Background History

This is to be a well established independent local store that will shortly be refurbished with a retail selling area to be in excess of 470 sq ft.

The Shop

This purpose built shop has been designed to serve both the local community and those from further a-field. The premises will trade as a convenience store under an independent fascia, with a range of fresh foods, groceries and other products offered and the off-licence is an important part of the service the store is expected to provide.

The Operation

The store is operated by the manager who is also to be the DPS, assisted by a team of full and part-time staff many of whom will be expected to live locally. The designated premises supervisor, trained and certified through the APLH training scheme will be responsible for training all staff and keeping and maintaining ongoing training records utilising the **Premises Licence Manual**. The **Challenge 25** trading initiative is to be adopted and supported by the refusals system with records kept in the **Refusals Book** to tie in with the CCTV system.

Security

The premises will be secured by a full **alarm system** with a panic button. The **CCTV system** will benefit from a **24-hour recorder** and **library** which can be made available to Police if required.
