Dear Sir/Madam,

I am writing with concern, with reference to licence for Moonbay Bar & restaurant, 1 Parade, East Lane, Wembley HA9 6BZ. I have moved to this area 2 years ago. The current owner is all other people in the community. It is a place for me and my family to meet here. I believe it's a community oriented place and extremely important for local community. If people lose their licence it will be a great loss for the community.

Yours
Jeff
