PC 541QK PRESENT NOTES DELAYED DUE TO BOOKING IN PROCEDURE.

STARTED:0920hrs ENDED: 0930hrs

On SUNDAY the 08th of FEB 2015 at approx 0800hrs I was on duty in full uniform with PC 541QK onboard QK81E. We then got assigned an "I" grade CAD refers 2469, of a woman looking distressed by the roadside NORTH CIRCULAR 406 SHELL GARAGE. We spun around and searched on part of the NORTH CIRCULAR with no trace. Traffic unit then got assigned and we proceeded to cover the other side of the NORTH CIRCULAR. Second call then came out CAD 2478 from an informant stating she is trying to kill herself.

As we approached the slip road A4088 we saw a female who I now know to be ****dob *** FIC3 F504 from - 8****, standing just on the road. As we approached she stepped out even further into the road right in front of our car.

We pulled up and PC 541QK shielded the woman with a car and tried to walk the lady towards the pavement away from the road and the traffic.

She was non-compliant saying "no, no, no" and trying to walk back towards the street. I then came closer to the lady and assisted PC 541QK walking her to the pavement to prevent injury. As I got close I could smell intoxicating liquor on Miss** breath, she was quite clearly unsteady on her feet. As I tried talking to her she became obstructive not giving us her name or reasons for being there. Her speech was also slurred and she didn't look like she was in complete of control of herself.

She was drunk. Based on her behaviour, impeding traffic and blocking the road, she was arrested by me at 0805 for being drunk and disorderly. She was handcuffed in front stack as she started to struggle (cuff no 24209). She

was cautioned and made no reply. Arrest was necessary to prevent harm or injury coming to her. She was then booked in under CN/716 at SX custody.

In custody she did say that she had just left the GREENES BAR following a lock in. I didn't attended the bar at any stage.
