Subject: FW: CONSULT: New Premises - Olympic Garden, 3 Olympic Way, HA9 0DL - 30611

Dear Licensing Authority and, Matthew May

Nuisance Control Team as a Responsible Authority have considered the application. We are concerned that granting the application could result in public nuisance arising from the licensable activities applied for due to the proximity of residential and hotel accommodation. Please accept this communication as both a formal representation and holding email.

Kind regards

Martin Wood

Principal Nuisance Control Officer
