18th June 2013

Dear Sir

Police representation to the application to vary the Premises Licence at Coral Racing 576-582 High Rd, Wembley, HA0 2AA

I certify that I have considered the application shown above and letter received from Bond Pearce LLP dated 24th April 2013 and **I wish to make further representations** from those made on 20th April 2013.

I appreciate that the reason why Coral wish to operate these premises for the hours requested is not a relevant consideration for the committee, I am not a member of the committee but a licensing officer merely enquiring and as I indicated, the notice of under section 160 of the Gambling Act provides scant information.

As Coral are simply seeking to trade on an equal footing I propose the following conditions be attached to the premises licence. The implementation of these conditions by other betting shops operating outside the default hours promote the operation of the premises be reasonably consistent with the Licensing Objectives.

CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and licensing officers if requested.

A CCTV camera shall be installed to cover the entrance of the premises and further cameras installed to cover the gaming machines.

An overt CCTV monitor to be installed, able to be seen by customers

The premises to install all aspects of Raid Control to the requirement of the Metropolitan Police Crime Reduction Officer save the requirement to utilise the smoke and dye packs.

The window panes shall not be tinted and no signage or stickers will be attached to the window area.

The entrance door will only have legally required signage (and opening hours) and this will not block visibility into the unit at eye level.

The premises to adopt and advertise a 'challenge 21' scheme.

An incident book shall be kept and made available to the Police and Responsible Authorities.

Signs to be displayed alerting customers:

No alcohol

No smoking

No persons under 18 Years

Persons will be prosecuted for causing criminal damage

A suitable intruder alarm complete with panic button shall be fitted and maintained.

A fire alarm and smoke detections system will be installed.

Toilets shall be checked regularly. Toilet doors remain locked, fitted with a magnetic style locking device and access given by staff only.

All doors and windows shall remain closed during any licensable activity and where a door is used for customers to enter or leave the premises the door will be fitted with a self-closing magnetic locking device that can be operated by staff.

The magnetic locking system should be activated and in operation to allow customers entry from 2100 hours to 0000 hours on any door used by customers

The premises shall be staff by a minimum of two persons from 1800 hours to 0000 hours.

I reserve the right to produce any further evidence which may amplify the grounds for representations

Yours sincerely

Nicola McDonald PC 157QK
