Dear Ms Gilbert

Complaint by Mr A Khokhar

I have now completed my investigation of the complaint by and I enclose a copy of my report. I am also sending a copy to the complainant. You will see that I have found maladministration. I have found that this caused the complainant injustice.

Please note that Section 30 of the Local Government Act 1974 requires your Council to make a press announcement in more than one newspaper within two weeks of receiving the report, and to make it available at one or more of the Council's offices for a period of three weeks. I enclose a specimen press advertisement which you may find helpful.

Section 30(3) requires me to report without naming or identifying the complainant or other individuals. The names used in this report are therefore not the real names of the people and places involved.

Since I have found that there was maladministration/service failure, your Council is also required, under Section 31(2) of the Act, to consider the report and tell me, within three months of receiving it (or such longer period as I may agree in writing), the action it has taken or proposes to take.
