Hub. • Community governance options being developed in terms of future management of the site must be based around the Key Stakeholder Group and involve a broader local community membership. Such governance options must have open membership to locals, with democratic processes for the selection of people and positions.
