VIW1 was in the **betting shop** and had just won £100 when he decided he wanted to leave. As he went onto THE HIGH ROAD an unknown SUSP approached him and asked him to come and walk with him for a bit. VIW1 made a few steps with SUSP and then SUSP asked him to empty his pockets. VIW1 said that the SUSP was standing in front of him when he said that and that he tried to push him away but that's when SUSP punched him in the face.

VIW1 said that he ran straight back into the **betting shop** and called Police. He said that SUSP made off in the direction of the Station.

VIW1 was asked where he was punched but said that he can not remember exactly where but probably on the right hand side of his neck. I could also smell alcohol in his breath and I asked him how much he had to drink and he said that he had about three beers. I looked at VIW1's neck but could not see any redness or any marks.

LAS was offered but he refused to be seen.

VIW did not know what SUSP1 meant, as he did not know him and there had not been any trouble whilst he was in the VENUE. SUSP1 suddenly threw something at VIW, believed to be some money. SUSP1 then began to jump about on the spot and said again that VIW needed to leave. VIW was about to leave and states SUSP1 was stood on his right side, and suddenly using his right fist, punched VIW once in the right side of his face by his cheekbone. One of the other SUSPS, unknown which one, has then punched VIW in the left side of the face. In total VIW was punched twice - once in each side. VIW immediately left the VENUE and began to walk up EALING ROAD towards **HIGH ROAD, WEMBLEY**, and the SUSPs then ran past him.

One of the males, the suspect, is unknown to the victim and she asked him for ID. He said he didn't have any and the victim asked him to leave the **shop**. The victim stated that his friends laughed at their friend being asked to leave and the suspect did not take well to this. As a result, he shouted something like 'don't talk to me liike that'.

The victim tried to remonstrate with him, asking him just to leave and he picked up a metal stool and raised it above his head with both hands and shouted "I'm gonna lick you in your head" which the victim took to mean 'hit in your head.' The victim was able to get into the staff area and locked the door. Other people with the suspect took the stool from him whilst the victim called the police.

PC 840qk and PC 615qk TUSET and SUPT KERSHAW attended.

Police were called to CORALS **HIGH ROAD WEMBLEY** by the victim who said the suspect punched him in the face and spat at him after an argument.

The CAD was updated while we were en route to the location stating the suspect had been on scene but he had now walked out of the BOOKMAKERS and headed EAST along the HIGH ROAD.

We were given a description of a black male with three quarter length denim trousers and a black beanie hat. He was seen on the high street and stopped.

When stopped the suspect said he knew we were coming and confirmed he had had an argument in CORALS.

While another officer spoke to the victim to get an account of the allegation, the suspect made a significant statement before arrest saying they had stepped up to each other and shouted at each other, he went on to say he pushed the victim away. This statement is noted and signed in an EAB.

The allegation of a punch to the head and being spat at was confirmed so the suspect was arrested by PC 840qk ELLIS at 1925 hours outside CORALS for suspicion of Common Assault and cautioned.

CRIMINT PLUS - INFORMATION REPORT

Crimint URN QKRT00400225

p007263 Gail STANTON (QK)

On Tuesday 17/05/2011, Ms XX , the assistant manager of X Bookmakers, **HIGH ROAD, WEMBLEY**, provided an impact statement re ASB of a group of 5 - 15 youths within and around the **shop** since February 2011 when she arrived at the premises.

She described behaviour of youths of black, Afghani, Iraqi, Iranian and Somali description including throwing pens in the **shop** at the ceiling and each other, inking out the lens on the entry door security camera, passing what are believed to be drugs to each other and selling them directly outside in the street, setting off the fire door alarm at the rear of the premises by trying to force entry and exit, threatening the last 2 assistant managers forcing them to leave their employment, hiding between the window and the false wall at the front of the store, intimidating genuine customers using the machines in the bookies by crowding around them, telling them what number to **bet** on the roulette and then expecting a cut of the winnings if the customer receives any winnings. This has led to one act of violence against a male customer who remonstrated with them and went outside to complain and was assaulted outside.

The asst manager deals with them robustly by removing them from the **shop** when they are causing any kind of ASB and can usually manage this without calling police. She states that there has been a dramatic improvement during the last 4 weeks with some youths not coming into the **shop** and those that do behaving much better. She believes that is due to her robust approach and frequent visits by SNT. It may also be due to the removal of X and X who have been remanded and are known to be pivotal to the group of youths causing ASB.

She stated the youth who causes the **shop** most problems is X , who she stated seemed to be a part of every group who went to the **shop** and is banned from the premises as he threatened a previous employee thus his ban is company wide and permanent. He sometime enters the **shop** and it causes her difficulties trying to remove him. She is willing to provide further statements if required to assist in obtaining an ASB against him. He is XX who is permanently in the HIGH ROAD during the evenings.

The youths tend to be around the **shop** between 1700 - 2200 daily. She states they often have what she believes is cannabis. She has requested one to leave with a lit spliff of cannabis and states that others smoke cannabis behind the back of the **shop** fronts.

1 - Immediate Action

This allegation is recorded by the TIB unit at Wembley after a call back to the informant re CHS Demand Number 20110418013800.

Cris checked - Not previously reported.

Apparently, a few days prior to this incident, the unknown male suspect had been causing staff in the **shop** problems with his behaviour. As a result, he was banned by them from entering the premises.

On the 18th April at about 21.25hrs, the male was seen walking past the premises on foot, by staff. When he was outside the main front door, he stopped and was seen to take a kick at the bottom panel of glass.

This action caused the panel to smash.

The suspect walked away, and made good his escape.
