Subject: Re: Objection from re 3 Abercorn Commercial

Dear Ms Haulkhory,

RE: Objection to the notice for an application for a premises licence First Floor, 3 Abercorn Commercial Centre, HA0 1AN.

I am writing using my neighbour, [REDACTED] as I do not have one of my own. I called the council and logged my complaint over the phone and was told that they would accept that due to [REDACTED]. However, [REDACTED] informs me that you have not received this. As a result, please find below my official complaint.

I am writing to register my objection to the application for a premises licence by Le Gaga Ltd at 3 Abercorn Commercial Centre.

The basis for this opposition is that granting a licence on these premises will not promote the licensing objectives, particularly:

- the prevention of crime, disorder and antisocial behaviour
- The prevention of public nuisance
- Public safety

The application proposes that alcohol will be sold for consumption and live music and dancing on the premises between 18:00 and 05.00am, six days a week.

Granting a licence would provide a source of alcohol all through the night for 6 days of the week, a ridiculous suggestion in an area which consists of families and young children. Residents will be at daily risk of noise nuisance and antisocial behaviour as well as public nuisance. This is totally unacceptable

I have lived in this area for decades and it is a quiet area filled with families as well as older people [REDACTED] and I am strongly against a nightclub (drinking and dancing establishment) as this will lead to noise, not only from the premises itself, but also, from people leaving the property at all hours of the night, 6 days a week. As a result, in addition to the above, I very much worry about public safety

from people leaving at all hours. We are already used to people hanging around outside the Commercial Centre late at night, drinking, so this will only encourage that.

I know that it is not just myself who is against this as it is completely the wrong place to have a licence of this manner.

I urge the Committee to consider the impact of this licence given that it is based in a commercial unit within a residential area.

In view of the above, I strongly urge the Licensing Authority to refuse the application.

Yours sincerely,
