**Subject:** Temporary Event Notice : Notification-223163742

Dear Ms Channer,

**Applicant:** Miss Thema Channer  
**Premises:** Stonebridge Primary School, Shakespeare Avenue, London, NW10 8NG  
**Event:** Birthday Party/Dance  
**Application Consultation - ref:** 223163742

Thank you for your application for a TEN. I certify that I have considered the application shown above and I **wish to make representations** that the likely effect of the grant of the application may cause a public nuisance.

However, the following conditions would hopefully address the objection raised above:

1. The applicant shall ensure that no music played in the premises is audible at or within the site boundary of any residential property. The applicant may appoint a site supervisor to be present at premises for the duration of the event so that periodic checks can be made to ensure music is not audible outside the premises.
2. The playing of live or recorded music shall not be permitted in any external area.
3. All doors and windows will remain closed during the licensed activity. Where a door is used for patrons to enter or leave the premises the door will either be fitted with a self-closing device or a doorman will ensure that it is not left open or propped open.
4. When the premises are vacated, a door supervisor shall supervise patrons and ensure they leave in a prompt and courteous manner, respecting the neighbours.
5. Patrons are to be discouraged from congregating in large numbers outside the premises for extended periods. Once patrons finish smoking, they are to be ushered back inside the premises or asked to move on in order to prevent congestion, noise and anti-social behaviour.

### **Other comments:**

The Nuisance Control Team will actively monitor the event and investigate any noise complaints received. If the noise is witnessed at a nuisance level, a noise abatement notice may be served on the applicant.

You will need to agree to these Conditions in writing or contact me or my colleagues in the Nuisance Control Team if you wish to discuss them.

If you wish to agree by e-mail please email your response to [ens.noiseteam@brent.gov.uk](mailto:ens.noiseteam@brent.gov.uk) .  
I look forward to hearing from you.

Yours sincerely,
