Register your child for free school meals/pupil premium

From September 2014 all children in Reception, Year 1 and Year 2, will be able to receive a free school meal whether their parents are in receipt of benefits or not. If your child is in one of these year groups we still need you to apply for a free meal if you are receiving benefits.

Schools get extra funding for every child registered as eligible for a free school meal if their parents receive benefits. They use this money for activities including art therapy, booster classes, educational trips and after school clubs.

Pick up an application form from your child's school or apply online at the web address below. **Even if you do not want your child to receive a free meal, don't let your school miss out on this important extra funding that will benefit your child.**

Parents of children in other year groups and in secondary schools must still apply for a free meal and your eligibility will be checked.
