Ref-Review Hearing of License at peaches Bar & Restaurant.177-179 Kenton Road.HA3 0EY

Dated- 2nd Feb 2014.

Dear Sirs,

I wish to inform you that we fully support the business in the Licence Review to be held.

I have a business on this parade and I have visited this venue since it opened in 2009 with friends & family and have not witnessed any crime and Anti-social behaviours at the Premises.

The owners of Peaches Bar & Restaurant are professional people they try to achieve the highest possible standards in order to attract professional people to the Venue and to distinguish itself from other similar venues uses nearby.

The owners have very good management and cover security, public safety, ID scan to confirm age that we have not seen used at other bars, Security patrols to prevent noise & disturbance after closing, no children allowed in premise's unless with parents and then Not in the garden.

We hope the council will to allow business to use the Beer garden & Shisha tent as we have as family been there and not witnessed any crime & disorder or noise nuisance. The noise on the street from passing cars, Trains at Kenton tube station is louder then the customers having a Shisha or Cigarette. They also employ a steward in the garden to ensure customers keep quiet and restrict the numbers that can smoke after midnight to 15ppl.

Brent council or the Police can not hold the business responsible for customers on the parade that cause nuisance .This is out of their control.!

The business has a late licence on Friday & Saturday (till 4am) but as responsible owners, they chose to close early.

Crime & Dis-order, anti social behaviour and nuisance that existed on the Parade was from Masters Bar but this has stopped as they lost their late licence. However, they have applied and are able to stay open till 1.30am daily. I was very surprised that there was no objection by the Police Dept or the council considering the history of this venue.

We trust the council will take into consideration our full support with very good reasons for Peaches bar & restaurant

Yours truly,

Dear Sirs,

I wish to register my full support for this business at the Licence Review hearing to be held By the Police.

I have been a regular visitor to this establishment since it opened with friends & family and have not witnessed any crime and Anti-social behaviours at the Premises.

The Management at Peaches Bar & Restaurant are professional people and operate a very well run business.

The shish tent & the beer garden is very well managed and employs a steward to ensure that customers smoking do not disturb the local residents.

Incidents of fights on the parade for which the Police have blamed the business are not in their control. How can they be responsible for policing the parade?

I hope the council Licence Review Committee will look at the positive impact this business has regarding jobs for local people and local suppliers.
Brent Council should be supporting local businesses and not trying to shut them down.

Please do not hesitate to contact me if you require further information on this supporting letter.

Yours truly,
