Hi Barbara

I've not heard anything from you since I visited the shop back in May. Have you made any decisions on my representation letter. I am aware the council are looking at setting a hearing date for the application.

Regards
Nicola

Dear Barbara

I am so sorry for the misunderstanding, because I did not receive any confirmation from yourself I presumed you had not received my e mail. I wish you had phoned the numbers on my letter of representation and I would have visited. Could you make 3pm on Saturday 26th or same again on the Sunday (reason for this is I am working at the stadium football and at kick off I can pop down)

Apologise again
Nicola
