8.2 Where responsible authorities and interested parties raise relevant representations, the council may, if it is satisfied at a hearing or otherwise, impose conditions where considered necessary for the promotion of the licensing objectives.

8.3 Any conditions attached by the council or submitted by the applicant must focus on the direct impact of the activities taking place at licensed premises, on those attending the premises and residents and persons working in the area.

8.4 Any conditions attached to licences will be tailored to the individual needs, style and characteristics of the particular premises and events concerned and will be drawn from a 'model pool of conditions' (where appropriate) to the particular premises.
