Growth Funded by Performance Reward Grant					
Central	The Local Area Agreement (LAA) team	209	209	209	The Local Area Agreement team is currently funded from performance reward grant received as a result of stretch targets in the first round of Local Public Sector Agreements. Funding at this level is needed for three years if the Council is to support the Local Strategic Partnership (LSP) and LAA2 process.
Central	Domestic Violence Prevention Programme	71	71	71	The 'Domestic Violence' project has been funded as a stretch target through the use of reward grants. It has been very successful in reducing domestic violence incidents. As well as contributing to the reduction of serious violence priority and more generally health and wellbeing outcomes, domestic violence is one of the main reasons that children become 'Looked After'. Research shows that in care, life outcomes are less positive. The monies allocated contribute to an advocacy service based at Kilburn Police Station, providing advice and support to females subjected to domestic violence. Providing this service as part of the 'criminal justice' process, places less burden on the police, who are able to devote more time to delivering high quality investigations.
Central	Volunteering Programme	60	60	60	Volunteering work has previously been funded as a stretch target through the use of reward grants. The 'Volunteering' project has been very successful and has enabled the Volunteer Centre to attract an additional £578,000 from various sources for work from 2007-2011. Work with young volunteers aged 16-25 years and a supported volunteering project helps them to address some of the inequalities faced by certain groups, who find it harder to access volunteer opportunities.
C&F	Extended Schools Set-up Cost	116	0	0	Funding has been provided for extended schools set-up costs to replace growth in Area Based Grant allocation which has been used to help fund growth in child protection costs.
E&C	Sports Development for disabled children and diversionary activities for children at risk of getting involved in crime.	287	287	287	Within the Sports Development Team there are currently 2 full-time and 1 part-time Sports Development Officers (SDOs) posts funded by the LAA. These posts were introduced to focus on key priorities within LAA1; increasing adult participation in sport/physical activity, increasing sports participation by disabled children/young people and creating diversionary activities from crime for young people. Research shows that if people take part in regular sport as a child this will follow through into adult lifestyle. Brent has one of the lowest adult sports participation rates in London with over 56% taking part in no sports or physical activity on a regular basis and one way of tackling this is by encouraging young people to be active. There will be also initiatives aimed at low participation groups including the healthy walks programme in parks in Brent.
E&C	Directorate - Sustainability Green Zones	90	90	90	This allows the development of green zone 'nodes' around streets, parks, town centres and faith centres. It aims to engage and support residents to provide "resident to resident" support for changing behaviours to more sustainable ones. This will allow a dedicated member of staff, the involvement of Groundwork and £20k for incentives, materials, training and other expenses.

PROGRAMME FUNDED BY PERFORMANCE REWARD GRANT 2009/10 - 2011/12

		2009/10	2010/11	2011/12	
		£'000	£'000	£'000	
E&C	Directorate - Climate Change, NI 185 and NI 186	155	155	155	The NI185 indicator measures progress by local authorities in reducing carbon dioxide emissions arising from buildings and transport and includes schools and contractors. The NI188 indicator measures progress in adapting to and helping its community adapt to climate change through working with major organisations both public and private organisations and with local groups. NI 185 and NI 188 are indicators targeted for improvement in the Local Area Agreement. These monies will support a team of 3 staff costing £125k and £30k of monies for promotional work and events.
E&C	Libraries - Book Stock	100	100	0	An investment of an additional £100k in 2010/11 in the stock budget over that previously agreed will improve borrowing performance and visits to libraries by making the stock available in libraries more attractive.
E&C	Publicity for recycling	60	0	0	In order to maximise the quantity of targeted materials collected and aim to reach higher participation rates in all recycling schemes, a further advertising campaign has been included for 2009/10
E&C	Directorate - Loss of land charges income (For 2009/10 £400k included in Environment & Culture's budget)	0	200	0	The downturn in the housing market continues to seriously affect the number of local land searches processed. The central team responding to search requests is very small and there is no scope for reducing costs to match the income loss.
H&CC	Private Housing Services	50	83	83	Demand for Disabled Facilities Grants recently has increased significantly. Budget growth of £83k is required to address this in a full year, with the provision of two additional surveyors.
H&CC	Income Maximisation	90	90	90	There has been support from partners for a proposal for the Council to co-ordinate a programme of income maximisation across Brent - involving mapping services to enable people to maximise benefits.
H&CC	Advice Agencies	22	0	0	£22k was provided in 2009/10 for additional resources to meet anticipated increased demand arising from the current economic conditions
