<input checked="" type="checkbox"/> B. The decision is extremely urgent and even <u>5 clear days' notice</u> of the decision cannot be given

<input checked="" type="checkbox"/> D. The decision must be implemented urgently and the <u>5 day call-in period</u> must be <u>dis-applied</u> to allow the decision to take immediate effect.
REASONS FOR URGENCY
If you have selected options A, B or C please explain:
<ul style="list-style-type: none">Why it was not possible to provide the required notice (i.e. why the decision or exemption was not anticipated) Given the need to urgently extend the procurement of a Lateral Flow Testing service, it is not considered that the Council has time to provide notice on the Forward Plan in order to undertake a tender process to select a provider. Given the urgency in continuing the current arrangements, it is impossible to comply with the usual

timescales in the Public Contracts Regulations 2015. There is no time to run an accelerated procurement under the open or restricted procedures or competitive procedures with negotiation; There is no time to place a call off contract under an existing commercial agreement such as a framework or dynamic purchasing system. Officers therefore seek approval to direct award of a contract for a Lateral Flow Testing service on the basis of extreme urgency. The intention is to award a contract for 10 weeks only, to address the immediate danger to the public

- **Why it is impractical to defer the decision to a later date to allow the appropriate notice to be provided.**
See above

If you have selected Option D please explain why the council's interest or the public interest would be seriously prejudiced by the decision not taking immediate effect.

We received confirmation from the DHSC, that Brent are required to continue offering the Lateral Flow Test, until the 31/3/2021.

The efficacy of the lateral flow testing in quickly identifying Covid-19 and thus helping to reduce transmission rates has only recently been recognised and become widely available.

CHAIR OF COMMUNITY & WELLBEING SCRUTINY COMMITTEE

Notice to: Councillor Ketan Sheth, Chair of the Community and Wellbeing Scrutiny Committee

The Chair is asked to:

Note that an urgent decision will be taken as detailed in the form above.

The decision is deemed urgent because insufficient (less than 28 days) notice of the intention to take the decision was provided on the Forward Plan. However, at least 5 clear days' notice has been provided and therefore the Scrutiny Chair is only required to note that the decision will be taken.

Permit the extremely urgent decision to be taken as detailed in the form above.

The decision is deemed extremely urgent as less than 5 clear days' notice of the intention to take the decision has been provided. The Scrutiny Chair is asked to agree that the decision is urgent and cannot be reasonably deferred for the reasons detailed in the form above.

Permit discussion of exempt information in private relying on Schedule 12A of the Local Government Act 1972

If a report is likely to contain information exempt from publication under schedule 12A of the Local Government Act 1972, then 28 days' notice of this must be provided on the Forward Plan. Where this requirement has not been met, the agreement of the Scrutiny Chair is required before proceeding.

Permit the dis-application of the 5 day call-in period, allowing the decision detailed in the form above to take immediate effect.

A Cabinet decision or a Key Decision cannot be implemented until the 5 day call in period has elapsed and no valid call-in has been received. The call-in protocol can be dis-applied if the council's or the public interest would be seriously prejudiced by the decision not taking immediate effect. The Chief Executive must determine whether a decision is urgent in this regard. The consent of the Scrutiny Chair to the matter being treated as urgent is also required.
