Thank you for your reply, after serious consideration I have decided due to my health getting worse that I would not only like my details removed I would also like my application to be withdrawn.

As I feel that if I go ahead with this representation process it will have more effect on my health.

So therefore if you could cancel my application and if I later change my mind in appealing I will make a new application again.

As I do not feel that this will make any justice to my health related to the stress as well as living above the Peaches Bar.

So Could you please confirm and let me no that my application will be withdrawn and cancelled.

Thank you.

Dear Colin,

Following my visit this weekend to Peaches I was concerned with the fire exit in the beer garden. It is a fire exit gate that is locked and the key is kept with the door supervisor who is based at the rear exit door leading to the garden. Neil said that the council have addressed this previously and it is ok to have this in place. Neil said that the reason they keep it locked is because people have tried to enter the premise from this gate. Can I have your input on this please? Have you discussed this with them in the past?

Kind Regards
