3.5. At the previous committee meeting, members requested that they review, in more detail the IT contracts audit. A copy of the full audit report has been sent separately to committee members and representatives from relevant service areas will be present to discuss their response to the audit. Members may wish to consider which audits to review at their next meeting in January 2015. Although still at draft stage, both the Direct Payment audit and No Recourse to Public Funds (adolescents) currently have a limited assurance rating.

Internal Fraud

3.6. Internal fraud refers to fraud committed by employees, agency staff and staff in maintained schools. For the purposes of this report, "fraud" includes instances of theft, fraud, misappropriation, falsification of documents, undisclosed conflicts of interest and serious breach of financial regulations. Activity for the year to date is shown in table 3 below:

3.7. Performance in relation to the length of time internal investigations take is a key priority for the team. The time taken (in weeks) from receipt of a case to the issue of a draft report to management is shown below.

Housing Benefit Fraud

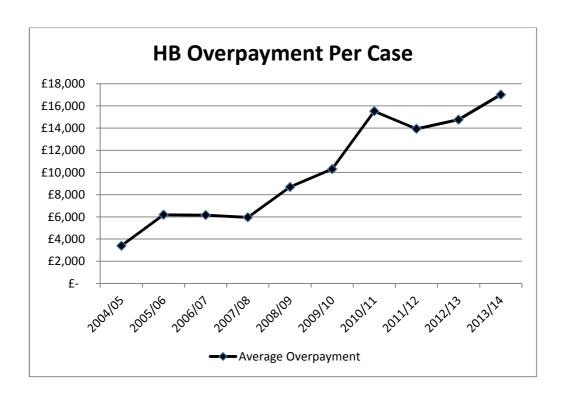

3.8. Responsibility for the investigation of Housing Benefit fraud transferred from the council to the DWP on 1st October 2014. Four staff were transferred with the function together with all outstanding cases, which are now recorded as closed. A&I no longer accept HB fraud referrals, all of these are now routed through to the DWP. Caseload information is set out in table 5 below.

Average HB/CTB/CTRS Overpayment per fraud	£22,450	£17,000

Table 5 – HB / CTB Fraud 2014/2015

3.9. This will be the final report on HB fraud performance as part of the progress reports to committee. It is, however, worth recording the council's success in this area over many years and the significant amount of fraud identified, as illustrated in the graphs below.

The value of HB/CTB overpayment identified over the past 10 years = £12.225m

Housing Tenancy Fraud

3.10. Recovery of social housing properties has a significant impact upon the temporary accommodation budget. The Audit Commission estimate that the average value, nationally, of each recovered tenancy is £18,000*. Year to date, the Audit and Investigation team has recovered 26 social housing tenancies and cancelled 3 applications for housing. Two families had their (to be allocated) property size reduced following investigations. Caseload information is set out in table 6 below.

Housing Fraud	As at 31/10/14	2013/14
New Referrals	201	216
Closed Cases	139	222
Fraud Found	31	49
Recovered Properties	26	46

Property Size Reduced (Rehousing)	2	3
Value of properties recovered*	£468,000	£828,000
Open Cases Under Investigation	164	

Table 6 – Housing Fraud 2014/15

3.11. Referrals are rising due to increased liaison with registered providers. Twenty one providers in the borough have been approached and a number are already making referrals to the council.

Other External Fraud

3.12. This category includes all other external fraud/irregularity cases, such as blue badge, direct payments and council tax.

Other External Fraud	As at 31/10/14	2013/14

Table 7 - Other External Fraud 2014/15

3.13. There are significant savings arising from A&I activity in this area including the prevention of a mandate fraud, where a third party attempted to obtain funds due for a genuine supplier to the value of £410,000. Detailed savings figures are shown below:

Closed Cases Fraud/Irregularity	Number	Value
Mandate fraud	1	£410,000
Council tax discounts (Exc. Proactive)	5	£30,300
Business Rates	1	£43,300
Insurance Fraud	1	£13,000
Nursery Grant	1	£27,000
Social Services Payments	3	£9,200
Blue Badge	1	n/a
Total	13	£532,800

Table 8 - Other External Fraud Cases 2014/15

- 3.14. With the exception of the nursery grant case this represents direct additional income or losses prevented to the council.
- 3.15. In addition to the above savings A&I have been undertaking a proactive exercise in relation to single person discount claims which has, to date, identified additional income of £165,000.

3.16. Single Fraud Investigation Service

4. Financial Implications

- 4.1. The total value of the audit contract with Mazars is £300,000 in the current year and is funded within the Audit and Investigations base budget. If the total number of audit days attributable to Mazars is less than the 905 days allocated, then the total amount paid will reduce accordingly.
- 4.2. Funding for Housing Benefit Fraud is provided to the council via the main HB administration grant. Grant is not affected for 2014/15. The DWP have indicated that they intend to reduce the council's administration grant by £220,000 in 2015/16 and by £290,000 in 2016/17 to fund the Single Fraud Investigation Service.
