During the year of 2022-23, activities including those of community tenants returned to a more typical pattern following the Covid-19 pandemic. Several organisations organised activities and events, both within the Barham Park building and using the park.

The park of Barham Park recontinued as one of the most visited parks within the Brent area. The park includes a range of features including a Walled Garden, other gardens, trees and open woodland, amenity grassland and a meadow, a children’s playground and an outdoor gym.

The park hosted a Fun Fair on two occasions, guided walks and healthy walking activities. A Remembrance Day event was held in November 2022.

Working with the Council, Brent Council’s Property Services and Parks Service continued to work to progress operational issues, and to prepare capital projects towards commissioning both for the buildings and for the park.

One of those projects is a strategic review of the use of the building to look at opportunities to improve the quality of the accommodation and income generation.

Following the earlier works to re-landscape the Queen Elizabeth II Jubilee Garden, planting was conducted during the winter of 2022/23. Twenty standard-sized trees were planted in an open woodland. A low wall was restored. These works were funded by grants provided by Brent Council.

**Summary of the main achievements of the charity during the year**

The Barham Park Trust continued to maintain Barham Park for visitors from local areas of Brent and from elsewhere. The Barham Park building hosted tenants of community organisations. The Park and building hosted several events. Barham Park also provides a range of landscaping and biodiversity.
