On Sunday 8th February 2015 I was on duty in full police uniform. My posting for that day was driver of a marked police traffic response vehicle call sign ON34 in company with PC 1679T Jones. As a result of a call CAD 2469 refers I attended the A406 NW2 to the report of a female walking in the live carriageway. On arrival there was a local unit already on scene talking with a female on the side of the road on the East carriageway just before the North off slip to Neasden. I got out and went and spoke with them. I could see that the female was drunk. I was told that she had been arrested for being drunk and disorderly. I asked her if she had left any property in the road. She stated that she had been inside 'GREENES' in Neasden Lane until about 630am. She said that she had left her handbag inside. Transport then arrived to convey the female to custody. I decided to go to 'GREENES' to see if I could locate her bag. The time was now 815am. I went to the front of the pub and could see that the shutters were down. I then knocked on the door. A short while later the door was opened by a male who identified himself as a member of staff. I then went in to the main bar area. I could see that there was another male sat at the bar with a full pint in front of him. There was also a female inside. In the bar to the left there was another male who appeared to be cleaning up. PC Jones went to speak with him. I asked if I could speak with the landlord. I was told that he had gone to bed a short while before. I asked who the people in the bar were. The details they gave me were :- [Redacted] DOB [Redacted] He stated that he had been working there for about 1 year. He was the male who opened the door. [Redacted] DOB [Redacted] He told me that he had been working there since October 2013. He was the male sat at the bar with a full pint. The female told me her name was [Redacted] She was apparently the girlfriend of [Redacted]. I told them I was looking for the handbag. I was told that they remembered the female looking for the bag when she was in there. I was told that she had left about 630 - 7am. As the bag could not be found we left the premises.
