Attn: Brent Council Licensing  
Attn: Ms. Vanesha Haulkhory

We agree with our neighbours. We understand that businesses want to develop but we are very, very concerned about the impact on our flats and the quality of life. This stretch of Harlesden road is quiet at night. Although we bedroom windows on the street (Harlesden Road) side, we are not bothered with traffic after 7 or 8 pm. The disturbances are only patrons of the pub next door at closing time. Also, the parking is not adequate for the pub and the vehicles block the pavement and sometimes our drive. Trash is left on our wall or thrown over the wall and there are always plentiful cigarette butts littering the area. At this time, the bother is tolerable. However, an increase in activity would greatly distress us.

We do not want to withdraw the complaint, we want to reiterate the issues. How will the parking issue be resolved? How will any noise on the street be controlled? Will the street in front of the pub and our building be cleaned? Once permission is granted, has it ever been revoked? What guarantees will the Council undertake regarding any negative impact?

We would like to avoid the inevitable problems.

Sincerely yours,

[REDACTED]
