### **Police representation to the application to transfer the Premises Licence for Dubai Express Unit 1 Wharfeside, Rosemont Rd HA0 4PE**

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Licensing Objectives for the reasons indicated below.

Officer: Nicola McDonald  
PS 157QK Licensing Constable

An officer of the Metropolitan Police, in whose area the premises are situated, who is authorised for the purposes of exercising its statutory function as a 'Responsible Authority' under the Licensing Act 2003.

The application has been made to transfer the premises licence under section 42 of the Act.

On 27th March 2012 I made an application to review the premises licence for this venue, this review application remains outstanding.  
On page 4 the applicant for this premises licence transfer Mr Mohsin Khan states he can not get in touch with the existing license holder and therefore a consent form has not been signed by the previous licence holder. He does not explain what steps he has taken to trace the licence holder.  
Police suspect the applicant for the transfer is connected with the previous licence holder as the application is coincidental with the review.  
Police intend to speak to the applicant and ascertain how he came by the lease for the premises but in the meantime and due to the recent history of the premises Police believe it would be detrimental to the licensing objectives to grant this licence transfer.

Yours sincerely

**Nicola McDonald PC 157QK Brent Police**
