Dear Sir/Madam

Ref: Off Licence application for 30/32 Harrow Road, Wembley, HA9 6PG

I have shop ~~XXXX~~ Harrow road, Wembley, HA9 6PG. I would like to oppose the application due to the following reasons:

1. No 2, 26, 34, 52 has an off licence. The new store is too close to the 4 other premises, which may cause problems during event days.
2. This property 30/32 harrow road was a pub and had so many issues in the past in which police had to be involved in many of the cases.
3. Behind and side (alley way) of this property, 30/32 shop, there are many people who abuse alcohol, end up causing trouble and police had to involved.
4. There are already 4 off licence in the parade. So that there is no need for another off licence.
5. It will increase the public disorder and disturb the peace in the neighbourhood and will become a very unsafe area.
6. In last 4 weeks 2 incident happen with old age people were victim of chain snatching.

In conclusion my practical experience is not appropriate to increase off licence in favour of peace and harmony in local community.

I have attached signed petition, from the other people against the off licence application.

yours faithfully
