Review of Premises Licence under Section 51 of the Licensing Act 2003 relating to 177-179 Kenton Road, Harrow, HA3 0EY

As you are aware a review of the premises licence at the above address has been made by the Licensing Police.

When the Licensing Authority receives an application to review premises, it has to advertise the application on or near the premises concerned, at the Council Offices and on the Council's website in accordance with Regulation 38 of the Licensing Act 2003 (Premises Licences and Club Premises Certificates) Regulations 2005 ("the regulations") The advertising of the notice has to take place for 28 consecutive days starting the day after the day on which the application was received and contains details of the grounds for review.

The notice was displayed by the Council's licensing officer on **30th January 2014**. A site visit was made on **7th February 2014**, and it was noted that original blue review notice was damaged due to weather conditions. The review notice was replaced. On **9th February 2014**, a subsequent visit was made and the review notice had been removed. Consequently, on **10th February 2014**, another notice in the same location has been displayed.

The Licensing Authority have sought legal advise in the matter. The nature of that advise is that the Council as Licensing Authority has carried out all reasonable steps in a diligent manner and has discharged its duty by complying with the requirements of the Regulations. The notice appears on the Council's website and is therefore in compliance with the regulations. For the avoidance of doubt the consultation period shall continue and will end on the date stated in the notice being 25th February 2014.

Yours sincerely
