PROMOTION EVENT RISK ASSESSMENT FORM 696

Guidance for Artistes and Promoters

(Users should ensure that this guidance sheet is handed or sent to all persons disclosing their personal details)

The Promotion Event Risk Assessment Form 696 is designed to allow the management of licensed premises, promoters of music events, event security and the police to work in partnership to identify and minimise any risk of serious violent crime happening at a proposed event. Should areas of concern be identified the police intention is to work together to create a Risk Management Plan that enables the event to proceed with minimum risk.

The use of this form is voluntary. However, we note that the completion of this form may be a condition on some premises' licences. This means the completion of this form is mandatory for those premises.

The management of the licensed premises or the promoter considers that the proposed event requires a Promotion Event Risk Assessment Form 696 to be completed and it is for this purpose that your personal details are required.

The information provided will be cross-referenced with our systems and data sources to assist with the risk assessment.

- Protecting life and property;
- Preserving order;
- Preventing the commission of offences;
- Bringing offenders to justice;
- Any duty or responsibility arising from common or statute law
