Appendix 2

Eligibility Criteria for Social Care Services

- 1. Central government defines the criteria for eligibility for social care. They are defined in terms of four bands:
 - Critical
 - Substantial
 - Moderate
 - Low
- 2. Each local authority decides at what level to set its eligibility criteria. Brent Council's Executive decided on *substantial and critical*. Should the council wish to change its eligibility criteria it is good practice to consult users, and to take into account the views expressed when coming to a decision. Criteria should not indirectly discriminate.
